acquired the technology to simulate whatever life one chooses. When the whole of the species opts to live in a simulated fantasy world, no one expected that eventually, the lines between fantasy and reality would blur until they are indistinguishable. In the Almaican empire, Cog Heavenshire believes himself to be a ruler caught in a brutal war against the Horosh. When he is visited by a strange man named Zolin who claims they are living in a simulation, Cog doesn't know what to believe. Yet when Zolin vanishes, people begin appearing in Cog's world, materializing out of thin air. The technology keeping everyone in the simulation is failing, warping time and filling Cog's world with inexplicable events. Determined to unravel the truth behind B.A.L.S. and find the mysterious Zolin, Cog and his allies are forced to fight a war on two fronts: one within their world, and one that transcends it.

An Orc Like Balrek Darren Humphries, 2017-02-11 Balrek is not like other orcs. For one thing, he is now the ruler of an entire City-kingdom, something that has not endeared him to many people of

power and led to regular assassination attempts. All of which makes securing his legacy and creating the first orc homeland all the more difficult. And that was before what happened at the theatre. This return to the City-kingdoms of An Orc Not Like Others brings together characters old and new to continue the story of the orc who truly is different from others.

Vandermine: the Sword's Errand Murray R. Clay, 2008-08-19 Now Available: Vandermine: The Swords Errand* 9 CD audio book at www.audiorealm.com Downloadable MP3 file at www.theaudiobookshop.com *Contains bonus sample from the sequel Vandermine: Children of the Apocalypse Jon Andrews is a fun-loving college football player who defies the stereotype by being as well-studied and thoughtful as he is physically intense. He enjoys studying medieval history almost as much as sacking quarterbacks. A trip to a medieval exhibit at a local museum sends a pair of bullets from the gun of a panicked robber his way and brings a stolen broadsword mysteriously into his possession. Before he can return it, the ancient weapon spirits him away to its own world. Gritty pain and true fear soon convince him that he is not simply dreaming when he finds himself in what appears to be medieval Europe. Captured by the king's soldiers, a wizard of the Holy Order reveals that the stranger carries the legendary sword Vandermine and that it is dead iron in the hands of anyone else. Jon is soon pressed into service joining a desperate quest to slay Cravos, the would-be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magic power that once loosed threatens to bring to pass the prophesied second apocalypse. Jon's companions on the quest are a veritable dream-team the king's champion the best in their respective disciplines. The further the reluctant hero travels the more he sees things that seem to have leapt straight out of books of mythology not history. It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough. Thrust into a life or death struggle in

a world he cant understand, Jon relies on his faithful comrades to give him the skills he needs to command Vandermines full power before the reality of this impossible world catches up with him. The journey for Jon is not merely physically daunting and dangerous, but mentally and emotionally taxing as well. Before he was torn out of the world he once knew, he was accustomed to being one of the stronger and more competent members of his team. However, the harsh realities of the ancient world that has called for him soon humiliate him making him feel like the weakest-link. Through training, suffering, and conquering with the kings picked men as he strives to fulfill the swords errand, Jon gains the respect due a battle-hardened veteran earning it the hard way.

The Orc of Many Answers Shane Michael Murray,2015-01-25 Down the mountain, one orc who asks too many questions tumbles, fleeing his past, with only an elven horse, a pair of boots, and an old book for company. Below the whole world awaits him, filled with humans, elves, trolls, and a thousand other monsters that make a habit of killing little orcs like Talking-Wind. Worse than any of them is the Lady of Firebrand Peak, the dragon who told Talking-Wind to stay put and wait to be eaten like a good orc. Orcs hate questions, but the one thing they hate more than orcs that ask too many questions is an orc looking for all the answers. The pursuit of dangerous knowledge only ever leads to trouble for the tribe. The Lady is not kind, nor is she forgiving. If Talking-Wind wishes to have any kind of chance to survive he will have to understand why dragons are what they are, and what makes dragons do what dragons do. If he can stay one step ahead of the Lady of Firebrand Peak maybe, just

maybe, he might even find a way to fight back. Talking-Wind will need answers. And a lot of them.

iii Wars Trilogy John E. Thompson, 2010-07-19 It was the last image however, taking shape just before the entrance to his treasure room, that shook Thirds very soul and filled him with more terror and dread he had ever felt before. An imposing human warrior stood barring Thirds entrance into his destiny of power and fame. The man stood resolute in his battle ready stance, and Third felt as though he was seeing death incarnate. The warrior held a metallic rod in one gauntleted hand and a shield at the defensive ready in the other. A single stonework battle tower was emblazoned upon the circular shield. Somehow, Third knew that he would forever remember this warriors determined face. Third tried to focus his mind to remove the vision, but it remained. He tried to slow his drifting approach toward the warrior, but he couldn't. Some force was compelling them to each other. With calculating eyes the warrior sensed his presence and raised his battle rod to strike. An aqua-blue hue enveloped the metal rod as it shimmered, transformed, and lengthened into a long sword. Flames burst to life over the entire surface of the gleaming blade as the terrifying warrior raised it high overhead. With his shield held in perfect defense he lunged forward and slashed the blazing sword downward into Thirds mind.
