

Oathkeeper

Colin Anders Brodd

Oathkeeper J. F. Lewis, 2015-06-09 Rae'en has taken her father's place as First of the practically immortal Aern, a race created by the Eldrennai as warrior-slaves to defend them from the magic-resistant reptilian Zaur. Freed from all Oaths by Kholster's death, Rae'en decides to wage war on the Eldrennai anyway out of rage and grief. The war between the Eldrennai and Zaur has begun. Bloodmane, leader of the now independent mystic-warsuits, has underestimated both the sheer numbers of the Zaur and their field leader General Tsan. As the warsuits prepare to assist the Eldrennai in the defense of their Watch cities, the Zaur warlord, Xastix, launches the bulk of his forces at the Vael in an attempt to cut off all outside help. Prince Rivvek, having been accepted as an Aiannai (Oathkeeper) before Kholster's death must claim the Eldrennai throne by completing the Test of Four so that he can enact his plan to save as much of his kingdom as possible. Meanwhile, his brother Prince Dolvek hatches a plot to enlist the aid of the plant-like Vael to defeat the Zaur horde who are in league with the decapitated head of a dethroned deity. From the Trade Paperback edition.

Oath Keepers Sam Jackson,2020-09-01 Since 2008, the American patriot/militia movement—right-wing antigovernment

groups who portray themselves as fighting encroaching tyranny—has grown exponentially. Oath Keepers is among the most visible and vocal of these organizations. Formed in 2009, Oath Keepers gained notoriety for its involvement in the Bundy Ranch standoff of 2014 and the Malheur Refuge occupation of 2016. The group gives voice to a recurrent form of American politics: virulent distrust of the government combined with a valorization of violence. Sam Jackson takes readers inside the world of the most prominent antigovernment group in the United States, examining its extensive online presence to discover how it builds support for its political goals and actions. Through an extensive textual analysis of the group's publications, Jackson explores how Oath Keepers draws on core American political values and pivotal historical moments of conflict and crisis from the Revolutionary War to Waco to Hurricane Katrina to cast its adherents as defenders of liberty. He details how Oath Keepers makes sense of the contemporary United States, how it provides members with models of political behavior, and how it lobbies the wider American public to join the group. The first book-length investigation of the contemporary patriot/militia movement, Oath Keepers sheds new light on what animates groups that pose a growing threat to American security and political culture.

Bravelands Erin Hunter, 2020-10-01 Heed the call of the wild with the final book in this action-packed animal fantasy series from the internationally bestselling author of *Warriors*. With the balance of the *Bravelands* at a breaking point, the Great Herd has found a common enemy to unite them: Titan . Thorn, the new Great Father, has a plan to bring about Titan's downfall. But the animals of the Great Herd must decide how much they are willing to risk--and who they are willing to lose.

Oathkeeper Marcus Richardson,2017-12-06 Some oaths must never be broken.The world is in flames, brought about by the Council's attempt to change the balance of power in the western world. The weaponized Pandemic virus runs rampant across much of the globe, but the United States has developed a vaccine. Humanity was brought to the precipice of extinction and managed to survive.But the situation is no where near resolved--North Korea still occupies the west coast of the United States, trapping millions of Americans behind enemy lines. Two of those unfortunates are the wife and child of Charlie Marshal, Navy SEAL and Cooper Braaten's executive officer.Cooper swore an oath to rescue Charlie's family following the Battle of Tillcott Castle, but there's two things that stand in his way: the North Korean invasion force and their criminal allies, and the fact that Cooper is no longer a Navy SEAL. If he goes in, he's going alone.But none of that matters to Cooper. He swore an oath, to bring back Charlie's family or die trying, and he's going to keep that oath. No matter the adversity, injury, or fatigue, Cooper will face the very worst of human nature in the form of gang lords who have risen up to rule the west in the name of the North Koreans, and there will a reckoning.Cooper Braaten, once one of America's elite warriors, may no longer be a Navy SEAL but he is

the Oathkeeper. Oathkeeper is a riveting thrill-ride, opening the next chapter in Marcus Richardson's post-apocalyptic Wildfire Saga.

Oath Keeper Daryl E. J. Simmons, 2016-09-14 Special Agent Daniel Wakefield with the US Secret Service is called in to help FBI Special Agent Sandra Elbee investigate a senator's bloody assassination.
