Blue Fire Huda Orfali, 1999-06 Blue Fire is comprised of two parts; short stories and poetry. Almost invariably, the pivotal thematic concern of the short stories is the precariousness of the human condition balanced by the resilience of the human spirit trying to outdo life at its own game. The stories constitute a poignant representation of human beings seeking to pick up the shattered rainbows of their lives. The creative impulse for the poems is equally idealistic and humanitarian for the large part. The poems are predominantly concerned with social and political issues that contribute to universal well being and to the common good. Stylistically, the stories have a charming simplicity and economy. They are woven around sparsely plotted situations. That Huda Orfali empowers us with a purer vision of our humanity at a time when violence, apathy, and corruption threaten to devour it leaves behind the gray ashes of a world is an impressive achievement.

The Legend Begins Charles & Irene Nickerson, 2012-09-25 The Saber Claw is a new fast destroyer built around the new Vallen/Maxumus warp engines. It is armed with new attack and electronic warfare jump ships called Daggers. These jump ships were designed for marines by marines. Beary Maxumus is a young 18 year old Bearilian Fleet Cadet with a secret. He is actually Dr. Beary Maxumus the designer of the Warp engine that powers the ship. He is also a Marine reserve Corporal who was part of an elite Special Forces unit called MSU 6. The enemy calls him the Ghost. His dream was to be just another cadet. Those dreams are about to be shattered.

The Crossroads of Space and Time Charles & Irene Nickerson, 2015-02-13 Captain Bancroft couldn't believe this resort. The beaches were pristine. The rooms were comfortable. Everything was so relaxing. The only area off limits was the northern beaches and an area they called the trench. He asked a Mr. Jones why. Mr. Jones told him that since he was head of security. He would take him out to the cliffs and show him the reason. While out there they saw a large sea bird flying over the water. That was when a large shark leaped from the water and snatched it from the air. Mr. Jones pointed out that is why the northern beaches and the trench were off limits. Bancroft decided that was a good reason. The rest of the crew was just having a good time. Mrs. Svedberg ran the resort like a general. The service staff seemed happy, despite the fact that she seemed demanding to work for. He also was confused by the large canus that seemed to have free run of the island. Till he was told they were part of the security detail. Yet, he liked what he saw. These Maxumus were good at what they did. Bancroft decided he was a lucky bear. At the very least his life would probably never be boring. He was going to be right.

A Light in the Sea Debra Nowaczek,2013-02-19 They are ancient. They are waiting. They are patient and prepared to battle for souls... Captain Raoul Rivera wrestled with the helm. His heart was turning to stone at the hopeless situation before him. The hurricane storm clouds rose in front of his ship like a huge impenetrable wall. He was choosing to take his ship into certain danger. He searched the deck below, his eyes making a quick scan for Miss Patterson. He quickly spotted her among the crew and rigging; everyone was making ready for the storm. She was smiling up at him as if she had been waiting for him to notice her. His heart swelled, and he knew that he would fight the devil himself to protect her. At that moment the hair on his neck stood on end. He looked over his shoulder. There on the western horizon crested what he dreaded most: the black sails of the Pirate Demon. Titus Ordonez, that dirty-evil pirate had found them. Would his luck and wit be enough to save his ship, crew and Brenda? "Lord, help me." His whispered prayer was blown away on the wind....

Snow Blind Douglas Kalajian,2000-12 The defender had become a defendant, facing a long prison term. He came as close to utter ruin as any human can. So did his wife. This is also her story, and the story of many others like her. [This book] follows them through an over-whelming challenge to their lives and marriage. It isn't just about recovery from addiction; it's about the recovery of the human spirit. The proof of Howard's redemption would lie in what he could do for others.
