Aleister Crowley

Sacred Country Rose Tremain,1995-06 Certain that she is really a male trapped in a female body, Mary Ward pursues this elusive identity, much to the consternation of her mother, her brother, and a neighbor's son.

Rose Ceremonies Christine Henderson PhD,2014-06-11 What would it take for us to restore, in ourselves and in our community, the sense of the sacred that is often lost in the fragmentation of modern life? What would it take for us to express our inner creativity to the world? Embodying the energy of the sacred rose assists us to reach our full potency. In this, the third book in the Rose Trilogy, the ability to access higher levels of sacred rose consciousness is facilitated through ceremonies, initiations and attunements. These ceremonies enhance our journey of personal destiny. It pre-supposes an understanding of the existence of a dynamic and enveloping world of energetic vibration coexisting with our material world. This energy is deep, all-pervasive and central to the depth of our understanding of ourselves as we take the most adventurous journey of all – the journey within. Enjoy the journey of the rose!

The Way of the Rose Clark Strand,Perdita Finn,2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary’s prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

Requiem Infernal Peter Fehervari,2019-10-15 Great new novel featuring the battle sisters of the Adepta Sororitas. On a distant world, an obscure order of the Adepta Sororitas study their founder's visions. They live in solitude... which is about to be broken as danger approaches. The Adepta Sororitas of the Last Candle have stood vigil over their sanctuary world for centuries, striving to decipher their founder's tormented visions. Outsiders are unwelcome, yet still they come. Decimated by an encounter with a lethal xenos entity, the survivors of an elite Astra Militarum company have journeyed to the Candleworld in search of healing, escorted by a woman who is no stranger there – Sister Hospitaller Asenath Hyades, who turned her back on the order decades ago. As the seekers near the sect's bastion, malign forces begin to stir among the planet's storm-wracked spires, but the most insidious shadows lie in their own souls.

Sacred Rose Mara Freeman ,2023-03-23 This book is an invitation to enter the Rose Garden: the sanctuary of the soul that resides within every human heart. For the Rose is one of the loveliest symbols of spirituality in the western world: a timeless expression of beauty, love, and, ultimately, oneness with the Divine. Each chapter will take you on a mystical journey through myth, religion, sacred art and poetry, including the Rose in the classical world, the medieval visions of Mary, the wisdom of the Sufi mystics, the hidden codes of the Alchemists, the ceremonies of 19th century magical orders, and the poems of modern visionaries, along with rose windows, the Kabbalah, tarot cards and more. Within the Rose Garden guided meditations offer gentle but profound nourishment to the soul leading to a sense of inner peace and a deeper connectedness with the essential Self through a uniquely Western path. One reader affirms: 'I have travelled over a long time down many different roads to heal myself from the wounds I have suffered. However, Mara, it is your meditations that have been so fruitful for me. The Fire of Roses meditation feels as if on a deep level I have found and own myself with clarity and light'.

Ugly As Sin Michael S. Rose,2009 How Catholic churches are being sapped of their spiritual vitality and what you can do about it The problem with new-style churches isn't just that they're ugly they actually distort the Faith and lead Catholics away from Catholicism. So argues Michel S. Rose in these eye-opening pages, which banish forever the notion that lovers of traditional-style churches are motivated simply by taste or nostalgia. In terms that non-architects can understand (and modern architects can't dismiss!), Rose shows that far more is at stake: modern churches actually violate the three natural laws of church architecture and lead Catholics to worship, quite simply, a false god.

Rise Sister Rise Rebecca Campbell,2016-10-04 Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca's Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the

Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising
“I’m a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of *Miracles Now* Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Love, Rebecca x

The Tyranny of Silence Flemming Rose, 2016-05-10 Journalists face constant intimidation. Whether it takes the extreme form of beheadings, death threats, government censorship or simply political correctness—it casts a shadow over their ability to tell a story. When the Danish newspaper Jyllands-Posten published the cartoons of the prophet Muhammad nine years ago, Denmark found itself at the center of a global battle about the freedom of speech. The paper's culture editor, Flemming Rose, defended the decision to print the 12 drawings, and he quickly came to play a central part in the debate about the limitations to freedom of speech in the 21st century. In *The Tyranny of Silence*, Flemming Rose writes about the people and experiences that have influenced his understanding of the crisis, including meetings with dissidents from the former Soviet Union and ex-Muslims living in Europe. He provides a personal account of an event that has shaped the debate about what it means to be a citizen in a democracy and how to coexist in a world that is increasingly multicultural, multireligious, and multiethnic.

Sacred Spaces Corie Weathers, 2016 The vulnerable true story of a journey that changed a military spouse's perspective of deployment, herself, and her military marriage. Like many military couples, Corie and her husband, Matt, an Army chaplain, accumulated significant unshared moments during Matt's deployments. When Matt returned, he and Corie began using the term sacred spaces for significant moments they had experienced independently. After multiple deployments, sacred spaces were taking up a lot of emotional room in their relationship. When US Secretary of Defense Ashton Carter invited Corie, as the 2015 Armed Forces Insurance Military Spouse of the Year, to join his team on a one-week overseas holiday trip, she eagerly accepted, hoping to gain a better understanding of her husband's deployment experience and lessen the impact sacred spaces had on her marriage. As Corie sat in the belly of a C-17, where her husband had said goodbye to the remains of friends and fellow soldiers, as she touched with her own hands the memorial at FOB Fenty and reflected on her grief as a care team member following the battle of COP Keating, Corie realized this journey was about much more than the push-pull of duty away from loved ones. This was a journey to the heart of her marriage, a place where she would have to leave behind her resentment in exchange for ground she and her husband had surrendered to hurt, misunderstanding, loss--and to Afghanistan. Corie set out on this trip hoping to gain a better understanding of her husband and his deployment experience, but along the way, she discovered a whole new perspective of herself and her military marriage. By sharing her story, Corie hopes to help other military couples strengthen their marriages. The Book of Martyrs Danie Ware,Alec Worley,Phil Kelly,2022-02-01 Fantastic portmanteu featuring the stoic warriors of the Adepta Sororitas. To die in the name of the God-Emperor of Mankind is to live eternal, and none are more willing to bleed in His name than the Adepta Sororitas - the Sisters of Battle. The Book of Martyrs charts the deaths of these exemplars. Sister Ishani of the Orders Hospitaller, serving alongside the death-obsessed Valorous Heart, tends to her Ecclesiarchy charges as something inhuman hunts the fields. Sister Anarchia of the Order of Our Martyred Lady, taken captive by the vile T'au Empire, seeks to teach her interrogators what it truly means to be one of the faithful. On a regressed Imperial world, Sister Superior Laurelyn of the Order of the Bloody Rose reinforces the beleaguered defenders against a familiar foe turned anew by the Great Rift. And in the age of the Indomitus Crusade, with the galaxy split in two, only one thing is certain - there will be no shortage of martyrs to fill the pages of this ancient tome.
