

Odball

Jerome Pohlen

Oddball Lindsay Price,2010 Are you completely normal? 100% devoid of the peculiar? Or have you embraced your oddness: odd jobs, odd socks, odd one out, odd reactions and odd boyfriends. Step right up. Step right up. Step inside to see live acts of the slightly weird and the nearly harmless. Feast your eyes on the miracle of the mildly freakish. Step inside and experience Oddball for yourself.-Publisher.

Oddballs William Sleator,1995-06 A collection of stories based on experiences from the author's youth and peopled with an unusual assortment of family and friends

Oddball Sarah Andersen,2021-12-07 The newest Sarah's Scribbles collection from New York Times bestselling author and Goodreads Choice award winner Sarah Andersen. The fourth book in the enormously popular graphic novel series, the latest collection of Sarah's Scribbles comics explores the evils of procrastination, the trials of the creative process, the cuteness of kittens, and the beauty of not caring about your appearance as much as you did when you were younger. When it comes to

humorous illustrations of the awkwardness and hilarity of millennial life, Sarah's Scribbles is without peer.

The Year's Work in the Oddball Archive Joseph Campana, Theodore Bale, Atia Sattar, Beth A. McCoy, Robin Blyn, Dennis Allen, Timothy Sweet, Charles M. Tung, Aaron Jaffe, Grant Farred, Seth Morton, 2016-02-01 “By playing with notions of collecting and cataloging, this anthology offers a range of investigations into detritus and forgotten ephemera.”—Colin Dickey, coeditor of *The Morbid Anatomy Anthology* The modern age is no stranger to the cabinet of curiosities, the freak show, or a drawer full of odds and ends. These collections of oddities engagingly work against the rationality and order of the conventional archive found in a university, a corporation, or a governmental holding. In form, methodology, and content, *The Year's Work in the Oddball Archive* offers a counterargument to a more reasoned form of storing and recording the avant-garde (or the post-avant-garde), the perverse, the off, the bent, the absurd, the quirky, the weird, and the queer. To do so, it positions itself within the history of mirabilia launched by curiosity cabinets starting in the mid-fifteenth century and continuing to

the present day. These archives (or are they counter-archives?) are located in unexpected places—the doorways of Katrina homes, the cavity of a cow, the remnants of extinct animals, an Internet site—and they offer up “alternate modes of knowing” to the traditional archive. “An unruly and much-needed model for how to do the archive differently.”—Scott Herring, author of *The Hoarders: Material Deviance in Modern American Culture* “It was a pleasure to read through this collection, and I suspect some of the essays, if not the entire book, will find itself on the syllabus for my Archive and Ephemera graduate course.”—Museum Anthropology Review “A finely wrought collection of curiosities . . . A vital intervention into how we talk about the stuff that surrounds us.”—Colin Dickey, coeditor of *The Morbid Anatomy Anthology*

Oddball Opposites Nathalie Butler, 2017-07-15 Readers will be enchanted by the zany delights in this colorful book. This entertaining narrative is sure to charm emerging readers, educating them about the concept of opposites. Readers will learn to identify opposites including big and small, messy and neat, and hot and cold, as they explore Monster Town. Colorful illustrations bring the story to life.

Oddball Indiana Jerome Pohlen,2017-05-01 Indiana often calls itself the Crossroads of the Nation. It's not also perhaps the very nexus of US weirdness. Armed with Oddball Indiana, you'll soon discover the strange underbelly of the Hoosier State, from brain sandwiches to square donuts. Indiana has monuments to Michael Jackson, the comic strip character Joe Palooka, and the World's Largest Egg. It's where Alka-Seltzer and Wonder Bread were invented, where A Christmas Story actually took place, and where the good but angry citizens of Plainfield conspired to dump President Martin Van Buren in a mud puddle. Along with humorous histories and offbeat observations, Oddball Indiana provides addresses, websites, hours, fees, and driving directions for each of its 350+ entries.

Operation Lisa Bankert,2007-11-01 Armed with a notepad, a camera, a flashlight and a full supply of sheer determination, the Bloom brothers venture off in search of the most outlandish characters in all of Huckleberry Park.

Oddball Ohio Jerome Pohlen,2004-05-01 This off-the-wall travel guide presents an Ohio odder than imagined. It wastes no time describing Cedar Point or suggesting scenic bike rides through the

Hocking Hills; instead, this entertaining travel companion directs out-of-state adventurers and Buckeye state residents to the home of the world's largest cockroach, an Amish SUV, Egg Shell Land, a two-headed calf, and the Accounting Hall of Fame. Ohio is depicted as the birthplace of bar codes, Airstream trailers, televangelism, Paul Lynde, Alcoholics Anonymous, and the banana split. Odd stories abound, and tales of Ohio as the only state where Jerry Springer has been elected the mayor of a major city, where a brick outhouse is on the National Register of Historic Places, and where Buster the Dog voted for president accompany the site-seeing suggestions. Plenty of photos and maps ensure that this guide is as practical as it is wacky when seeking out wonders such as the Great Pumpkin Watertower, Goodyear's World of Rubber, and Bogart and Bacall's wedding site, then relaxing with a brew at the World's Longest Bar.

Oddball Illinois Jerome Pohlen, 2012-05-01 In this updated edition, it's plain to see that the state of Illinois has only gotten weirder. Where there was once just a single Popeye statue in downstate Chester, today the town has monuments to Olive Oyl, Swee' Pea, Bluto, the Sea Hag, and more. The

creepy Piasa Bird petroglyph on the bluff in Alton now has a roadside pullout with picnic tables, and the two-story outhouse in Gays has a new contemplative garden. With almost twice as many destinations as its predecessor, this edition boasts detailed information on each site—address, phone number, website, hours, entry fees, and driving directions—as well as maps, photos, and a wealth of regional history in the descriptions. Some new sites include Henry's Rabbit Ranch, the World's First Jungle Gym, Ahlgrim Acres (a miniature golf course at a funeral home), the Leather Archives and Museum, General Santa Ana's two wooden legs, the World's Largest Sock Monkey, the Friendship Shoe Fence, a truck stop with a marionette show, and a coin-operated fire-breathing dragon. There is more between Chicago and St. Louis than cornfields and plenty of fascinating places in the Windy City that aren't on Michigan Avenue, and here is a chance to see these underappreciated sites throughout the state.

Oddball Iowa Jerome Pohlen, 2005-04-01 This zany travel guide presents a more peculiar state than the Iowa Tourism Office might like out-of-towners to imagine. Leaving out the traditional scenic

trips to the Mississippi River bluffs and the Amana Colonies, this guide will take the adventurous traveler to the future birthplace of Captain James T. Kirk, the home of the Lonely Goat Herder marionettes from The Sound of Music, and the world's largest Cheeto. To enhance the experience of this unusual side of Iowa, the guide includes facts about numerous events in Iowa's history, such as Ozzy Osbourne's infamous bat-biting incident and Jesse James's first moving-train robbery. Iowa is depicted as the birthplace of the Roto-Rooter, the Delicious apple, the electronic computer, the reinforced concrete bridge, and the Eskimo pie. The accompanying photographs and maps will direct travelers to other fun vacation spots and attractions, including the butter sculptures at the Iowa State Fair, the annual National Skillet Throw, the Hobo Convention and Museum, the Ice Cream Capital of the World, and the National Balloon Museum.

Oddball Minnesota Jerome Pohlen, 2003-04 Land of the world's largest prairie chicken, birthplace of Spam, and home of the world's oldest rock, this is Minnesota, where summers are short, winters are long, and back-road wonders abound. This entertaining guide wastes no time with descriptions of

scenic lakes, pristine bike trails, or quaint cafes. Instead it directs travelers (and residents) to the spot where Tiny Tim strummed his last notes on the ukulele; to the Cold Spring chapel where two grasshoppers bow down to the Virgin Mary; and to the McLeod County Museum, where the mummy on display could be from Peru or outer space. While ordinary tourists are fighting off mosquitoes in the Boundary Waters, oddball travelers can size up the world's largest ear of corn and admire the fourth Zamboni ever built. And one last thing: there aren't 10,000 lakes in Minnesota; there are 14,215. For travelers who are in search of the unusual, there is no better reason to park the bike and hiking boots in the garage, fill up the gas tank, and hit the road to Minnesota, where weirdness awaits.

365 Oddball Days in St. Louis Cardinals History John Snyder, 2011-04-01 The St. Louis Cardinals is one of the most successful franchises in National League history. Having won a record ten World Championships, the team has cultivated a huge fan base. 365 Oddball Days in Cardinals History combines easy-to-browse baseball trivia with a never-out-of-date annual. It delivers historical and statistical information in quick nuggets, elevating this collection to the perfect water cooler book or

bathroom reader for Cardinals fans everywhere.

Oddball Colorado Jerome Pohlen, 2002 Monuments to all that is bizarre are contained in this guide, with location, websites, open hours, cost, and directions included. Pohlen is ecumenical in his tastes, including really kitschy tourist traps as well as bizarre oddities such as the barber shop of a would-be messiah. Annotation copyrighted by Book News, Inc., Portland, OR.

Oddball Florida Jerome Pohlen, 2003-11-01 This entertaining guide directs travelers to the off-the-wall and offbeat destinations in Florida, home of gator wrestlers, school bus demolition derbies, Hemingway wannabes, the Fountain of Youth, the Nudist Hall of Fame, and a utopian community based on the premise that the earth is not round, but concave. Additional oddball attractions include a graveyard for roosters, the world's largest strawberry, the world's smallest police station, and museums dedicated to seashells, hamburgers, oranges, teddy bears, sponges, air conditioning, and one very old petrified cat. Documenting local oddities and forgotten history, this travel guide covers Florida in six regions with maps and detailed directions for each site as well as phone numbers, hours, web sites,

and various photographs.

Sweet Oddball – The Story of Alice Pearce Fredrick Tucker, 2021-11-15 Alice Pearce, once called “the adenoidal lass with the most beautiful, homely face on Broadway,” carved a unique career playing wallflowers, nitwits, nags, and other oddball characters, all of whom contrasted sharply with their portrayer. As the shy daughter of an international banker, she experienced a privileged upbringing, attending exclusive schools in both Europe and the United States. Against her parents’ wishes, she pursued acting, eventually enlivening thirteen Broadway productions and winning acclaim for her smash act at New York’s chicest nightclub, the Blue Angel. Although Alice’s Hollywood career was comparatively fleeting, the Emmy-winning actress was featured in fourteen films and in dozens of top television series. She achieved her greatest fame—ironically, at the very end of her brief life—for playing Gladys Kravitz, the snoopy neighbor on the TV sitcom *Bewitched*. *Sweet Oddball*, exhaustively researched and illustrated with 225 rare photos, chronicles the public and private lives of a lady much beloved by her fellow actors and fans. Fredrick Tucker is a retired educator who enjoys studying

character actors of stage and screen. Sweet Oddball, the culmination of research begun in 1975, is his second book for BearManor Media. His biography Verna Felton was published in 2010. Many of us fondly recall actress Alice Pearce (1917-1966) as the nasal oddball Lucy Shmeeler in the MGM musical ON THE TOWN (1949) and as the often hysterical nosy neighbor Gladys Kravitz on TV's BEWITCHED during its first two seasons (1964-1966). But there was far more to character star Pearce who came from a privileged background including a fine college education. During her impressive career Alice—who was not conventionally pretty—performed in NYC clubs, on Broadway, on road tours, in summer stock, and on radio, TV, and the movies. In a true labor of love accomplished over several decades, author Fredrick Tucker has done a remarkable job of researching his subject to the nth degree. During this lengthy period of digging into the world of Alice Pearce he gained the assistance of several of her show business coworkers, perceptions from many of her friends, and personal recollections from her extended family that encompassed two marriages. And seemingly Tucker has documented most every media mention of this offbeat talent who typically played wallflowers,

spinsters, and eccentric individuals in a long list of memorable performances. As a result he has produced a marvelous, dimensional, well-written biography of Pearce. Equally of interest Tucker has provided in his book an informative background of the times in which Alice worked in various media. Thus SWEET ODDBALL: THE STORY OF ALICE PEARCE is not only a richly textured narrative but it provides a cultural history of bygone decades of various arenas of American show business. Completing this outstanding chronicle are over 200 photos documenting the professional and private lives of gifted Alice Pearce whose time with us was sadly cut short by cancer. This book is a highly recommended read! - James Robert Parish

Oddball Michigan Jerome Pohlen, 2014-05-01 There's more to Michigan than beautiful forests, shuttered factories, and miles and miles of stunning shoreline. Armed with this offbeat travel guide, you'll soon discover the strange underbelly of the Great Lakes State. Michigan has monuments to fluoridation, snurfing, the designer of the Jefferson nickel, and the once-famous Mr. Chicken, as well as festivals honoring tulips, Christmas pickles, and a 38-acre fungus. It's where you'll find the World's

Largest Lugnut, the Nun Doll Museum, Joe's Gizzard City, the Teenie-Weenie Pickle Barrel Cottage, Howdy Doody, and Thomas Edison's last breath. The state also has its share of weird history—it's where Harry Houdini perished on Halloween night in 1926, where skater Tanya Harding's posse whacked Nancy Kerrigan, and where the Kellogg brothers invented popular breakfast cereals and less-popular yogurt enemas. Along with humorous histories and witty observations, Oddball Michigan provides addresses, websites, hours, fees, and driving directions for each of its 450 entries.

Oddballs Bernard G. Suran, 1978

Oddball Janeen Brian, 2013-04-26 Aggo is the King of Sport. Ruler of School. Top Bully. So why would Sol go and tell Aggo he'd thrash him at handball using hypnotism?

Andy Warner's Oddball Histories: Pests and Pets Andy Warner, 2021-09-07 The bestselling author of *Brief History of Everyday Objects* explores the animals we love, the ones we make use of, and the ones that make use of us in this hilarious, informative mix of storytelling and factbook. Did you know that 32 pigeons have received medals for wartime valor? And a dog named Laika was the very first

creature to orbit the Earth? Did you know that there is an island in Japan entirely overrun by bunnies? And -- for a brief time -- rats adorned with ribbons were a popular lap pet in upper-class London? In Andy Warner's *Oddball Histories: Pests and Pets*, you can find out more than you ever thought possible about creatures both cute and weird, both large and small, while discovering new stories about human history from the perspective of our animal companions. Did you know that bees communicate with each other using special dances? Or that a popular anime called *Rascal the Raccoon* may be largely responsible for Japan's huge raccoon population? Packed with incredible facts and charming stories like these, this is the perfect book for curious readers.

Oddball Wisconsin Jerome Pohlen, 2013-05-01 Updated and even stranger, this new edition boasts more than 400 unique destinations for tourists looking for attractions off the beaten path. Bizarre locations and landmarks include Chainsaw Gordy's Garden of Saws, Smokey Bear's head, the World's Largest Soup Kettle, the Toilet Bowl Parade, and the world's only upside-down White House. This book offers fascinating and little-known historical tidbits and answers burning questions such as

Where was Liberace born? What is a hodag, and where do you catch one? Who invented the hamburger? and Will a Polka Hall of Fame ever be built? This is the real guide to Wisconsin, birthplace of the snowmobile, the typewriter, and the ice cream sundae. The address, phone number, hours, cost, directions, and website of each oddity accompany its description.

Right here, we have countless book **Odball** and collections to check out. We additionally manage to pay for variant types and as a consequence type of the books to browse. FAQs About Odball Books

What is a Odball PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a Odball PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There

are various online tools that can convert different file types to PDF. **How do I edit a Odball PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Odball PDF to another file format?** There

are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Odball PDF?	allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows	splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most
--	--	--

PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require

specific software or tools, which may or may not be legal depending on the circumstances and local laws.
