Luke Waters

NYPD James Lardner, Thomas Reppetto, 2001-08 Traces the history of the world's largest municipal police force from its founding in 1845 to the present day, revealing an organization fraught with hidden conflicts between politicians, bureaucrats, and the cops on the beat.

**The NYPD's First Fifty Years** BERNARD WHALEN, JON WHALEN, 2015-01-01 The New York Police Department is an iconic symbol of one of the world's most famous cities. The blue uniforms of the men and women who serve on the force have long stood for integrity and heroism in the work to serve and protect the city's residents. And yet, as in any large public organization, the NYPD has also suffered its share of corruption, political shenanigans, and questionable leadership. In *The NYPD's First Fifty Years* Bernard Whalen, himself a long-serving NYPD lieutenant, and his father, Jon, consider the men and women who have contributed to the department's past, both positively and less so. Starting with the official formation of the NYPD in 1898, they examine the commissioners, politicians, and patrolmen who during the next fifty years left a lasting mark on history and on one another. In the process, they also explore the backroom dealings, the hidden history, and the relationships that set the scene for the modern NYPD that so proudly serves the city today.

*Policing the Big Apple* Jules Stewart, 2021-10-13 As debates about defunding US police forces continue, this book offers an enlightening historical overview of one of the largest metropolitan contingents: the New York City Police Department. The NYPD is America's largest and most celebrated law enforcement agency. This book examines the history of policing in New York City, from colonial days and the formation of the NYPD at the turn of the twentieth century, through 1930s battles with the Mafia to the Zero Tolerance of the 1990s. Jules Stewart explores political influence, corruption, reform, and community relations through stories of the NYPD's commissioners and the visions they had for the force and the city, as well as at the level of cops on the beat. This book is an indispensable chronicle for anyone interested in policing and the history of New York.

NYPD Battles Crime Eli B. Silverman, 1999-06-10 Analyzes the New York City Police Department's (NYPD) high-tech crime fighting strategy, Compstat, and examines 25 years of change and leadership at NYPD, revealing that the Compstat crime control process is not an instant organizational turnaround but instead is the result of a gradual process of organizational change and leadership redirection. Of interest to students of policing and organizational management. Silverman is a professor of law, police science, and criminal justice administration at John Jay College of Criminal Justice in New York City. Annotation copyrighted by Book News, Inc., Portland, OR.

The NYPD Tapes Graham Rayman, 2013-08-06 Recounts NYPD officer Adrian Schoolcraft's 2010 release of secret recordings of corruption and abuse at the highest levels of the police department, and describes how his revelations have rendered him a subject of slander.

Street Warrior Ralph Friedman, Patrick Picciarelli, 2017-07-25 As Seen On Discovery Channel's *Street Justice*: The Bronx 2,000 arrests. 100 off-duty arrests. 6,000 assists. 15 shootings. 8 shot. 4 kills. These are not the performance statistics of an entire NYPD unit. They are the record that makes Detective 2nd Grade Ralph Friedman a legend. Friedman was arguably the toughest cop ever to wear the shield and was the most decorated detective in the NYPD's 170-year history. Stationed at the South Bronx's notorious 41 Precinct, known by its nickname "Fort Apache," Friedman served during one of the city's most dire times: the 1970s and '80s, when fiscal crisis, political disillusionment, an out-of-control welfare system, and surging crime and drug use were just a few of its problems. *Street Warrior* tells an unvarnished story of harrowing vice and heroic grit, including Friedman's reflections on racial profiling, confrontations with the citizens he swore to protect, and the use of deadly force.

NYPD Confidential Leonard Levitt, 2010-11-23 Examines the rivalry of New York City's police commissioner and mayor for control over and credit for the city's police force, identifying disturbing cover-ups and corrupt practices that are undermining the NYPD's effectiveness and honor.

*NYPD Green* Luke Waters, 2017-02-28 In the tradition of bestsellers like *Blue Blood* comes a book that takes us inside the New York City police department and offers a glimpse at the grit, the glory, and often the absurdity of police work in the Big Apple--this time through the eyes of an Irish immigrant who spent more than 20 years as one of New York's finest--

*Lost Wings* Robbin Ramos, 2006-03-22 Pulsating with the heartbeat of the city that doesn't sleep, *Lost Wings: The True Story of a Disgraced NYPD Cop* is an all-points bulletin--a revelation of life as it is lived day-by-day by the men and women in blue whose firmly held territory is your neighborhood precinct. Former officer Chris Ramos, who wanted only one thing--to be a New York City police officer--takes us along on his daily tour of duty: eight terror-soaked hours and thirty-five minutes in the Alamo war zone, where every second is ticked off in gunshots or the harsh discord of domestic violence. Robbin Christopher Ramos pulls no punches, and after reading *Lost Wings*, you will never look at a city policeman in the same way again.

**Undisclosed Files of the Police** Bernard Whalen, Philip Messing, Robert Mladinich, 2016-09-27 More than 175 years of true crimes culled from the city's police blotter, told through startling, rarely seen images and insightful text by two NYPD officers and a NYC crime reporter. From atrocities that occurred before the establishment of New York's police force in 1845 through the terrorist attack on the World Trade Center in 2001 to the present day, this visual history is an insider's look at more than 80 real-life crimes that shocked the nation, from arson to gangland murders, robberies, serial killers, bombings, and kidnappings, including: Architect Stanford White's fatal shooting at Madison Square Garden over his deflowering of a teenage chorus girl. The anarchist bombing of Wall Street in 1920, which killed 39 people and injured hundreds more with flying shrapnel. The 1928 hit at the Park Sheraton Hotel on mobster Arnold Rothstein, who died refusing to name his shooter. Kitty Genovese's 1964 senseless stabbing, famously witnessed by dozen of bystanders who did not intervene. Son of Sam, a serial killer who eluded police for months while terrorizing the city, was finally apprehended through a simple parking ticket. Perfect for crime buffs, urban historians, and fans of *Serial* and *Making of a Murderer*, this riveting collection details New York's most startling and unsettling crimes through behind-the-scenes analysis of investigations and more than 500 revealing photographs.

**Case Files of the NYPD** Bernard Whalen, Philip Messing, Robert Mladinich, 2018-09-04 Characters galore, both good guys and gangsters, leap from the pages (*The New York Times*) in this irresistible, authentic look at 175 years of true crime cases from the NYPD archives, packed with photos, artifacts and expert revelations. From atrocities that occurred before the establishment of New York's police force in 1845 through the terrorist attack on the World Trade Center in 2001 to the present day, this chronological visual history is an insider's look at more than 80 real-life crimes that shocked the nation, from arson to gangland murders, robberies, serial killers, bombings, and kidnappings, including: Architect Stanford White's fatal shooting at Madison Square Garden over his deflowering of a teenage chorus girl. The anarchist bombing of Wall Street in 1920, which killed 39 people and injured hundreds more with flying shrapnel. Kitty Genovese's 1964 senseless stabbing, famously witnessed by dozen of bystanders who did not intervene. Robert Chambers, the handsome, wealthy ex-Choate student, who murdered Jennifer Levin in Central Park, called *The Preppy Murder Case*. Son of Sam, a serial killer who eluded police for months while terrorizing the city, was finally apprehended through a simple parking ticket. Perfect for crime buffs, urban historians, and fans of *American Crime Story*, this riveting collection details New York's most startling and unsettling crimes through behind-the-scenes analysis of investigations and more than 250 revealing photographs.

*NYPD Red 4* James Patterson, Marshall Karp, 2016-01-25 NYPD Red chases a ruthless murderer with an uncontrollable lust for money--and blood. It's another glamorous night in the heart of Manhattan: at a glitzy movie premiere, a gorgeous starlet, dressed to the nines and dripping in millions of dollars' worth of jewelry on loan, makes her way past a horde of fans and paparazzi. But then there's a sudden loud noise, an even louder scream, and a vicious crime with millions of witnesses and no suspect--and now NYPD Red has a new case on its hands. NYPD Red: the elite task force assigned to protect the rich, famous, and connected in the city where crime never sleeps. Detective Zach Jordan and his partner, Kylie MacDonald--a former girlfriend from the police academy who he hasn't quite gotten over--are the best that Red has to offer, brilliant and tireless investigators who will stop at nothing to crack a case, even if it means putting their own complicated lives on the back burner. From celebrity penthouses to the depths of Manhattan's criminal underworld, Zach and Kylie are soon in hot pursuit of a cold-blooded killer with everything to lose, and millions to gain if he can just shake the detectives on his trail. With the city on edge, the mayor out of patience, and the flames of their personal relationship threatening to reignite and ruin everything, Zach and Kylie are facing down their worst fears--and their worst enemy yet.

*The New York City Police Department* John A. Eterno, 2014-10-13 Studying the flagship New York City Police Department is critical to understanding policing and democratic society. An examination of the department by experts who have been studying it for years, *The New York City Police Department: The Impact of Its Policies and Practices* provides a frank and open discussion about the NYPD from an elite group of scholars with varying

viewpoints and concerns. The authors in this book are uniquely qualified to discuss and analyze the intricacies of policies and their impact. Researchers working the streets of Brooklyn expose stop-and-frisk policies. An expert academic covers marijuana arrest policies and their implications on citizens. The impact of the NYPD's development of innovative technology is demonstrated by a recently retired captain who worked on developing the department's real-time crime center. Presenting the insight of these and other experts, the book explores critical questions such as: How are victims of crime faring in the NYPD's performance management system? Does the NYPD manipulate crime reports to make them appear better? How does the NYPD handle mass demonstrations? How does the community view the NYPD? How can an individual start a grassroots movement to influence policy and practices? The book explores hiring, firing, and retention; analyzes crime-fighting strategies; discusses the drop in homicide rate in recent years; and reviews legal concerns and the response to public demonstrations such as the Occupy Wall Street movement. The final chapter evaluates implications of the policies the NYPD follows and analyzes how it affects policing worldwide. A scintillating exposé on police culture and resistance to change, the book is destined to encourage enhanced social discourse on the topic for years to come.

New York City Police Joshua Ruff, Michael Cronin, New York City Police Museum, 2012 New York City, one of the world's premier urban centers, is also home to the world's most famous and storied municipal law enforcement service: the NYPD. Policing in New York is as old as the city itself, although much has changed since the first Dutch rattle watch patrolled streets in the 1620s. Technological improvements, advancing professional standards, and historical moments like the 1898 consolidation of New York City and the terrorist attack of September 11, 2001, have each profoundly changed the way New York City police officers do their jobs. Still, as New York City Police emphasizes, certain elements of the job remain true through the decades and centuries. Being a police officer in New York City has always involved a certain amount of danger, sacrifice, and public coordination.

**Law & Disorder** Bruce Chadwick, 2017-04-25 Nineteenth-century New York City was one of the most magnificent cities in the world, but also one of the most deadly. Without any real law enforcement for almost 200 years, the city was a lawless place where the crime rate was triple what it is today and the murder rate was five or six times as high. The staggering amount of crime threatened to topple a city that was experiencing meteoric growth and striving to become one of the most spectacular in America. For the first time, award-winning historian Bruce Chadwick examines how rampant violence led to the founding of the first professional police force in New York City. Chadwick brings readers into the bloody and violent city, where race relations and an influx of immigrants boiled over into riots, street gangs roved through town with abandon, and thousands of bars, prostitutes, and gambling emporiums clogged the streets. The drive to establish law and order and protect the city involved some of New York's biggest personalities, including mayor Fernando Wood, police chief Fred Tallmadge, and journalist Walt Whitman. *Law and Disorder* is a must read for fans of New York history and those interested in how the first police force, untrained and untested, battled to maintain law and order.

The NYPD Charles River Editors, 2019-10-24 \*Includes pictures \*Includes a bibliography for further reading Of all the great cities in the world, few personify their country like New York City. As America's largest city and best known immigration gateway into the country, NYC represents the beauty, diversity and sheer strength of the United States, a global financial center that has enticed people chasing the American Dream for centuries. America's prototypical metropolis was once a serene landscape in which Native American tribes farmed and fished, but when European settlers arrived its location on the Eastern seaboard sparked a rapid transformation. Given its history of rapid change, it is ironic that the city's inhabitants often complain about the city's changing and yearn for things to stay the same. The website EV Grieve, whose name plays on the idea that the East Village grieves for the history and character the neighborhood loses every day to market forces and gentrification, regularly features a photo of some site, usually of little interest: an abandoned store, a small bodega, a vacant lot. The caption says, simply, that this is what the site looked like on a given day. The editors of the website are determined to document everything and anything for future generations. While America's biggest city constantly changes, the largest police force in the United States, the New York Police Department, is no stranger to the limelight. Quite the contrary, the NYPD has become immutably entrenched in American culture, past and present. The acronym itself, while a mouthful, is effortlessly musical and therefore commands a certain presence. It is also the most internationally renowned police department, recognizable even to non-Americans and non-native English speakers, thanks to the virtually incalculable depictions of the department in various forms of literature, movies, and television shows. Chances are people across the world have stumbled on media depictions of the NYPD, such as Sidney Lumet's *Serpico*, the *Die Hard* franchise, *NYPD Blue*, and even lighthearted comedies like *Brooklyn Nine-Nine*. Of course, the limelight is much like a double-edged sword, and there is a noticeable rift in New Yorkers' perception of their homegrown police force. To some, NYPD officers - excluding a few bad eggs - have, throughout history, endeavored above and beyond time and again to fulfill their duty to protect and serve. Their valiance is best exemplified by the unparalleled heroism they exhibited during the devastating terrorist attacks on 9/11, during which 23 NYPD officers died after rushing to the horrific scene to aid people. Dozens more have since succumbed to the incurable, mostly lung-related illnesses they contracted during the rescue operations at Ground Zero. These unflinching first responders helped save up to 25,000 others around the area that day. On the opposite end of this rift are those who are anything but fond of the NYPD. Many critics consider the NYPD's reputation permanently marred by the scores of scandals that the department has been mired in since its very inception, including evidence tampering, various forms of corruption, and especially police brutality and violence stemming from institutional racism. Not only has the NYPD been accused of disproportionately targeting and harassing African-Americans, Muslims, and other minorities, one of its officers was involved in one of the many tragedies that propelled the rise of the Black Lives Matter movement. As this suggests, the NYPD's history is anything but straightforward. *The NYPD: The History and Legacy of the New York City Police Department* examines how the department took shape and grew, and some of the most important people and events in its history. Along with pictures depicting important people, places, and events, you will learn about the NYPD like never before.

*New York's Finest* Michael Daly, 2021-12-07 The gritty, true blue story of two remarkable cops and an equally extraordinary nurse who provided the spirit and smarts that transformed Fear City into the safest big city in America. *NEW YORK'S FINEST* is the story of a city's transformation through the tireless efforts of Detective Steven McDonald, Nurse Justiniano, Jack Maple, and a host of hero cops—including the great niece of Jazz Age great Josephine Baker—the finest of *The Finest*. The son and grandson of cops, Officer McDonald was shot and paralyzed from the neck down while on patrol in 1986. The doctors said that if he did survive, he would be better off dead. It was then he came under the care of one Nurse Nina Justiniano. Where the teenage gunman was produced by the worst of Harlem's social ills, she personified its many graces, rescuing Steven from despair and urging him to transcend hate and bitterness. McDonald was then promoted to detective at the urging of NYPD Deputy Commissioner Jack Maple, a postal worker's son who sported a bow tie, Homburg hat, and two-tone shoes as he implemented transformative crime-fighting strategies to deter violent subway robberies. Coming up in the force, Maple had been routinely mocked for imagining the impossible: that Times Square would one day be a destination for families and tourists. Now, resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and Maple. But as *NEW YORK'S FINEST* illustrates, their legacies, and those of people like Nurse Justiniano, may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic.

*Seven Shots* Jennifer C. Hunt, 2010-09-15 On July 31, 1997, a six-man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds, possibly thousands of lives. *Seven Shots* tells the dramatic story of that raid, the painstaking police work involved, and its paradoxical aftermath, which drew the officers into a conflict with other rank-and-file police and publicity-hungry top brass. Jennifer C. Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four-star chief, to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device. She follows their lives for five years, from that near-fatal day in 1997, through their encounters inside the brutal world of departmental politics, and on to 9/11, when they once again put their lives at risk in the fight against terrorism, racing inside the burning towers and sorting through the ash, debris, and body parts. Throughout this fast paced narrative, Hunt maintains a strikingly fine-grained, street-level view, allowing us to understand the cops on their own terms—and often in their own words. The result is a compelling insider's picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and courage involved. As gripping as an Ed McBain novel—and just as steeped in New York cop culture and personalities—*Seven Shots* takes readers on an unforgettable journey behind the shield and

into the hearts of New York City police.

**Nypd - Through the Looking Glass** Vic Ferrari,2018-02-24 To an outsider, the New York City Police Department is a mysterious well-oiled machine responsible for maintaining law and order in the world's greatest city while looking brilliant in blue. However, things are not always what they appear to be and may surprise you. New York City has over eight million people residing in its five boroughs, covering over three hundred square miles. To run this three ring circus you need a thirty-five thousand member police department with a sense of humor. After a memorable twenty-year career, New York City Police detective Vic Ferrari shares his colorful stories while pulling no punches about the funnier side of the world's largest police department. You might be surprised to learn that moving a corpse to avoid working late is not a good idea. Or how hiding a gun in your oven can ruin an evening. And, what about the time there was gunfire inside a crowded cemetery during a funeral procession? Or the practical jokes that went too far. And, all the NYPD Precinct nicknames! The unofficial NYPD glossary and much more!NYPD: Through the Looking Glass is a behind scenes look into the NYPD filled with action, suspense, and nonstop laughs! A must read for cop buffs, true crime readers and anyone with a sense of humor!

**Cop Talk** E. W. Count,Ellen Count,1994 Journalist E.W. Count interviewed nearly one hundred New York City detectives for this book. In the bold, uncensored style that makes police officers the world's greatest raconteurs, New York's finest detectives recall the famous cases they've worked on: the fiery Happy Land disco homicide, with eighty-seven innocent victims...the trapping of a serial killer in the case of murdered ten-year-old Jessica Guzman...the Brink's robbery...the Preppy Murder case...the rub-out of Big Paul Castellano, perhaps the most professional of all mob executions...the apprehension of the Silver Gun Bandit, who robbed and raped his way through Manhattan...the Central Park Jogger case that rocked a seemingly shock-proof city. Then there are the stories that don't make the front page. A police dog that blows its nose, the better to sniff out human remains. Grave-robbers who steal body parts for Santeria rites. The night Chinatown's notorious Ghost Shadows came to the cops for help with a kidnapping by a rival Colombian drug gang from Queens. How legendary Detective First Grade Olga Ford, one of the toughest cops in Harlem, got inside the head of drug kingpin Leroy Nicky Barnes, known as Mr. Untouchable. The initiation of Detective Robert Chung and Officer Dave Huang into the Taiwanese gang United Bamboo as bona fide made members, the first time law enforcement officers actually joined the triad - and how a mistake by an FBI agent almost blew the whole operation. The perp who hid in the dryer, the corpse in the refrigerator, Samsonited bodies in a Staten Island Mafia graveyard.

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Nypd** . Nypd Introduction

Nypd Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Nypd Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Nypd : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Nypd : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Nypd Offers a diverse range of free eBooks across various genres. Nypd Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Nypd Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Nypd, especially related to Nypd, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Nypd, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Nypd books or magazines might include. Look for these in online stores or libraries. Remember that while Nypd, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Nypd eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Nypd full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nypd eBooks, including some popular titles.

## FAQs About Nypd Books

1. Where can I buy Nypd books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nypd book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nypd books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Nypd audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Nypd books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
