Luigi Nono Carola Nielinger-Vakil,2016-01-07 The anti-fascist cantata *Il canto sospeso*, the string quartet *Fragmente - Stille*, an *Diotima* and the 'Tragedy of Listening' *Prometeo* cemented Luigi Nono's place in music history. In this study, Carola Nielinger-Vakil examines these major works in the context of Nono's amalgamation of avant-garde composition with Communist political engagement. Part I discusses *Il canto sospeso* in the context of all of Nono's anti-fascist pieces, from the unfinished *Fučik* project (1951) to *Ricorda cosa ti hanno fatto in Auschwitz* (1966). Nielinger-Vakil explores Nono's position at the Darmstadt Music Courses, the evolution of his compositional technique, his penchant for music theatre and his use of spatial and electronic techniques to set the composer and his works against the diverging circumstances in Italy and Germany after 1945. Part II further examines these concerns and shows how they live on in Nono's work after 1975, culminating in a thorough analysis of *Prometeo*.

Routledge Handbook to Luigi Nono and Musical Thought Jonathan Impett,2018-10-26 Of the post-war, post-serialist generation of European composers, it was Luigi Nono who succeeded not only in identifying and addressing aesthetic and technical questions of his time, but in showing a way ahead to a new condition of music in the twenty-first century. His music has found a listenership beyond the ageing constituency of 'contemporary music'. In Nono's work, the audiences of sound art, improvisation, electronic, experimental and radical musics of many kinds find common cause with those concerned with the renewal of Western art music. His work explores the individually and socially transformative role of music; its relationship with history and with language; the nature of the musical work as distributed through text, time, technology and individuals; the nature and performativity of the act of composition; and, above all, the role and nature of listening as a cultural activity. In many respects his music anticipates the new technological state of culture of the twenty-first century while radically reconnecting with our past. His work is itself a case study in the evolution of musical activity and the musical object: from the period of an apparently stable place for art music in Western culture to its manifold new states in our century. *Routledge Handbook to Luigi Nono and Musical Thought* seeks to trace the evolution of Nono's musical thought through detailed examination of the vast body of sketches, and to situate this narrative in its personal, cultural and political contexts.

The No No Zone Keli Matthews,2014-12-29 The *NoNo Zone* is a book to assist in the explaining of inappropriate touching and the proper names of our body parts to children. In the story, *Kajae* explains to *Susie* about her *NoNo Zone* and the importance of telling if ever violated.

Nostalgia for the Future Luigi Nono,2018-10-23 *Nostalgia for the Future* is the first collection in English of the writings and interviews of Luigi Nono (1924–1990). One of the most prominent figures in the development of new music after World War II, he is renowned for both his compositions and his utopian views. His many essays and lectures reveal an artist at the center of the analytical, theoretical, critical, and political debates of the time. This selection of Nono's most significant essays, articles, and interviews covers his entire career (1948–1989), faithfully mirroring the interests, orientations, continuities, and fractures of a complex and unique personality. His writings illuminate his intensive involvements with theatre, painting, literature, politics, science, and even mysticism. Nono's words make vividly evident his restless quest for the transformative possibilities of a radical musical experience, one that is at the same time profoundly engaged with its performers and spaces, its audiences, and its human and social motivations and ramifications.

Nono's Kisses Flori Senor Rosenthal,2014 Nono's Kisses for Sephardic Children is Flori Senor Rosenthal's first of the Legacy and Literacy Scholastics Series. The book contains beautiful illustrations representing Ladino phrases. It was written to teach and encourage the usage of the Ladino language to children between the ages of 4 and 9. However, all ages will enjoy it and find it useful. Ladino or Judeo-Spanish is the language of Sephardic Jews. According to the United Nations, it is an endangered language. With each Ladino phrase found in the book, there is a question relating to its picture. This question, engages the parent and child into conversation. Ladino vocabulary words, pronunciations and English translations are provided to be used in these and other conversations and games between parents and their children. To make the learning experience even more fun, there is a hidden butterfly, in every illustration, to be found by the child. Ms. Senor Rosenthal's father inspired her to write Nono's Kisses for Sephardic Children. She wrote it to honor a tradition known specifically to Sephardic Jews. The book is an extraordinary teaching and learning tool for Ladino, and the Sephardic culture. However, those interested in the Spanish language and its history will also find this book interesting. Ms. Senor Rosenthal believes that her series will spark renewed interest in the Ladino language with the goal of having it removed from the endangered language list.

Babaylan Sing Back Grace Nono,2021-11-15 Babaylan Sing Back depicts the embodied voices of Native Philippine ritual specialists popularly known as babaylan. These ritual specialists are widely believed to have perished during colonial times, or to survive on the margins in the present-day. They are either persecuted as witches and purveyors of superstition, or valorized as symbols of gender equality and anticolonial resistance. Drawing on fieldwork in the Philippines and in the Philippine diaspora, Grace Nono's deep engagement with the song and speech of a number of living ritual specialists demonstrates Native historical agency in the 500th year anniversary of the contact between the people of the Philippine Islands and the European colonizers.
