Deduction Jonah Moore-Buckner, 2017-07-22 Acceptance: Surrounded by Murderers, Rapists, Thieves, and even Hackers; a Detective is put through the test of Revenge and Deception, when the man who killed his sister escapes his death sentence. Bound to track him down, no matter what it takes, even if he loses his own humanity to his Dark Persona Mercy. Hell use Mercy to his advantage to track down, The Notorious Skid Marshall, and The Infamous Shifter, and all other criminals who oppose Justice. Origins: Cameron Arc (Age 10), and his sister Carmelita (Age 13), go to a carnival with their mother. Only to find out that theres a man by the name of Skid Marshall (Age 28), waiting for the right moment to strike. The children are separated from their mother and cross paths with Marshall; after his deceptive turn-around, he kidnaps them and takes them down in his cellar. He keeps them there for the next 6 agonizing months. By the end of the last month, Carmelita is killed by Marshall from a knife to the heart, but with minutes to spare Cameron seized his opportunity to run, but is trapped by Marshall. Seconds to near death Camerons life is a save by a police officer who tackles Marshall, and arrests him. Present: 18 years later Detective Cameron Arc is caught in between the Light & Lies when his career makes him catch criminals, but his dark urges makes him kill them. *Deduction* is about the right and wrong choices, that follows the main protagonist, Cameron as he goes through some Agnostic changes after learning the man who ruined his life has escaped his own execution, and is out to get him. Cameron will kill and lie, to defeat the man who raped and murdered his sister Carmelita. Over the years after the influence of `Solid Skids wrath, Cameron is controlled by his past and is experiencing the phases of The Marshall Infection. Cameron will either choose Forgiveness or Vengeance against his sisters killer. Bridge Over Blood River Kajsja Norman, 2017-01-15 Nelson Mandela is dead and his dream of a rainbow nation in South Africa is fading. Twenty years after the fall of apartheid the white Afrikaner minority fears cultural extinction. How far are they prepared to go to survive as a people? Kajsja Norman's book traces the war for control of South Africa, its people, and its history, over a series of December 16ths, from the Battle of Blood River in 1838 to its commemoration in 2011. Weaving between the past and the present, the book highlights how years of fear, nationalism, and social engineering have left the modern Afrikaner struggling for identity and relevance. Norman spends time with residents of the breakaway republic of Orania, where a thousand Afrikaners are working to construct a white-African utopia. Citing their desire to preserve their language and traditions, they have sequestered themselves in an isolated part of the arid Karoo region. Here, they can still dictate the rules and create a homeland with its own flag, currency and ideology. For a Europe that faces growing nationalism, their story is more relevant than ever. How do people react when they believe their cultural identity is under threat? *Bridge Over Blood River's* haunting and subversive evocation of South Africa's racial politics provides some unsettling answers.

Though loosely based on the Mabinogion and Irish mythology, it contains some magic and violence. Rhydian appears to be the perfect Prince of Dyfed. Much loved by his subjects, he is kind, just, handsome, and seems set for a long and glorious reign.

Hearts Over Blood Odin Nightshade,2017-02-12 A man torn, between duty and desire. Wyatt Kent would give anything to leave the small, podunk town of Spruce Falls. But after a horrific car crash leaves his older brother Shane without his legs, Wyatt can't bring himself to make the escape, seemingly destined to watch his brother's emotional health deteriorate day after day, while letting his own dreams of a bright future slowly slip from his reach. And the reappearance of Shane's gorgeous former best friend Knox Porter doesn't help. Knox had been with Shane the night of the accident, and while both young men had dreamed of entering the national rodeo circuit, it was Knox who had escaped unharmed and went on to become a national star. Shane's resentment toward Knox since the accident is fierce, and while Wyatt is his brother's staunchest advocate, the passionate kiss he shared with Knox before he joined the circuit has him wondering if he can stay away from the sexy bull rider now that he's returned. Wyatt's attempts at mending the pair's friendship prove disastrous, and when he finally learns the truth about the night of the accident, Wyatt is forced to make an impossible decision that may end up placing his brother's very life on the line. The situation is dire, and Wyatt's in it up to his elbows. He only hopes he can repair the damage before he breaks his brother's heart, or loses his own. *Hearts Over Blood* is another red-hot instalment in the First Time Bareback Cowboys series, which can be read and enjoyed in any order. Water Over Blood Dale Ibitz, Chrissie Pollock, Tara Armond, 2014-10-18 The non-stop action continues in the third book of the Last Moon Rising young adult fantasy series. Darkness. Pain. Loss. This is what seventeen-year-old Haley feels when waking up in a damp, gloomy cave. She doesn't know who or where she is, nor does she remember that she is Eyid-emos, a descendant of the God of Air. All she knows is the dark angel, Dane, who comes to her rescue, making her feel safe and protected. It's from Dane, descendant of the God of Fire, that she learns she's looking for the lost stones of power to end the war between the nature gods. But the safe feeling doesn't last long. Dark memories of a gorgeous blond guy named Tuggin begin to haunt her, and Haley realizes on some levels she's fighting against remembering. There's something both endearing and frightening about the hall-god with the cold, blue eyes, this stranger who she remembers as being both kind and brutal, who's one of the hated witches on Eyidora, and who holds deadly secrets. When Haley and Dane meet with Tuggin and his companions, everything changes as they hunt for the Water Eyid stone. They need to work as a team to end the war, but suspicion and rivalries run rampant in the group. Will Haley be betrayed by the one person she trusts the most?
