Otherworld: Orcish Delight G. D. Saur, 2014-06-26 The Orcs are coming to lunch...and they're hungry! 11-year old Chad and his classmates have no idea what to expect when first starting a new term at a small boarding school in way-out-there western Virginia. Greeted by vicious bullies, they quickly organize and resist—with one exception. Chad doesn't want any trouble and refuses to join. Isolated, he becomes an easy target for a much more sinister bully on campus... A portal exists leading to another world far, far away. When Chad is lured into a trap, he wakes up in a whole new world—in a world much worse than a school full of bullies. In this other world, Orcs live “peacefully” among humans. Slavery is just another business and the only humans Orcs eat are slaves bought and paid for. They especially enjoy a meal made from human children. Chad is totally unprepared for the harrowing nightmare ahead of him. Only through the help of new friends can he hope to survive...especially when the Orcs find out about his homeland. The Orcs want Chad for something far bigger than just a stew. Against his will, Chad is forced to return to his school. He is not alone. He's bringing the Orcs with him...Bullies and victims must quickly forget the past in order to have any hope for a future. Choices will be made. Cowards and heroes will be born. Blood will run. Students will be forced to fight for their school's survival... Otherwise, they'll end up as ORCISH DELIGHTS. Fantasy and horror collide as ferocious Orcs take on a small group of school boys. It's a battle nobody is ready for.

The Gorgon Desolation: 1E193-199 Kelson Hayes, 2023-01-28 In the Southeast of Aerbon, the elvish country of Gilan prepares for war against the drug-addled orcs of the Gorgon Desolation after the disappearance of the king's daughter, Princess Eaïnne. Together, with the help of the Nardic Tribes of the South, the elves hope to rescue their lost princess and eradicate the orcish race as a whole in an effort to free the continent of Aerbon from its

impending doom at the hands of the orcs. The orcs of the Gorgon lands grew and produced a demonic drug called Guaka-Guaka; causing them to become blood-thirsty and schizophrenic where it tainted them more and more with each use. They were addicted to the foul substance and they claimed that it was a gift from their gods, the Masters, who had initially bestowed it upon them in the long-forgotten Age of Myth. It was refined in factories that blackened the skies and the production of the drug was steadily causing their world to die off as a result. So it was that the elves sought to end their foul existence whilst the orcs fought to maintain their lifestyle, seeing nothing wrong with their actions as they claimed that it was the will of their gods.
