Starship Spotter Adam 'mojo' Lebowitz,Robert Bonchune,2012-09-17 The Starship Spotter was created more than two centuries ago in the early years of deep space travel to serve as a reference guide to assorted space-going vessels. Captains of the spaceships of the United Earth Space Probe Agency used this invaluable tool to help their crews to distinguish friend from foe in the unexplored reaches of the cosmos. When the services were merged to form Starfleet, the Spotter as a paper book disappeared from use. Only recently rediscovered, the newest editions of this historic volume have until now been the sole purview of the students of Starfleet Academy. Each year a new class of Starfleet cadets carefully reviews and revises the contents. The ships displayed in the Starship Spotter are chosen as a tribute to the crews who have served on them and the valour shown, regardless of the ship's affiliation. Although only thirty ships could be selected, the cadets feel that these ships reflect the noble history of space exploration and travel. We proudly present to you the Class of 2383 edition of Starship Spotter.

Maximum Warp Book One Dave Galanter,2012-08-28 Seven months ago, Captain Jean-Luc Picard and the USS Enterprise rescued a Federation cargo ship and a Romulan Warbird, both drained of power by an unknown source and mysteriously trapped together in the Neutral Zone. Five months ago, the captain of the USS Exeter launched a log buoy from her helpless ship, reporting it adrift and without energy for reasons she is unable to explain. Now, a power plant on Mars has gone down, leaving tens of millions in the dark. Reports of remote outposts losing power, ships stranded in space, and unexplained dead zones throughout the United Federation of Planets are beginning to cause a general panic. But Starfleet sends Picard and the Enterprise to Romulan space with orders to enter as covertly as possible and rendezvous with a high-ranking Romulan named T Sart. An infamous war criminal and a cold-blooded killer, T Sart's expertise runs from biological warfare to high-tech weaponry. Now he claims he is planning to defect - but even though the rendezvous was arranged with Vulcan Ambassador Spock's authentication codes, no contact with the Ambassador himself can be established. Sabotaging the project of his one-time protégé, T Sart arranges the destruction of a Romulan warbird - the distraction for his pickup - with disturbing ease. But T Sart insists he is trying to save the universe, not destroy it - and the Federation may have no choice but to take him at his word.

Star Trek: Starfleet Is... Robb Pearlman,2021-09-07 What is Starfleet? It is the universe's most famous and inspirational coalitions of all time. It has boldly gone where no pop culture franchise has gone before. It is the foundation for a thriving community of passionate fans. Creator Gene Roddenberry said Star Trek "was an attempt to say that humanity will reach maturity and wisdom on the day that it begins not just to tolerate but take a special delight in differences in ideas and differences in life forms . . . If we cannot learn to actually enjoy those small differences, to take a positive delight in those small differences between our own kind, here on this planet, then we do not deserve to go out into space and meet the diversity that is almost certainly out there." After more than 50 years, 11 television series, 13 movies, and countless fan conventions later, Star Trek fans of all ages continue to gather—in person or virtually-- and enjoy, share, and live up to Roddenberry's optimistic vision of the future. Fully authorized and filled with full-color images spanning the entire canon, *Star Trek: Starfleet Is...* celebrates of Roddenberry's vision. This commemorative book highlights 50 of the key traits of the Star Trek universe and demonstrates, through memorable images and beautiful artwork, how these ideals are personified by everyone from Kirk and Spock, to Picard and Janeway, to Burnham and Mariner, and their voyages to everywhere from Earth to Vulcan, from Q'onoS to the Delta Quadrant, and even to the Mirror Universe and back in time—and how they are actively and sincerely lived by the Star Trek fans themselves. What is Starfleet? Starfleet is fun. Starfleet is not always logical. Starfleet is adventure. Starfleet is brave. Starfleet is compassion. Starfleet is diverse. Starfleet is evolving. And it is by sharing their passions, supporting one another through difficult times, celebrating one another's successes, and boldly going into a bright and hopeful future that Star Trek fans show that, above all, Starfleet is family. Starfleet is forever. A portion of the proceeds from *Starfleet Is . . .* will benefit ALS research.
