Iii Wars Trilogy John E. Thompson,2010-07-19 It was the last image however, taking shape just before the entrance to his treasure room, that shook Thirds very soul and filled him with more terror and dread he had ever felt before. An imposing human warrior stood barring Thirds entrance into his destiny of power and fame. The man stood resolute in his battle ready stance, and Third felt as though he was seeing death incarnate. The warrior held a metallic rod in one gauntleted hand and a shield at the defensive ready in the other. A single stonework battle tower was emblazoned upon the circular shield. Somehow, Third knew that he would forever remember this warriors determined face. Third tried to focus his mind to remove the vision, but it remained. He tried to slow his drifting approach toward the warrior, but he couldn't. Some force was compelling them to each other. With calculating eyes the warrior sensed his presence and raised his battle rod to strike. An aqua-blue hue enveloped the metal rod as it shimmered, transformed, and lengthened into a long sword. Flames burst to life over the entire surface of the gleaming blade as the terrifying warrior raised it high overhead. With his shield held in perfect defense he lunged forward and slashed the blazing sword downward into Thirds mind.

Orcs Stan Nicholls,2008-09-08 Fantasy's bad guys finally get their due in the first book of this action packed tale of Orc valor and human treachery. Look at me. Look at the Orc. There is fear and hatred in your eyes. To you I am a monster, a skulker in the shadows, a fiend to scare your children with. A creature to be hunted down and slaughtered like a beast in the fields. It is time you pay heed to the beast. And see the beast in yourself. I have your fear. But I have earned your respect. Hear my story. Feel the flow of blood and be thankful. Thankful that it was me, not you, who bore the sword. Thankful to the orcs; born to fight, destined to win peace for all. This book will change the way you feel about Orcs forever.

Swipe For Orcs: A Love Bites Agency Paranormal Romcom Sabrina Silvers,Zoey Indiana,2023-12-05 You need a mate. You're getting old. My father believed orc females had three main purposes—marry a good orc male, have many orc babies, and run a good orc household. Too bad I didn't want those things. Well, I wanted to have a mate and a family, but I wanted other things too. So I made a deal with my father. I would find my own acceptable male of worth before my birthday and get married. How hard could it be? A universal orc rule dictated that an orc who is a clan leader must have a wife. Not that I was a clan leader, not yet. The Orc Council was blocking me at every turn, particularly High Councilor Ironspike. But I would fulfil this last requirement, find an orc wife then he would have no other grounds to oppose me. Being an orc raised by humans, many orc clans avoided me. How would I find a wife? Enter Love Bites, the most popular matchmaking agency in the tri-state area, and their cutting edge dating app. When our initial matches fail but somehow throw us together, it seems like a match made in heaven. Then my father finds out and threatens to keep us apart. Only by winning the Forging Competition at the Orc Games can we be

together. But there is mischief afoot, and witches and other orcs out to sabotage us. Can we ever be together?

The Eight Winds Dylan Webb,2021-10-13 The Island nation of Ma-Ural has long been a place of peace and prosperity, with vast deposits of precious gems and mythril ore—valuable for its magical properties and heavily sought after on the mainland—but perhaps its greatest resource is opportunity. It has always been a place of sanctuary and rebirth, and host to many adventurers seeking not only their second-chance in life but a chance at immortality, as they begin their pilgrimage to the hidden city of Mysrik. But times are changing. Ma-Ural's long established peace has been crumbling, with tensions rising between the east and west, between races, and between simple magic users and one who is willing to stop at nothing to gain all the power of Mysrik for his own nefarious purposes. Standing in his way are an unlikely group of companions brought together by circumstance: Elaria, a naïve and virtuous paladin, hoping to make a name for herself and honour both her training and her oath; Hoots, a runaway gnome more powerful than her diminutive form would suggest; Trit, a half-elf bard looking for answers about his family; and "Carion," a powerful demon-kin, haunted by a past so dark he might never escape it, even if he manages to live forever.
