

Norfolk

Irwin M. Berent

Norfolk Thomas C. Parramore, Peter C. Stewart, Tommy Bogger, 2000-01-29 This is a history of Norfolk from the time of the first contact between a Spanish sailor and a native American Chiskiack in 1561, to the city's late 20th-century concerns, including pollution of Chesapeake Bay, urban development, traffic in illegal guns, and racial tensions.

Norfolk, Virginia ... Norfolk (Va.). Industrial Commission, 1910

Historical and Descriptive Sketches of Norfolk and Vicinity William S. Forrest, 1853

Norfolk, Virginia Irwin M. Berent, 2013-10-15 Showing in stunning detail the phenomenal evolution of one of America's most historic cities from its beginnings as a town to its current expanse, this Every Square Inch of Norfolk book presents an astonishing array of historic Norfolk-area maps spanning 200 years. Arranged side by side and scaled to identical sizes, the maps make it possible to pinpoint every major change in the city, almost decade by decade. The book utilizes the most important detailed maps ever drawn of the entire city, beginning with the little-known War of 1812 map, the first great map to cover all the areas that make up today's Norfolk. (And if you are reading other books in the Every Square Inch of Norfolk series, then this book is especially indispensable, as the maps in the book serve as the basemaps to which all the other books in the series refer.) Along with its extensive indexes and penetrating and meticulously researched textual background information, Evolution of A City In Maps is an ideal resource for the study of every facet of Norfolk history and geography, making it not only an invaluable reference but also a significant contribution to American geography.

On This Day in Norfolk, Virginia History Sarah Downing, 2015 Established in 1680 near the mouth of the Chesapeake Bay, Norfolk is a maritime jewel of the East Coast. During the American Revolution, British ships shelled the city on New Year's Day 1776. The first battle of the ironclads--Monitor versus Merrimack--took place off Norfolk's shore in 1862. Walter P. Chrysler moved his art collection to the city in 1971 and catapulted the former Norfolk Museum of Arts and Sciences into the renowned Chrysler Museum. Author, historian and Norfolk native Sarah Downing offers a daily look at the fascinating and sometimes offbeat history of the city's storied past. Navigate the waters of history one day or month at a time with this celebration of Norfolk's heritage.

South Norfolk Raymond Harper, 2003 South Norfolk, Virginia, now a part of the bustling metropolis of Chesapeake, was once a small, close-knit community with sprawling farms and cozy locally-owned businesses. South Norfolk had its beginnings as a village. As population increased, it became a town, then a city of the second class, and finally, a city of the first class. By this time, South Norfolk was already offering residents a friendly, small-town identity in the midst of lovely homes, schools, and churches. Through vintage and present-day photographs, readers will experience the nostalgic and striking contrast between the world of old South Norfolk and the Chesapeake of today. Step back in time when life moved at a slower pace, and the community blossomed with friendship, trust, and goodwill. Meet prominent families such as the Portlocks and the Tilleyes; travel dirt streets lined with horse-drawn wagons and a variety of vendors; walk the wintry snow-covered paths of beautiful Lakeside Park; visit the Grand Theatre, Jus Maid Ice Cream Store, Gornto's Bakery; or catch up with the gang at Preston's Pharmacy.

Norfolk, Virginia Norfolk (Va.). Industrial Commission, 1914

History Lover's Guide to Norfolk, A Jaclyn Spainhour, 2021 Begun in the seventeenth century as a small settlement nestled along the Elizabeth River, Norfolk had grown into a vibrant port city by the Revolutionary War. The city spread out from early neighborhoods like the Freemason District into nineteenth-century enclaves like Ghent along the Hague. Twentieth-century Norfolk was marked by its development into a bustling Navy town. Journey through the vibrant past of this multifaceted locale, guided by expert authors from local museums, historical organizations and city institutions. Walk the city's most historic neighborhoods and learn the history of its beachside communities. End with suggestions of places to eat and play that evoke traces of Norfolk's past. Crack open these pages to learn that Virginia is truly for history lovers.

Norfolk and Western Magazine Norfolk and Western Railway Company, 1931

Norfolk and Western Railway Stations and Depots C. Nelson Harris, 2009 The tracks of the Norfolk and Western Railway snaked through Virginia's Shenandoah Valley and the coalfields of West Virginia. For nearly 100 years, the Norfolk and Western brought freight, passengers, and economic vitality to large cities and rural mining towns. At each stop was the depot or station; some stations were large, architecturally ornate structures that represented the muscular energy and romantic era of this great steam railway with its famed J-class engines. In other places there were small wooden depots that depicted the hard-scrabble life of the mining communities, tucked amid steep mountain valleys that were indelibly shaped by the railway's presence. Today some of those structures remain, while many disappeared when the railway ceased passenger or other service. The Norfolk and Western eventually merged with the Southern Railway, and though the trains of the Norfolk Southern still run along those same lines, they simply pass by where they used to stop many years ago.

Information About Norfolk, Portsmouth, Berkley, Virginia and Vicinity .. Norfolk (Va) Board of Trade and Bus, 2023-07-18 This information-packed volume provides a detailed and comprehensive overview of Norfolk, Portsmouth, Berkley, and the surrounding area in Virginia.
