Piper Kerman

Orange Is the New Black Piper Kerman, 2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

Feminist Perspectives on *Orange Is the New Black* April Kalogeropoulos

Householder, Adrienne Trier-Bieniek, 2016-06-20 Since its 2013 premiere, *Orange Is the New Black* has become Netflix's most watched series, garnering critical praise and numerous awards and advancing the cultural phenomenon of binge-watching. Academic conferences now routinely feature panels discussing the show, and the book on which it is based is popular course material at many universities. Yet little work has been published on OINTB. The series has sparked debate: does it celebrate diversity or is it told from the perspective of white privilege, with characters embodying some of the most racist and sexist stereotypes in television history? This collection of new essays is the first to analyze the show's multiple layers of meaning. Examining *Orange Is the New Black* from a number of feminist perspectives, the contributors cover topics such as gender, race, class, sexuality, transgenderism, mass incarceration and the prison industrial complex, disability, and sexual assault.

Rad American Women A-Z Kate Schatz, 2015-08-31 The New York Times Bestseller! This is The Most Inspiring Children's Book We've Ever Seen.--Refinery29.com The very first kids' book released by the iconic publishing house City Lights, *Rad American Women A-Z* navigates the alphabet from Angela Davis to Zora Neale Hurston with colorful illustrations and short, powerful narratives. The perfect gift for the junior riot grrl in your life.--Bust Magazine The History of Feminism--in an Awesome Picture Book. The ABCs just got a major girl-power upgrade.--Chantal Strasburger, Teen Vogue Like all A-Z books, this one illustrates the alphabet—but instead of A is for Apple, A is for Angela—as in Angela Davis, the iconic political activist. B is for Billie Jean King, who shattered the glass ceiling of sports; C is for Carol Burnett, who defied assumptions about women in comedy; D is for Dolores Huerta, who organized farmworkers; and E is for Ella Baker, who mentored Dr. Martin Luther King and helped shape the Civil Rights Movement. And the list of great women continues, spanning several centuries, multiple professions, and 26 diverse individuals. There are artists and abolitionists, scientists and suffragettes, rock stars and rabble-rousers, and agents of change of all kinds. The book includes an introduction that discusses what it means to be rad and radical, an afterword with 26 suggestions for how you can be rad, and a Resource Guide with ideas for further learning and reading. American history was made by countless rad—and often radical—women. By offering a fresh and diverse array of female role models, we can remind readers that there are many places to find inspiration, and that being smart and strong and brave is rad. *Rad American Women* will be appreciated by various age groups. It is Common Core aligned for students grades 3 - 8. Pre-school and young children will be captured by the bright visuals and easily modified texts, while the subject matter will stimulate and inspire high-schoolers and beyond. This is not a book. This is a guest list for a party of my heroes. Thank you for inviting us. —Lemony Snicket,

author of A Series of Unfortunate Events books I feel honored to be included in this book. Women need to take radical steps to become feminists, and to be strong to fight for their rights and those of others facing oppression and discrimination. The world needs rad women to create a just society. —Dolores Huerta, Labor Leader, Civil Rights Activist It's almost always with a chuckle that I view a cartoon image of myself. But to see cartoon-me positioned (alphabetically) amongst so many of my women heroes and role models . . . well, I just broke down and cried. Happy tears. I surely hope that this one-of-a-kind collection of radical American women reaches the hands of all children who want to grow up and become amazing women. —Kate Bornstein, author of My New Gender Workbook I was totally in rapture reading this book. Bold women, bold colors, and fierce black paper cutouts. I cheer these histories of women who fight not for war or country or corporation, but for EVERYONE! I can't wait for my son to read this. —Nikki McClure, Illustrator of All in a Day

Upper Bunkies Unite Andrea James, 2013-08 In Upper Bunkies Unite: And Other Thoughts On the Politics of Mass Incarceration author Andrea James takes a critical look at the politics and policies resulting in mass incarceration within the United States. From her professional experience as a former criminal defense lawyer, and her personal experience as a formerly incarcerated woman, James provides a more accurate portrait of who is in our prisons and the destructive outcome of politics that support a failed drug war and exhaust resources on law enforcement and incarceration. James demonstrates the need for a shift toward community wellness initiatives to replace incarceration and a complete overhaul of the current U.S. criminal justice framework from one of punishment and wasted human potential, to a system focused on social justice and healing.

Born with Teeth Kate Mulgrew, 2015-04-14 Raised by unconventional Irish Catholics who knew how to drink, how to dance, how to talk, and how to stir up the devil, Kate Mulgrew grew up with

poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: Use it, Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played -- Captain Janeway on Star Trek ; the tough-as-nails Red on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, *Born with Teeth* is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms.

How to Watch Television, Second Edition Ethan Thompson, Jason Mittell, 2020-03-31 A new edition that brings the ways we watch and think about television up to the present We all have opinions about the television shows we watch, but television criticism is about much more than simply evaluating the merits of a particular show and deeming it “good” or “bad.” Rather, criticism uses the close examination of a television program to explore that program’s cultural significance, creative strategies, and its place in a broader social context. *How to Watch Television, Second*

Edition brings together forty original essays—more than half of which are new to this edition—from today's leading scholars on television culture, who write about the programs they care (and think) the most about. Each essay focuses on a single television show, demonstrating one way to read the program and, through it, our media culture. From fashioning blackness in *Empire* to representation in *Orange Is the New Black* and from the role of the reboot in *Gilmore Girls* to the function of changing political atmospheres in *Roseanne*, these essays model how to practice media criticism in accessible language, providing critical insights through analysis—suggesting a way of looking at TV that students and interested viewers might emulate. The contributors discuss a wide range of television programs past and present, covering many formats and genres, spanning fiction and non-fiction, broadcast, streaming, and cable. Addressing shows from TV's earliest days to contemporary online transformations of the medium, *How to Watch Television, Second Edition* is designed to engender classroom discussion among television critics of all backgrounds. To access additional essays from the first edition, visit the full list here bit.ly/HowToWatchTV2e.

Whip Smart Melissa Febos, 2011-07-19 A dark, wild, powerful memoir about a young woman's transformation from college student to professional dominatrix While a college student at The New School, Melissa Febos spent four years working as a dominatrix in a midtown dungeon. In poetic, nuanced prose she charts in *Whip Smart* how unchecked risk-taking eventually gave way to a course of self-destruction. But as she recounts crossing over the very boundaries that she set for her own safety, she never plays the victim. In fact, the glory of this memoir is Melissa's ability to illuminate the strange and powerful truths that she learned as she found her way out of a hell of her own making. Rest assured; the reader will emerge from the journey more or less unscathed.

New Black and Jane the Virgin presents her personal story of the real plight of undocumented immigrants in this country.

A World Apart Cristina Rathbone, 2007-12-18 “Life in a women’s prison is full of surprises,” writes Cristina Rathbone in her landmark account of life at MCI-Framingham. And so it is. After two intense court battles with prison officials, Rathbone gained unprecedented access to the otherwise invisible women of the oldest running women’s prison in America. The picture that emerges is both astounding and enraging. Women reveal the agonies of separation from family, and the prevalence of depression, and of sexual predation, and institutional malaise behind bars. But they also share their more personal hopes and concerns. There is horror in prison for sure, but Rathbone insists there is also humor and romance and downright bloody-mindedness. Getting beyond the political to the personal, *A World Apart* is both a triumph of empathy and a searing indictment of a system that has overlooked the plight of women in prison for far too long. At the center of the book is Denise, a mother serving five years for a first-time, nonviolent drug offense. Denise’s son is nine and obsessed with Beanie Babies when she first arrives in prison. He is fourteen and in prison himself by the time she is finally released. As Denise struggles to reconcile life in prison with the realities of her son’s excessive freedom on the outside, we meet women like Julie, who gets through her time by distracting herself with flirtatious, often salacious relationships with male correctional officers; Louise, who keeps herself going by selling makeup and personalized food packages on the prison black market; Chris, whose mental illness leads her to kill herself in prison; and Susan, who, after thirteen years of intermittent incarceration, has come to think of MCI-Framingham as home. Fearlessly truthful and revelatory, *A World Apart* is a major work of investigative journalism and social justice.

Before Orange Was the New Black Derrick Gibson, 2018-07-15 Before Orange was the New Black In 1989 there was a prison riot so devastating in central Pennsylvania that it caused millions of dollars in damages to the prison complex. It was humiliating and embarrassing to its prison officials. This affected the entire Pennsylvania Department of Corrections and Federal Bureau for years to come. The Correctional Bureau went out of their way to keep this incident out of the mainstream. Even most people in the same county prison system had not heard about the riot that took place in 1989. To this day it's forbidden to talk about the riot inside the PA Correctional Prison. This is the true story and testimony of Derrick Gibson's experience on the social tension, and an historical account as an eyewitness to events and incidents that took place. Before Orange was the New Black - The Camp Hill Story will peak your interest, captivate, humor and even anger you as you read along.
