Princess in the Land of Snows Jamyang Sakya,Julie Emery,2001-05-01 This is the story of a determined woman who overcame great obstacles in order to achieve religious freedom. Born in eastern Tibet, Jamyang Sakya married into the powerful Sakya family, spiritual advisers of Kublai Khan and for years rulers of much of Central Asia. Her engaging personal story evokes a rich vision of Tibet's traditional culture, customs, and religious practices. Jamyang Sakya tells of being the only girls in a monastic private school, of dreams and divinations interpreted by high lamas, of long pilgrimages to sacred Buddhist sites, and of her life as a high lady of Sakya. Her narrative reveals a multifaceted picture, from the intricacies of managing a palace household to the political takeover by the Chinese Communists, who destroyed much of Tibet's religious heritage. It climaxes with the Sakya family's harrowing walk through the Himalayas to freedom, during which they were hotly pursued by the Chinese. After a year in India, they immigrated to the United States, one of the first Tibetan families to do so.

The Snows of Yesteryear Gregor Von

Rezzori,2012-08-15 Gregor von Rezzori was born in Czernowitz, a onetime provincial capital of the Austro-Hungarian Empire that was later to be absorbed successively into Romania, the USSR, and the Ukraine—a town that was everywhere and nowhere, with a population of astonishing diversity. Growing up after World War I and the collapse of the empire, Rezzori lived in a twilight world suspended between the formalities of the old nineteenth-century order which had shaped his aristocratic parents and the innovations, uncertainties, and raw terror of the new century. The haunted atmosphere of this dying world is beautifully rendered in the pages of *The Snows of Yesteryear*. The book is a series of portraits—amused, fond, sometimes appalling—of Rezzori’s family: his hysterical and histrionic mother, disappointed by marriage, destructively obsessed with her children’s health and breeding; his father, a flinty reactionary, whose only real love was hunting; his haughty older sister, fated to die before thirty; his earthy nursemaid, who introduced Rezzori to the power of storytelling and the inevitability of death; and a beloved governess, Bunchy. Telling their stories, Rezzori tells his own, holding his early life to the light like a crystal until it shines for us with a prismatic brilliance.

Girl in Snow Danya Kukafka,2017-08-01 “A perfectly paced and tautly plotted thriller...and an incredibly accomplished debut” (Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* and *Into the Water*), about a beloved high schooler found murdered in her sleepy Colorado suburb and the secret lives of three people connected to her. How can you love someone who’s done something horribly, horribly wrong? When a beloved high schooler named Lucinda Hayes is found murdered, no

one in her community is untouched—not the boy who loved her too much; not the girl who wanted her perfect life; not the officer assigned to investigate her murder. In the aftermath of the tragedy, these three indelible characters—Cameron, Jade, and Russ—must each confront their darkest secrets in an effort to find solace, the truth, or both. In crystalline prose, Danya Kukafka offers a brilliant exploration of identity and of the razor-sharp line between love and obsession, between watching and seeing, between truth and memory. “A sensational debut—great characters, mysteries within mysteries, and page-turning pace. Highly recommended” (Lee Child, #1 New York Times bestselling author of the Jack Reacher novels). Hailed as “Gillian Flynn of 2017” (Yahoo! Style), compulsively readable and powerfully moving, *Girl in Snow* is “engagingly told... its endearing characters’ struggles linger in memory after this affecting work is done” (The Wall Street Journal).

The Rosary Collector's Guide Gloria Brady Hoffner, Helen Hoffner, 2014-01-28 With 240 color photos and engaging text, this is the first book devoted to collecting rosaries. Hundreds of examples and informative text enables antique lovers, historians, and collectors of religious artifacts to identify variations of rosaries, and their crosses, crucifixes, and religious medals, determining their age and place of origin. It contains historical insights and descriptions, explaining materials used and legends associated with various rosaries. Background information on rosary makers, answers to frequently asked questions, and a glossary to define related terms are also included. With the information enclosed, readers searching brick and mortar stores or online will be able to distinguish between genuine antiques, reproductions, and rosaries that have been altered. The color photographs and concise descriptions identify old and new rosaries in detail. From

the boxwood rosary owned by England's King Henry VIII to the newest Mysteries of Light Rosary developed by Pope John Paul II, this volume spans the ages and brings new understanding of both the rosary's beauty and its place in history.

We, the Ordinary People of the Streets Madeleine Delbr  l,2000 One woman's shining example of Christian social action. We, the Ordinary People of the Streets comprises the powerful reflections by Madeleine Delbr  l (1904-1964), an award-winning poet, writer, and Catholic layperson whose conviction and insight led her to a life of social work in the atheistic, Communist-dominated city of Ivry-sur-Seine, France. Delbr  l draws from her own experiences living in Ivry, witnessing to the possibility of a life at once rooted radically in the church and fully engaged in the world. This posthumously published collection spans Delbr  l's life, from a piece she wrote as a seventeen-year-old atheist to her later Christian works. Her passionate essays explore the Christian's role in a secular society, the difficulty of faith in an atheistic environment, the need for prayer, the centrality of the church, and the fundamental importance of loving both God and our neighbors.

The Ballad of Songbirds and Snakes (A Hunger Games Novel) Suzanne Collins,2020-05-19 Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has

fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Mercy Snow Tiffany Baker, 2014-01-14 In the tiny town of Titan Falls, New Hampshire, the paper mill dictates a quiet, steady rhythm of life. But one day a tragic bus accident sets two families on a course toward destruction, irrevocably altering the lives of everyone in their wake. June McAllister is the wife of the local mill owner and undisputed first lady in town. But the Snow family, a group of itinerant ne'er-do-wells who live on a decrepit and cursed property, have brought her--and the town--nothing but grief. June will do anything to cover up a dark secret she discovers after the crash, one that threatens to upend her picture-perfect life, even if it means driving the Snow family out of town. But she has never gone up against a force as fierce as the young Mercy Snow. Mercy is determined to protect her rebellious brother, whom the town blames for the accident, despite his innocence. And she has a secret of her own. When an old skeleton is discovered not far from the crash, it beckons Mercy to solve a mystery buried deep within the town's past.
