Zero 0'Clock C.J. Farley, 2021-09-07 For sixteen-year-old Geth Montego, zero o'clock begins on March 11, 2020. By June, she wonders if it will ever end. An insightful, eye-opening, and inventive story. C.J. Farley has penned a novel that sheds an important light on real issues facing young people today. --Angie Thomas, author of *The Hate U Give* For fiction with a sense of realism, this is a coming-of-age young adult book whose title is the same as that of a 2020 song by superstar boy band BTS, 00:00 (Zero O'Clock), with vocals by Jungkook, Jimin, Jin and V. Author C.J. Farley's novel grapples with the stresses and trauma of 2020. --South China Morning Post

Remember when New Rochelle was frantically sanitizing office buildings and rapidly shutting things down in the beginning of 2020? Well, Geth remembers, as her character dealt with being a senior in high school in the first New York town COVID raged through in *Zero O'Clock* by Christopher John Farley. --The Root

Geth is a likable, smart Gen Z protagonist in this modern epistolary work that combines diary entries, text messages, news reports, emails, and English lit essays to immersive effect...Farley offers readers undeniable value in this retelling of recent, unforgettable history. --Kirkus Reviews [Farley's] brilliance is in getting into the mind of a 16-year-old Black girl and giving her a vivid voice. --Booklist

In early March 2020 in New Rochelle, New York, teenager Geth Montego is fumbling with the present and uncertain about her future. She only has three friends: her best friend Tovah,

who's been acting weird ever since they started applying to college; Diego, who she wants to ask to prom; and the K-pop band BTS, because the group always seems to be there for her when she needs them (at least in her head). She could use some help now. Geth's small city becomes one of the first COVID-19 containment zones in the US. As her community is upended by the virus and stirred up by the growing Black Lives Matter protests, Geth faces a choice and a question: Is she willing to risk everything to fight for her beliefs? And if so, what exactly does she believe in? C.J. Farley captures a moment in spring 2020 no teenager will ever forget. It sucks watching the world fall apart. But sometimes you have to start from zero.

On the Clock Emily Guendelsberger, 2019-07-16
Nickel and Dimed for the Amazon age, (Salon) the bitingly funny, eye-opening story of finding work in the automated and time-starved world of hourly low-wage labor After the local newspaper where she worked as a reporter closed, Emily Guendelsberger took a pre-Christmas job at an Amazon fulfillment center outside Louisville, Kentucky. There, the vending machines were stocked with painkillers, and the staff turnover was dizzying. In the new year, she travelled to North Carolina to work at a call center, a place where even bathroom breaks were timed to the second. And finally, Guendelsberger was hired at a San Francisco McDonald's, narrowly escaping revenge-seeking customers who pelted her with condiments. Across three jobs, and in three different parts of the country, Guendelsberger directly took part in the revolution changing the U.S. workplace. Offering

an up-close portrait of America's actual essential workers, *On the Clock* examines the broken social safety net as well as an economy that has purposely had all the slack drained out and converted to profit. Until robots pack boxes, resolve billing issues, and make fast food, human beings supervised by AI will continue to get the job done. Guendelsberger shows us how workers went from being the most expensive element of production to the cheapest - and how low wage jobs have been remade to serve the ideals of efficiency, at the cost of humanity. *On the Clock* explores the lengths that half of Americans will go to in order to make a living, offering not only a better understanding of the modern workplace, but also surprising solutions to make work more humane for millions of Americans.

Thirteen O'Clock James Stimson, 2005-09 As a mysterious old clock strikes thirteen, monsters and ghouls appear looking for a snack and a little mischief at the expense of the small girl who lives down the hall.

Cluck O'Clock Kes Gray, 2015-02-05 A witty and warm tell-the-time book, created by Kes Gray, author of the bestselling *Oi Frog*, and Mary McQuillan. *Cluck O'Clock* is a tell-the-time book with a difference. It recounts a day in the life of a group of chickens - each with individual and distinct personalities - as they fill their lives with food, exercise, visiting - and waiting for the fox. Teaches children to tell the time in a fun, but informative way. '... teachers and librarians will be happy to give this tale a few minutes in story hours about chickens or clocks'.

- Kirkus Reviews

When It's Six O'clock in San Francisco , When Jared wakes up in San Francisco at six o'clock in the morning, children in other parts of the world are doing other things, like going to school in Buenos Aires, Argentina, playing soccer in London, England, and eating dinner in Lahore, Pakistan, because of the difference in time zones around the globe. Includes factual material about telling time and time zones.

The 5 O'Clock Band Troy "Trombone Shorty" Andrews,Bill Taylor,2020-11-10 This companion title to Trombone Shorty–Caldecott Honor, Coretta Scott King Award and Odyssey Honor winner–is a well-tuned, beautiful visual and auditory exploration of a beloved community as Shorty visits the streets of New Orleans to find answers on how to be a leader in his band.

Three O'Clock in the Morning Gianrico Carofiglio,2021-03-16 In a real dark night of the soul it is always three o'clock in the morning. - F. Scott Fitzgerald A coming-of-age novel—a heady union of Before Sunrise and Beautiful Ruins—about a father and his teenage son who are forced to spend two sleepless nights exploring the city of Marseilles, a journey of unexpected adventure and profound discovery that helps them come to truly know each other. Antonio is eighteen years old and on the cusp of adulthood. His father, a brilliant mathematician, hasn't played a large part in his

life since divorcing Antonio's mother but when Antonio is diagnosed with epilepsy, they travel to Marseille to visit a doctor who may hold the hope for an effective treatment. It is there, in a foreign city, under strained circumstances, that they will get to know each other and connect for the first time. A beautiful, gritty, and charming port city where French old-world charm meets modern bohemia, father and son stroll the streets sharing strained small talk. But as the hours pass and day gives way to night, the two find themselves caught in a series of caffeine-imbued adventures involving unexpected people (and unforeseen trysts) that connect father and son for the first time. As the two discuss poetry, family, sex, math, death, and dreams, their experience becomes a mesmerizing 48-hour microcosm of a lifetime relationship. Both learn much about illusions and regret, about talent and redemption, and, most of all, about love. Elegant, warm, and tender, set against the vivid backdrop of 1980s Marseille and its beautiful calanques—a series of cliffs and bays on the city's outskirts—*Three O'Clock in the Morning* is a bewitching coming-of-age story imbued with nostalgia and a revelatory exploration of time and fate, youth and adulthood. Translated from the Italian by Howard Curtis
