Cars That Matter: ,2017-07-05 Years I looked for a book that had pictures of all the great cars I admired from modern megacars to favorite old classic to rare one-of-a-kind show pieces. I found one book with maybe a third of my dream cars. With help of some friends I decided to create CARS THAT MATTER, a handy photographic guide with lots of descriptions and historical notes about the most interesting, rare, and fun cars produced over the last century. Every car collector and wannabe collector I knew found something they'd not heard of in this first edition but I kept adding cars. Finally at 333 pages of brilliant images I decided to share this with the car-loving world. I hope you like it.
