Gavin Cologne-Brookes

Big Mouth & Ugly Girl Joyce Carol Oates,2002-05-14 Publisher Description

We Were the Mulvaneys Joyce Carol Oates,2001-01-24 An Oprah Book Club® selection A New York Times Notable Book The Mulvaney's are blessed by all that makes life sweet. But something happens on Valentine's Day, 1976—an incident that is hushed up in the town and never spoken of in the Mulvaney home—that rends the fabric of their family life...with tragic consequences. Years later, the youngest son attempts to piece together the fragments of the Mulvaney's former glory, seeking to uncover and understand the secret violation that brought about the family's tragic downfall. Profoundly cathartic, this extraordinary novel unfolds as if Oates, in plumbing the darkness of the human spirit, has come upon a source of light at its core. Moving away from the dark tone of her more recent masterpieces, Joyce Carol Oates turns the tale of a family struggling to cope with its fall from grace into a deeply moving and unforgettable account of the vigor of hope and the power of love to prevail over suffering. "It's the novel closest to my heart....I'm deeply moved that Oprah Winfrey has selected this novel for Oprah's Book Club, a family novel presented to Oprah's vast American family."—Joyce Carol Oates

Gathering Oates Christine McNutt Oates,1998

Oates-Earle and Related Families William Lloyd Winebarger,1972

Warren Oates Susan A. Compo,2009-04-17 Though he never reached the lead actor status he labored so relentlessly to achieve, Warren Oates (1928--1982) is one of the most memorable and skilled character actors of the 1970s. With his rugged looks and measured demeanor, Oates crafted complex characters who were at once brazen and thoughtful, wild and subdued. Friends remember the hard-living, hard-drinking actor as kind and caring, but also sometimes as mean as a blue-eyed devil. Married four times, partial to road trips in his RV affectionately known as the Roach Coach, and famous for performances for directors ranging from Sam Peckinpah to Steven Spielberg, Warren Oates remained a Hollywood outsider perfectly suited to the 1960s and 1970s counterculture. Born in the small town of Depoy in rural western Kentucky and reared in Louisville, Oates began his career in the late 1950s with bit parts in television westerns. Though hardly lucrative work, it was during this time Oates met renegade director Sam Peckinpah, establishing the creative relationship and destructive friendship that produced some of Oates's most unforgettable roles in *Ride the High Country* (1962), *Major Dundee* (1965), and *The Wild Bunch* (1969), as well as a leading part in *Bring Me the Head of Alfredo Garcia* (1974). Though Oates maintained a close association with Peckinpah, he had a penchant for working with a variety of visionary directors who understood his approach and were eager to enlist the subtle talents of the consummate character actor. With supporting roles in *In the Heat of the Night* (1967), *The Hired Hand* (1971), *Badlands* (1973), *1941* (1979), and *Stripes* (1981), Oates delivered solid performances for filmmakers as diverse and talented as Norman Jewison, Peter Fonda, Terrence Malick, Steven Spielberg, and Ivan Reitman. Oates's offscreen personality was just as complex as his on-screen persona. Notorious for being a nightlife reveler, he was as sensitive and introspective as he was outgoing and prone to periods of exuberant, and at times illegal, excess. Though he never became a marquee name, Warren Oates continues to influence actors like Billy Bob Thornton and Benicio Del Toro, as well as directors such as Quentin Tarantino and Richard Linklater, all of whom have cited Oates as a major inspiration. In *Warren Oates: A Wild Life*, author Susan Compo skillfully captures the story of Oates's eventful life, indulgent lifestyle, and influential career.

Carthage Joyce Carol Oates,2014-01-21 New York Times Bestselling Author A young girl's disappearance rocks a community and a family, in this stirring examination of grief, faith, justice, and the atrocities of war, the latest from literary legend Joyce Carol Oates Zeno Mayfield's daughter has disappeared into the night, gone missing in the wilds of the Adirondacks. But when the community of Carthage joins a father's frantic search for the girl, they discover instead the unlikely of suspects—a decorated Iraq War veteran with close ties to the Mayfield family. As grisly evidence mounts

against the troubled war hero, the family must wrestle with the possibility of having lost a daughter forever. *Carthage* plunges us deep into the psyche of a wounded young Corporal, haunted by unspeakable acts of wartime aggression, while unraveling the story of a disaffected young girl whose exile from her family may have come long before her disappearance. Dark and riveting, *Carthage* is a powerful addition to the Joyce Carol Oates canon, one that explores the human capacity for violence, love, and forgiveness, and asks if it's ever truly possible to come home again.

Blonde Joyce Carol Oates, 2017-02-14 The National Book Award finalist and national bestseller exploring the life and legend of Marilyn Monroe Soon to be a Netflix Film starring Ana de Armas, Adrien Brody, Bobby Cannavale and Julianne Nicholson In one of her most ambitious works, Joyce Carol Oates boldly reimagines the inner, poetic, and spiritual life of Norma Jeane Baker—the child, the woman, the fated celebrity, and idolized blonde the world came to know as Marilyn Monroe. In a voice startlingly intimate and rich, Norma Jeane tells her own story of an emblematic American artist—intensely conflicted and driven—who had lost her way. A powerful portrait of Hollywood's myth and an extraordinary woman's heartbreaking reality, *Blonde* is a sweeping epic that pays tribute to the elusive magic and devastation behind the creation of the great 20th-century American star.

The Accursed Joyce Carol Oates, 2013-03-05 A major historical novel from one of the great artistic forces of our time (*The Nation*)—an eerie, unforgettable story of possession, power, and loss in early-twentieth-century Princeton, a cultural crossroads of the powerful and the damned Princeton, New Jersey, at the turn of the twentieth century: a tranquil place to raise a family, a genteel town for genteel souls. But something dark and dangerous lurks at the edges of the town, corrupting and infecting its residents. Vampires and ghosts haunt the dreams of the innocent. A powerful curse besets the elite families of Princeton; their daughters begin disappearing. A young bride on the verge of the altar is seduced and abducted by a dangerously compelling man—a shape-shifting, vaguely European prince who might just be the devil, and who spreads his curse upon a richly deserving community of white Anglo-Saxon privilege. And in the Pine Barrens that border the town, a lush and terrifying underworld opens up. When the bride's brother sets out against all odds to find her, his path will cross those of Princeton's most formidable people, from Grover Cleveland, fresh out of his second term in the White House and retired to town for a quieter life, to soon-to-be commander in chief Woodrow Wilson, president of the university and a complex individual obsessed to the point of madness with his need to retain power; from the young Socialist idealist Upton Sinclair to his charismatic comrade Jack London, and the most famous writer of the era, Samuel Clemens/Mark Twain—all plagued by accursed visions. An utterly fresh work from Oates, *The Accursed* marks new territory for the masterful writer. Narrated with her unmistakable psychological insight, it combines beautifully transporting historical detail with chilling supernatural elements to stunning effect.

Football and Manliness Thomas P. Oates, 2017-03-30 Women, African Americans, and gays have recently upended US culture with demands for inclusion and respect, while economic changes have transformed work and daily life for millions of Americans. The national obsession with the National Football League provides a window on this dynamic period of change, reshaping ideas about manliness to respond to new urgencies on and beyond the gridiron. Thomas P. Oates uses feminist theory to break down the dynamic cultural politics shaping, and shaped by, today's NFL. As he shows, the league's wildly popular product provides an arena for media producers to work out and recalibrate the anxieties, contradictions, and challenges that characterize contemporary masculinity. Oates draws from a range of pop culture narratives to map the complex set of theories about gender and race and to reveal a league and fan base in flux. Though longing for a past dominated by white masculinity, the mediated NFL also subtly aligns with a new economic reality that demands it cope with the shifting relations of gender, race, sexuality, and class. Indeed, pro football crafts new meanings of each by its canny mobilization of historic ideological processes.

Joyce Carol Oates Joanne V. Creighton, 1992 Joyce Carol Oates is one of the most provocative and prolific American writers of the post-World War II era. Her impressive body of work, which consists of twenty three novels, fifteen short story collections, ten volumes of poetry, four plays, and literally

hundreds of reviews, scholarly articles, essays, and journalistic pieces, is notable for much more than its sheer bulk. The range, depth and variety of her work, and especially its individuality, have earned her an exalted place in American letters. In this study, Joanne V. Creighton offers the first critical study focused on the middle period of Oates's career. A companion to Creighton's earlier Twayne study, Joyce Carol Oates (1979), this volume picks up where the previous one left off, considering the fifteen novels written between 1977 and 1990. Included in Creighton's analysis are Oates's pseudonymous mystery novels, published under the name Rosamond Smith. The author has benefited from Oates's own response to a first draft of this study, and has ably interpreted the complexities of Oates's work. Creighton's insightful analysis will appeal to all scholars and students of contemporary American literature.

*We Were the Mulvaney*s Joyce Carol Oates, 2001-01-24 An Oprah Book Club® selection A New York Times Notable Book The Mulvaney's are blessed by all that makes life sweet. But something happens on Valentine's Day, 1976—an incident that is hushed up in the town and never spoken of in the Mulvaney home—that rends the fabric of their family life...with tragic consequences. Years later, the youngest son attempts to piece together the fragments of the Mulvaney's former glory, seeking to uncover and understand the secret violation that brought about the family's tragic downfall. Profoundly cathartic, this extraordinary novel unfolds as if Oates, in plumbing the darkness of the human spirit, has come upon a source of light at its core. Moving away from the dark tone of her more recent masterpieces, Joyce Carol Oates turns the tale of a family struggling to cope with its fall from grace into a deeply moving and unforgettable account of the vigor of hope and the power of love to prevail over suffering. "It's the novel closest to my heart....I'm deeply moved that Oprah Winfrey has selected this novel for Oprah's Book Club, a family novel presented to Oprah's vast American family."—Joyce Carol Oates

A Practical Handbook for Ministry Thomas W. Chapman, 1999-02-01 For years, the many books of Wayne Oates have served as invaluable field manuals for ministers and seminarians. Here, for the first time in one volume and by a minister who studied with him, are selected chapters from this distinguished author's fundamental works. This helpful new book reflects Oates's wisdom, clinical insight, and exhaustive search for scriptural understanding.

Foxfire Joyce Carol Oates, 1994-08-01 New York Times bestselling author Joyce Carol Oates's strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates's place at the very summit of American writing.

Conversations with Joyce Carol Oates Joyce Carol Oates, 1989 These twenty-five interviews with Joyce Carol Oates from early in her career to the present are the first such collection to be published. In these conversations from sources as diverse as major news magazines and small scholarly journals, Oates candidly talks about her work, her concepts of literature, her methods of writing, and many other topics. Throughout this anthology, Oates discusses how her writing paints a modern panorama of American life. Oates described her vast canvas to an interviewer: I could not take the time to write about a group of people who did not represent, in their various struggles, fantasies, unusual experiences, hopes, etc., our society in miniature. She also comments upon her responsibility as an artist to bear witness to certain aspects of society. In this light, she responds to criticisms

that violence seems to dominate her work by noting that one simply cannot know strengths unless suffering, misfortune, and violence are explored quite frankly by the writer. In addition to discussing her works---from her first book *By the North Gate* (1963) to her most popular novel *You Must Remember This* (1987)---this prolific writer also answers questions about her writing habits. These interviews, spanning nineteen years, reveal a vivid portrait of Joyce Carol Oates writing as the conscience of society, as the creator of memorable prose and poetry, and as the artist deeply committed to a unique vision.

The Faith of a Writer Joyce Carol Oates, 2009-03-17 A tribute to the brilliant craftsmanship of one of our most distinguished writers, providing valuable insight into her inspiration and her method Joyce Carol Oates is widely regarded as one of America's greatest contemporary literary figures. Having written in a number of genres -- prose, poetry, personal and critical essays, as well as plays -- she is an artist ideally suited to answer essential questions about what makes a story striking, a novel come alive, a writer an artist as well as a craftsman. In *The Faith of a Writer*, Oates discusses the subjects most important to the narrative craft, touching on topics such as inspiration, memory, self-criticism, and the unique power of the unconscious. On a more personal note, she speaks of childhood inspirations, offers advice to young writers, and discusses the wildly varying states of mind of a writer at work. Oates also pays homage to those she calls her significant predecessors and discusses the importance of reading in the life of a writer. Oates claims, Inspiration and energy and even genius are rarely enough to make 'art': for prose fiction is also a craft, and craft must be learned, whether by accident or design. In fourteen succinct chapters, *The Faith of a Writer* provides valuable lessons on how language, ideas, and experience are assembled to create art.

Angel of Light Joyce Carol Oates, 1981 Maurice Halleck, Director of the Commission for the Ministry of Justice, is accused of wrongdoing and then dies in a suspicious car accident. A suicide note and confession are found. But are they legitimate, or was he coerced into writing them before he was taken out to be killed?

Lavish self-divisions , How Oates's father-identified daughters of the 1960s become self-defining women in the 1980s

Dear Husband Joyce Carol Oates, 2009-10-06 "[Oates] has once again held a haunting mirror up to America, revealing who we are." —Boston Globe The inimitable Joyce Carol Oates returns with *Dear Husband*—a gripping and moving story collection that powerfully re-imagines the meaning of family in America, often through violent means. Oates, a former recipient of the PEN/Malamud Award for Excellence in Short Fiction—as well as the National Book Award, Prix Femina, and numerous other literary honors—dazzles and disturbs with an outstanding compilation the Washington Post calls, "Savage, poetic and ruthless...among the best things she's ever done." *Dear Husband* is another triumph for the author of *The Gravedigger's Daughter*, *We Were the Mulvaney's*, and *Blonde*.

Dark Eyes on America Gavin Cologne-Brookes, 2009-08-01 A sound and engaging book that creates a balanced overview of Oates's career while tackling the question of her role in the wider community. -- Modern Fiction Studies Joyce Carol Oates is America's most extraordinary and prolific woman of letters. In *Dark Eyes on America*, Gavin Cologne-Brookes illuminates the vision of this remarkable master of her craft, finding evidence in her novels of an evolving consciousness that ultimately forgoes abstract introspection in favor of a more practical approach to art as a tool for understanding both personal and social challenges. With her clear-eyed perception of human behavior, Oates has for decades offered unhesitating explorations of genre, topic, and style -- making her an inevitable if somewhat elusive subject for critical assessment. Cologne-Brookes's conversations and correspondence with Oates, his close textual study of her novels, and abundant references to her essays, stories, poetry, and plays result in a work that critically synthesizes the layers of her writing. This comprehensive yet accessible study offers an essential analysis of one of the twentieth century's most significant writers. A thoughtful, thorough study which... encourages readers to re-examine Oates's novels within a philosophical

context -- Journal of the American Studies Association of Texas.

The Approaching Fury Stephen B. Oates, 1997 This unique approach shows the crucial role that perception of events played in the sectional hostilities that bore the United States irreversibly toward a national smashup.
