Race Day Gail Tuchman,2018-01-01 From the moment the driver climbs inside the car, the sights and sounds of an exciting day at the races roars to life in this straightforward presentation.

American Motorcyclist ,1975-07 American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

Annual Report of the California Horse Racing Board for the Period July 1 ... to June 30 ... California Horse Racing Board,1989

Virginia International Raceway Chris Holaday,2003-04 From the August 1957 VIR race program: The rolling Virginia hills have been painstakingly clad with an ultra-smooth skin of macadam to provide a course of great natural beauty. The superb spectator visibility is nicely equated to a road layout that will test the best in racing machines and men. In the late 1950s, a group of sports car enthusiasts dreamed of creating a first-class racing facility. The result was Virginia International Raceway, a challenging 3.2-mile course with 12 turns, 2 straightaways, and over 100 feet of elevation change. Located in southern Virginia, east of Danville and just across the North Carolina border, the track opened in 1957. During VIR's first 18 years of existence, races featured some of the top names in American motorsports including Carroll Shelby, Roger Penske, Walt Hansgen, and Richard Petty. The track also hosted numerous important events including SCCA Nationals, the President's Cup, a Trans-Am race in the first season of that circuit, as well as IMSA races in the early 1970s. Facing financial difficulties, the track shut down in 1974, and for the next 25 years VIR was a cow pasture. It was reopened in 2000 and the outstanding new facility is again one of the top racing venues in the country.

Horse Racing in California ,1982

Who Is Dale Earnhardt Jr.? David Stabler,Who HQ,2022-01-04 Rev your engines and get ready for this exciting look at how Dale Earnhardt Jr. lived up to his family legacy and became one of the greatest professional stock car racing drivers in the world. No one was surprised when Dale Earnhardt Jr. began his racing career at age seventeen. His father and grandfather were professional racers, and he spent most of his childhood servicing cars at his dad's dealership. Now Dale was ready for his own turn in the driver's seat. He started out racing in the Street Stock division but would go on to win several NASCAR championships before retiring from driving fulltime in 2017. Dale Earnhardt Jr.'s passion and dedication to the sport he loves is why he is considered the most popular professional driver in the world.

Statistical Report of Operations California Horse Racing Board,2003

Landaluce Mary Perdue,2022-07-05 When Triple Crown winner Seattle Slew retired from racing in 1978 to stand at stud at Spendthrift Farm, no one could be certain he would be a successful sire. But just four years later, his dark bay daughter Landaluce won the Hollywood Lassie Stakes by twenty-one lengths—a margin of victory that remains the largest ever in any race by a two-year-old at Hollywood Park. California horse racing had a new superstar, and Slew was launched on a stud career that would make him one of the most influential sires in North America. Like her father, Landaluce soon became a national celebrity, and was poised to become the next American super-horse. But those dreams ended when the two-year-old died in her stall at Santa Anita four months later, the victim of a swift and mysterious illness. Today, with her I Love Luce bumper stickers long gone, the filly has been largely forgotten. In *Landaluce: The Story of Seattle Slew's First Champion*, Mary Perdue tells the story of a horse whose short but meteoric career could have changed racing history forever. Sparking comparisons to Ruffian, Landaluce helped elevate California horse racing to the national stage and could have been the first filly to ever win the Triple Crown. In telling this story, Perdue explores the lives and careers of Landaluce's breeders, owners, and trainer, D. Wayne Lukas, as well as her famous sire Seattle Slew—and shows not only how one filly captured the imagination of racing fans across the country, but also set the stage for another filly turned super-horse, Zenyatta, in the decades to come.

A Shadow of Hope Kim-Briana Nguyen Lorine,2010-03 When a young girl named Kale and her parents are called to the Oak Ridge Racing Stables, they have no idea that they were about to be involved in one of the greatest mysteries in the stable's history. Something is spooking the horses and making them too nervous to race, and staff members are resigning because of how the horses keep bolting and charging unexpectedly. The owner of the stables is worried that he might have to sell the horses and close down the stables, but Kale desperately wants to do something to help. Kale has always loved horses, but will that be enough to save the future of the stables or will the answer to the mystery lie in a gorgeous black stallion that seems to trust only one very special girl? Find out in this first book of the series *A Shadow of Hope*!

Horse Racing in California California Horse Racing Board,2005

Dynasties Frank Moriarty,2002 He was with me tonight. I dedicate this win to him.--Dale Earnhardt, Jr. After winning the Daytona 500 a year after his father died racing on the same track. Racing is in the blood. Perhaps more than any other sport, stock car racing boasts a tradition of dynasties, multiple generations of superstars. From the Pettys and the Jarretts to the Earnhardts and the Labontes, this action-packed, photo-filled tribute honors those who keep it all in the family. Here are the grandfather, fathers, sons, and brothers who have made--and continue to make--motorcar history on the high-banked tracks of the Winston Cup Series. Among those who consistently deliver heart stopping performances in this thrilling dangerous sport are the France family, whose paterfamilias Big Bill France founded NASCAR, the Waltrips, Bodines, Andrettis, and many others.

The Longest Shot John Eisenberg,2021-12-14 On the first Saturday in May every year in Louisville, Kentucky, shortly after 5:30 PM, a new horse attains racing immortality. The Kentucky Derby is like no other race, and its winners are the finest horses in the world. Covered in rich red roses, surrounded by flashing cameras and admiring crowds, these instant celebrities bear names like Citation, Secretariat, Spectacular Bid, and Seattle Slew. They're worth hundreds of thousands of dollars. But in 1992, a funny thing happened on the way to the roses. The rattling roar of 130,000 voices tailed off into a high, hollow shriek as the horses crossed the finish line. Lil E. Tee? ABC broadcasters knew nothing about him, but they weren't alone. Who knew about Lil E. Tee? A blacksmith in Ocala, Florida, a veterinary surgeon in Ringoes, New Jersey, a trainer a Calder Race Course, and a few other people used to dealing with average horses knew this horse—and realized what a long shot Lil E. Tee really was. On a Pennsylvania farm that raised mostly trotting horses, a colt with a dime-store pedigree was born in 1989. His odd gait and tendency to bellow for his mother earned him the nickname E.T. Suffering from an immune deficiency and a bad case of colic, he survived surgery that usually ends a horse's racing career. Bloodstock agents dismissed him because of his mediocre breeding, and once he was sold for only \$3,000. He'd live in five barns in seven states by the time he turned two. Somehow, this horse became one of the biggest underdogs to appear on the American sporting landscape. Lil E. Tee overcame his bleak beginnings to reach the respected hands of trainer Lynn Whiting, jockey Pat Day, and owner Cal Partee. After winning the Jim Beam stakes and finishing second in the Arkansas Derby, Lil E. Tee arrived at Churchill Downs to face a field of seventeen horses, including the highly acclaimed favorite, Arazi, a horse many people forecast to become the next Secretariat. A 17-to-1 longshot, Lil E. Tee won the Derby with a classic rally down the home stretch, and finally Pat Day had jockeyed a horse to Derby victory. John Eisenberg draws on more than fifteen years of sports writing experience and a hundred interviews throughout Pennsylvania, Kentucky, Florida, and Arkansas to tell the story almost nobody knew in 1992. Eisenberg is a sports columnist for the Baltimore Sun and has won more than twenty awards for his sports writing, including several Associated Press sports editors' first places.

Motorcycle Illustrated ,1909

The Indianapolis 500 J. Craig Reinhardt,2019-04-01 Known as the Greatest Spectacle in Racing, the Indy 500 humbly began in 1911. Labeled as the first speedway, this two-and-a-half-mile oval is now home to many of today's top races, including the Brickyard 400, the Verizon IndyCar Series, the Monster Energy NASCAR Cup Series, the SportsCar Vintage Racing Association, the Red Bull Air Race World Championship, and its most famous race, the Indianapolis 500. In *The Indianapolis 500: Inside the Greatest Spectacle in Racing*, speedway tour guide and racing aficionado James Craig Reinhardt shares what makes the legendary racetrack special. He reveals the speedway's unbelievable history, fast-flying action, notorious moments,

and its secrets, including facts about the beginning of the brickyard, why the drivers kiss the finish line, how milk became the drink of choice, and much more. The perfect gift for the veteran or rookie, The Indianapolis 500 is a must-have for all race fans.

Annual Report of the California Horse Racing Board for the Period July 1 ... to June 30 ... California Horse Racing Board,1997

Bowling Green Stock Car Racing Larry Upton,Jonathan Jeffrey,2010-06-21 Bowling Green became the city of speed immediately after World War II as America began its love affair with the automobile. Stock car racing took the city by storm in its inaugural season of 1951, drawing crowds of up to 7,000 in a city of only 18,000. Soon thereafter, the city attracted the Chevrolet Corvette assembly plant followed by the National Corvette Museum. Images of Sports: Bowling Green Stock Car Racing documents the history of stock car racing in Bowling Green and the emergence of the raceway at Beech Bend Park.
