Sacred Country Rose Tremain,1995-06 Certain that she is really a male trapped in a female body, Mary Ward pursues this elusive identity, much to the consternation of her mother, her brother, and a neighbor's son.

Requiem Infernal Peter Fehervari,2019-10-15 Great new novel featuring the battle sisters of the Adepta Sororitas. On a distant world, an obscure order of the Adepta Sororitas study their founder's visions. They live in solitude... which is about to be broken as danger approaches. The Adepta Sororitas of the Last Candle have stood vigil over their sanctuary world for centuries, striving to decipher their founder's tormented visions. Outsiders are unwelcome, yet still they come. Decimated by an encounter with a lethal xenos entity, the survivors of an elite Astra Militarum company have journeyed to the Candleworld in search of healing, escorted by a woman who is no stranger there - Sister Hospitaller Asenath Hyades, who turned her back on the order decades ago. As the seekers near the sect's bastion, malign forces begin to stir among the planet's storm-wracked spires, but the most insidious shadows lie in their own souls.

The Way of the Rose Clark Strand,Perdita Finn,2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary’s prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

Sacred Rose Mara Freeman ,2023-03-23 This book is an invitation to enter the Rose Garden: the sanctuary of the soul that resides within every human heart. For the Rose is one of the loveliest symbols of spirituality in the western world: a timeless expression of beauty, love, and, ultimately, oneness with the Divine. Each chapter will take you on a mystical journey through myth, religion, sacred art and poetry, including the Rose in the classical world, the medieval visions of Mary, the wisdom of the Sufi mystics, the hidden codes of the Alchemists, the ceremonies of 19th century magical orders, and the poems of modern visionaries, along with rose windows, the Kabbalah, tarot cards and more. Within the Rose Garden guided meditations offer gentle but profound nourishment to the soul leading to a sense of inner peace and a deeper connectedness with the essential Self through a uniquely Western path. One reader affirms: ‘I have travelled over a long time down many different roads to heal myself from the wounds I have suffered. However, Mara, it is your meditations that have been so fruitful for me. The Fire of Roses meditation feels as if on a deep level I have found and own myself with clarity and light’.

Ugly As Sin Michael S. Rose,2009 How Catholic churches are being sapped of their spiritual vitality and what you can do about it The problem with new-style churches isn't just that they're ugly they actually distort the Faith and lead Catholics away from Catholicism. So argues Michel S. Rose in these eye-opening pages, which banish forever the notion that lovers of traditional-style churches are motivated simply by taste or nostalgia. In terms that non-architects can understand (and modern architects can't dismiss!), Rose shows that far more is at stake: modern churches actually violate the three natural laws of church architecture and lead Catholics to worship, quite simply, a false god.

The Path of the Priestess Sharron Rose,2003-01-08 A guide for personal exploration of the path to the divine feminine and the spiritual power of women. • Reveals the essential role of women in creating and maintaining the psychic/energetic/emotional landscape of society. • Explores feminine roles and the archetypal model of the Great Goddess from both Eastern and Western spiritual traditions. • Includes exercises, meditations, and visualizations drawn from ancient techniques to assist women with their spiritual awakening and self-realization. The Path of the Priestess takes readers on a journey deep into the heart of the feminine experience. It describes the author's years of first-hand experience in the ancient arts of Tantra, Dzogchen, and Indian and Egyptian temple dance and healing, as well as her research into the feminine principle in the mystic teachings of the Alchemists, Hebrew Kabbalists, and Christian Gnostics. Beginning with an analysis of the basic issues and frustrations inherent in contemporary society's conditioning of and expectations for women, readers travel back in time to the age of the great temples, schools, and sacred societies in which women still held and transmitted the spiritual light that nourished all of civilization. Through its mythic and historic tales, descriptions of sacred ritual practices, and teachings on the Goddess traditions, The Path of the Priestess provides contemporary women with the means to enter this time-honored path. In keeping with the experientially based teaching methods of these traditions, it also offers exercises and visualizations designed to align women with the powerful, sensuous, and loving energies of the most profound feminine role model that shaped and preserved culture and society--the Great Goddess.

The Order of the Solar Temple Professor James R Lewis,2013-05-28 In October 1994, fifty-three members of the Order of the Solar Temple in Switzerland and Québec were murdered or committed suicide. This incident and two later group suicides in subsequent years played a pivotal role in inflaming the cult controversy in Europe, influencing the public to support harsher actions against non-traditional religions. Despite the importance of the Order of the Solar Temple, there are relatively few studies published in English. This book brings together the best scholarship on the Solar Temple including newly commissioned pieces from leading scholars, a selection of Solar Temple documents, and important previously published articles newly edited for inclusion within this book. This is the first book-length study of the Order of the Solar Temple to be published in English.

Rise Sister Rise Rebecca Campbell,2016-10-04 Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives “making it” in a man’s world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca’s Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were

Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising “I’m a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of *Miracles Now* Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Love, Rebecca x

The Tyranny of Silence Flemming Rose, 2016-05-10 Journalists face constant intimidation. Whether it takes the extreme form of beheadings, death threats, government censorship or simply political correctness—it casts a shadow over their ability to tell a story. When the Danish newspaper Jyllands-Posten published the cartoons of the prophet Muhammad nine years ago, Denmark found itself at the center of a global battle about the freedom of speech. The paper's culture editor, Flemming Rose, defended the decision to print the 12 drawings, and he quickly came to play a central part in the debate about the limitations to freedom of speech in the 21st century. In *The Tyranny of Silence*, Flemming Rose writes about the people and experiences that have influenced his understanding of the crisis, including meetings with dissidents from the former Soviet Union and ex-Muslims living in Europe. He provides a personal account of an event that has shaped the debate about what it means to be a citizen in a democracy and how to coexist in a world that is increasingly multicultural, multireligious, and multiethnic.

Shambhala Chogyam Trungpa, 2019-06-04 The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chögyam Trungpa called the sacred path of the warrior. This discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That’s what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Nourishing the Soul Anne Adamcewicz Simpkinson, Charles H. Simpkinson, Rose Solari, 1995 Based on presentations given at the 1993 Common Boundary Conference of the same title, when authors, artists, thinkers & teachers were brought together to discuss issues of the soul.

A Rose a Day Christine Henderson, 2013-12-01 At the time that the idea of this book came to me I was looking for a prayer book that I could use to help a friend who was experiencing difficulties in his life. None that I found appealed so it was that I decided to write my own prayers in order to make a direct contribution to his well-being. The prayers that I wrote for him helped to change outcomes. Consequently I decided to write more prayers to help other people and subsequently to create a book which would make the prayers more widely available. There are different ways to use this book. Use one poem a day as a statement of intention or in prayerful form and work your way through the whole book; open the book at random and see which prayer calls to you; or simply ask each day for what you require and see what miracles and magic the rose prayers can facilitate in your life. Later you may decide to repeat the poems in whatever order seems right for you. Perhaps dedicating the month to increasing the levels of peace and harmony in your life will help amplify the rose energy. The dedication can be to anything you wish, whatever is relevant in your life at the time. The rose angels and archangels are ever ready to help us. They are only waiting to receive a clear request. Once the rose angelic beings receive a lucid appeal it enables them to take action to help us! So think of this special 33 days as your own private time, a period you deserve to have away from the stresses and strains of everyday living. The rose prayers assist in the development of personal creativity, thereby stimulating individuality and innovation. Utilising them brings out a sense of inner trust which helps the participant to bypass the rational mind and to journey to the central core of being. The sacred poems provide a platform for improving health, happiness and general well being. Recording your experiences in a special diary is just one way to chart the changes. Another way is to develop a book of drawings, or cut-outs, which link to the prayers. After a time the brain begins to accept what it sees as reality and gradually the changes begin to manifest. If it is not possible for you to remember the words of the poems in a general sense when you close your eyes, then make your own recording and listen to the cadence of the words. Or simply read the sequence three times, then close your eyes and let the poem take you to somewhere that is absolutely your own sacred space. If you believe in the power of the

rose prayers they will certainly make a positive difference in your life. Everyone who feels so inclined can choose to experience the beauty of life, the comfort of roses and the energy of expansiveness.And most of all - enjoy the journey!
