**The Pacific Rim Collection** Don Brown,2014-07-15 Bestselling author and former US Navy JAG Officer Don Brown's Pacific Rim series is now available in one volume! Thunder in the Morning Calm Sixty years after his grandfather disappeared in Korea, a young naval intelligence officer seeks the truth behind rumors that American POWs are still being held there. Risking his life, fortune, and freedom, he leads a daring mission into the dangerous dictatorship of North Korea—all for the love of his country and a grandfather he never knew. Fire of the Raging Dragon In Fire of the Raging Dragon—the second book in best-selling author Don Brown's Pacific Rim Series—Stephanie Surber is stationed on board a submarine tender in the South China Sea when a naval war breaks out. After a gruesome discovery escalates America's involvement, Stephanie's father, US President Douglas Surber, must choose to take a stand against evil . . . or save the life of his daughter. Storming the Black Ice When British geologists discover the world's largest oil reserves under the desolate, icy tundra of Antarctica, Britain and Chile form a top-secret alliance for control of petroleum resources that will rival the economic power of OPEC.

*Fire of the Raging Dragon* Don Brown, 2012-11-20 In the very near future, China, now the world's largest industrial producer and consumer of Mideast Oil, passes a law that all new cars manufactured in that nation will be operated on natural gas. Beneath the floor of the South China Sea, around the contested Spratly Islands, billions of gallons of natural gas wait to be mined. But at the center of the Spratlys, the remote but strategic island of Itu Aba is occupied by China's historic enemy, Taiwan. When the new, power-hungry Chinese President, Tang Qichen, orders Chinese Naval forces to attack Taiwanese forces on Itu Aba, U.S. President Douglas Surber responds, ordering the U.S. Seventh Fleet to try and quell a burgeoning naval showdown between the two Chinas. Aboard the submarine tender U.S.S. Emory S. Land, one of the first ships in the naval war zone, is Ensign Stephanie Surber, a recent Naval Academy graduate who is also the First Daughter of the United States. As the Emory S. Land steams into harm's way, Ensign Surber's life is gravely threatened. The President must make a decision. Will he take a stand against evil? Or will he save the life of his daughter?
