

Onitsuka Tiger

Jack W. Plunkett

Designs That Stand Up, Speak Out, and Can't Be Ignored Lisa Hickey, 2004

Adland Mark Tungate, 2007 Adland is a ground-breaking examination of modern advertising, from its early origins, to the evolution of the current advertising landscape. Bestselling author and journalist Mark Tungate examines key developments in advertising, from copy adverts, radio and television, to the opportunities afforded by the explosion of digital media - podcasting, text messaging and interactive campaigns. Adland focuses on key players in the industry and features exclusive interviews with leading names in advertising today, including Jean-Marie Dru, Sir Alan Parker, John Hegarty and Sir Martin Sorrell, as well as industry luminaries from the 20th Century such as Phil Dusenberry and George Lois. Exploring the roots of the advertising industry in New York and London, and going on to cover the emerging markets of Eastern Europe, Asia and Latin America, Adland offers a comprehensive examination of a global industry and suggests ways in which it is likely to develop in the future.

Understanding Sport Organizations Trevor Slack, Milena M. Parent, 2006 This reference offers an analysis of the issues and theoretical construction behind sport organisations. The practical case studies and profiles illustrate how the theory and knowledge can be applied to realistic examples. There is also information on strategic alliances and research in sports management.

Sneaker Wars Barbara Smit, 2009-03-17 Sneaker Wars is the fascinating true story of the enemy brothers behind Adidas and Puma, two of the biggest global brands of athletic footwear. Adi and Rudi Dassler started their shoe business in their mother's laundry room and achieved almost instantaneous success. But by the end of World War

If a vicious feud had torn the Dasslers apart, dividing their company and their family and launching them down separate, often contentious paths. Out of the fires of their animosity, two rival sneaker brands were born, brands that would revolutionize the world of professional sports, sparking astonishing behind-the-scenes deals, fabulous ad campaigns, and multimillion-dollar contracts for pro athletes, from Joe Namath to Muhammad Ali to David Beckham.

Global Culture: Consciousness and Connectivity Roland Robertson, Didem Buhari-Gulmez, 2017-05-15 The current discourse of globalization is overwhelmingly centred upon the interconnectedness, or connectivity, of the contemporary world; to the great neglect of the issues of global culture and global consciousness. With contemporary worldwide culture increasingly characterized by such themes as astronomy, cosmology, space travel and exploration, there is an increasing disjuncture between academic concern with connectivity, on the one hand, and culture and consciousness of the place of planet earth in the cosmos as a whole, on the other. This book addresses this deficiency from a variety of closely related perspectives, presenting studies of religion, science, sport, international organizations, global resistance movements and migrations and developments in East Asia. It brings together the latest theoretical empirical work from scholars in the US, UK, Australia, Japan, China and Israel on the significance of culture and global consciousness. As such, *Global Culture: Consciousness and Connectivity* will be of great interest to scholars across and beyond the social sciences working in the areas of global studies, cultural studies, social theory, the sociology of religion and related issues.

Personality in Industry Hiroshi Tanaka, 2013-12-17

Japanese management styles and their relationship to Japanese business success have been aridly studied and analysed in the West, but rarely do Western observers understand fully the importance of cultural and historical factors in the Japanese economic miracle. This book provides a unique insight into the unseen world of Japanese business by intertwining the history, growth and performance of ASICS, a major Japanese corporation, with the life of its remarkable founder, Kihachiro Onitsuka and the dramatic and complex changes in Japanese life, economy and culture since the end of the Second World War. First published in 1988, this title is part of the Bloomsbury Academic Collections series.

Sneakers Neal Heard, 2022-11-08 Now in its fifth edition, this comprehensive and highly illustrated edition of Sneakers spans over 300 shoes, while also giving advice on shoe care and maintenance.

Runner's World , 2006-11 Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

Nike: Sportswear and Brand-Building Powerhouse Rebecca Rowell, 2023-08-01 Nike is one of the most popular sports apparel brands on the market. But before it grew to the worldwide success it is today, the brand started in Oregon with a college track and field coach, a wild idea, and a waffle iron. This title introduces fans to the history of one of the most iconic brands in sports. The title features informative sidebars, exciting photos, a timeline, an important people section, a glossary, and an index. SportsZone is an imprint of Abdo Publishing Company.

Golden Kicks Jason Coles, 2016-09-22 Many iconic shoes, such as the adidas Stan Smith, Nike Air Jordan and Puma Suede are worn by millions as everyday footwear,

but were originally born to bring victory on court, track and field. Golden Kicks reveals the stories behind some of the greatest shoes in sporting history, the roles they played in sport's most significant moments, and how they have made the transition from classic sportswear to mainstream streetwear. Discover the amazing stories behind the shoes, the people who made them, and the athletes who wore them.

Plunkett's Apparel & Textiles Industry Almanac 2007: Apparel & Textiles Industry Market Research, Statistics, Trends & Leading Companies Plunkett Research Ltd, 2007-04 The apparel and textiles industry involves complex relationships that are constantly evolving. This book covers different trends in apparel and textile supply chains, manufacturing, design, women's fashions, men's fashions, children's fashions, shoes, accessories, retailing, distribution, technologies and fabrics of all types.

What Matters Most Jeffrey Hollender, 2009-02-23 For more than sixteen years, Jeffrey Hollender has presided over Seventh Generation, a world leader in manufacturing environmentally friendly, nontoxic household products. *What Matters Most* illuminates the successful practices of Seventh Generation-and many other pioneering companies around the world-to demonstrate the pragmatic aspects of a corporate strategy that hardwires social and environmental concerns into the company's culture, operating systems, and business relationships. It shows business leaders how to assess their own company's performance, adopt a socially responsible approach to doing business, and embark on a path of long-term growth. Jeffrey Hollender . . . has shown that doing the right thing does pay off both in terms of building a brand that generates great customer loyalty and a business that has consistently generated superior growth. -- Ben Cohen,

Founder, Ben & Jerry's What Matters Most stands out for its moderate and thoughtful analysis of a controversial issue . . . Hollender is a voice of reason in today's important debate on corporate responsibility. -- Soundview Speed Reviews

One Show Interactive , One Show Interactive, Volume IX features all the winners from the 2006 One Show Interactive ceremony. Here you'll find images from the best websites, banner ads, gaming, integrated, and interactive sites from all over the world. The book also includes in-depth text and interviews with the creatives and producers behind the Gold, Silver, and Bronze winning work. With four-color throughout, the One Show Interactive, Volume IX is a must-have for creatives in interactive advertising, students, and Web enthusiasts.

Plunkett's Apparel and Textiles Industry Almanac 2006 Plunkett Research, Ltd,2006-04 The apparel and textiles industry involves complex relationships that are constantly evolving. This carefully-researched book covers exciting trends in apparel and textile supply chains, manufacturing, design, womens fashions, men's fashions, children's fashions, shoes, accessories, retailing, distribution, technologies and fabrics of all types. It includes a thorough market analysis as well as our highly respected trends analysis. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, an industry glossary and thorough indexes. The corporate profiles section of the book includes our proprietary, in-depth profiles of 342 leading companies in all facets of the apparel and textiles industry. Purchasers of either the book or PDF version can receive a free copy of the company

profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Plunkett's Sports Industry Almanac: Sports Industry Market Research, Statistics, Trends & Leading Companies Jack W. Plunkett, 2007-06 A market research guide to the business side of sports, teams, marketing and equipment - a tool for strategic planning, competitive intelligence, employment searches or financial research. It contains trends, statistical tables, and an industry glossary. It includes over 350 one page profiles of sports industry firms, companies and organizations.

How It Happened! Sneakers Stephanie Warren Drimmer, WonderLab Group, 2023-04-18 Find out how sneakers took over the world in this fact-filled nonfiction book, part of a series about the stories behind cool objects! From going to school to shopping at the mall, sneakers are one of the most comfortable ways to get around. But how did these rubbery soles become everyone's favorite shoe to stomp in? Readers will love learning about the story behind sneakers, from the world's oldest shoe to the latest designer sneaker drop . . . and everything in between!

University of Nike Joshua Hunt, 2018-10-23 The dramatic expose of how the University of Oregon sold its soul to Nike, and what that means for the future of our public institutions and our society. ****A New York Post Best Book of the Year**** In the mid-1990s, facing severe cuts to its public funding, the University of Oregon—like so many colleges across the country—was desperate for cash. Luckily, the Oregon Ducks' 1995 Rose Bowl berth caught the attention of the school's wealthiest alumnus: Nike founder Phil Knight, who was seeking new marketing angles at the collegiate level. And so the University of Nike was born: Knight has so far donated more than half a

billion dollars to the school in exchange for high-visibility branding opportunities. But as journalist Joshua Hunt shows in *University of Nike*, Oregon has paid dearly for the veneer of financial prosperity and athletic success that has come with this brand partnering. Hunt uncovers efforts to conceal university records, buried sexual assault allegations against university athletes, and cases of corporate overreach into academics and campus life—all revealing a university being run like a business, with America’s favorite “Shoe Dog” calling the shots. Nike money has shaped everything from Pac-10 television deals to the way the game is played, from the landscape of the campus to the type of student the university hopes to attract. More alarming still, Hunt finds other schools taking a page from Oregon’s playbook. Never before have our public institutions for research and higher learning been so thoroughly and openly under the sway of private interests, and never before has the blueprint for funding American higher education been more fraught with ethical, legal, and academic dilemmas. Encompassing more than just sports and the academy, *University of Nike* is a riveting story of our times.

Nike Sara Green, 2024-01-01 Nike’s Swoosh logo and “Just do it” tagline are recognizable around the world. But where did this top brand begin? This title for young readers explores Nike’s origins and innovations, from its very first sneakers to today’s top-selling products. Along the way, vibrant images provide visual support, fun facts add additional details, and features showcase the brand’s headquarters, top products, founder, charitable giving, and more. Young sneaker fans will enjoy this engaging brand history!

Nontraditional Media in Marketing and Advertising
Robyn Blakeman, 2013-01-14 Nontraditional Media in

Marketing and Advertising by Robyn Blakeman is a concise guide that offers a step-by-step approach to the strategic use of nontraditional media by both marketing and advertising professionals. The text focuses on methods used as an alternative choice to more traditional marketing and advertising methods such as print and broadcast mediums. To assess the efficacy of nontraditional methods, Blakeman looks at why a marketing team might choose nontraditional media vehicles over (or alongside) more traditional ones, how it can be used to attract smaller niche markets, and where nontraditional media is headed. Blakeman also explores how nontraditional media, which can offer creative and unusual options for marketing and advertising, deliver meaningful and memorable ads that are often more effective at reaching the target audience than traditional vehicles, since they are often unexpected. Understanding nontraditional media and its role in delivering a strategic message to the target market requires professionals to understand what options are available and how they will be used, as well as the projected return on investment. This must-have guide is perfect for facilitating this understanding!

Global Sport Business Hans Westerbeek, 2013-09-13
Global Sport Business: The Community Impact of Commercial Sport involves a range of pressing issues that come with the arrival of sport as a commodity in the world economy. It can be argued that, throughout the past two centuries, sport has always been recognized as both a frivolous pursuit of spending leisure time with friends and family, and as an activity that has substantial commercial value to be mined by entrepreneurs. However, only during the most recent wave of globalization, spurred by technological advancements that have led to achieving global reach in regard to potential customers, has sport

entered a global marketplace that offers tremendous financial rewards for those who manage to control international sport organizations and events. In this book, global sport business is viewed from a number of different perspectives including a value chain approach to describing the sport industry; the ever increasing impact of the international media on sport business; how globalization influences the style of (sport) management; how social capital can be generated through sport business; and the emergence of social sport business. Overall, the different contributors to the book reflect on how sport's global (and as such commercial) attractiveness can, and often will impact locally, on communities of people and individuals. This book was published as a special issue of *Sport in Society*.

Right here, we have countless book **Onitsuka Tiger** and collections to check out. We additionally present variant types and in addition to type of the books to browse. The conventional book, fiction, history, novel, scientific research, as skillfully as various additional sorts of books are readily to hand here.
