Under the Overpass Mike Yankoski,2009-01-21 An updated and expanded edition of the gritty, challenging, and utterly captivating portrait of the homeless crisis. Ever Wonder What it Would Be Like to Live Homeless? Mike Yankoski did more than just wonder. By his own choice, Mike's life went from upper-middle class plush to scum-of-the-earth repulsive overnight. With only a backpack, a sleeping bag and a guitar, Mike and his traveling companion, Sam, set out to experience life on the streets in six different cities—from Washington D.C. to San Diego— and they put themselves to the test. For more than five months the pair experienced firsthand the extreme pains of hunger, the constant uncertainty and danger of living on the streets, exhaustion, depression, and social rejection—and all of this by their own choice. They wanted to find out if their faith was real, if they could actually be the Christians they said they were apart from the comforts they'd always known...to discover first hand what it means to be homeless in America. What you encounter in these pages will radically alter how you see your world—and may even change your life.

Overpass Jack Ledford,2002-09-01 A slice of down-home life in and around Reedville, Alabama, Overpass serves up small-town espionage. Based on a true story, author Jack Ledford has changed the names to protect the innocent -- as well as the guilty and the shy. It seems that the tracks leading up to a railroad crossing are delaying traffic. School kids are getting home late and parents are not happy. Worse yet, hard-to-see oncoming trains have killed a few local drivers. The solution -- build a street overpass above the railroad tracks. But the country-fried skullduggery of rural southern politics makes getting an overpass built anything but easy. Tom Eske, local surveyor, desperately wants the overpass built. Sharing his desire and his bed is school bus driver Amona Taiyah, the earthy lady who Tom would have as his wife. Convincing Amona to marry him is about as hard a task as getting that confounded overpass erected.

My 30 Days Under the Overpass Mike Yankoski,2009-02-04 Live Life Loud! You passed that same ol' bum on the street this morning. You sat next to some smelly girl on the subway last night. You ordered a burger from a worn-out cashier over your lunch hour. What do you think about these people? What does God think about them? My 30 Days Under the Overpass is not a devotional you will read in your quiet time, then carry on with your day. It's something you'll actually do—all day, every day—because these thirty days will rock you. Intense reflection on God's thoughts and feelings toward the poor, broken, and downtrodden will change you...and you will begin to change the world. Not on your next mission trip. Not at church next Sunday. But right here, right now. Ask It. How do you treat others—those you like, know, don't know, don't like? Those who fall into your comfort zone, and those who shove you outside of it? Read It. Mike Yankoski and his buddy, Sam, chose to become homeless to discover their answer. Think It. Would you go sleep under a bridge in the rain? Would you panhandle for your next meal? Would you help those who do? Believe It. "I tell you the truth, whatever you did not do for one of the least of these, you did not do for me," said Jesus (Matthew 25:45). Live It. This is not your average devotional. You'll read it, but you'll also do it. Get ready for a life change that will change lives. "Mike takes Christ at His word, and challenges you to summon the courage to live the real Christian faith." Dean R. Hirsch, President, World Vision International Story Behind the Book "Is God enough to sustain me? Is He trustworthy? Is He worth staking my life on? What happens if I die? Will I even survive? Such questions rang loudly in my mind as Sam and I decided to lay down everything in a full embrace of the homeless life. Some experiences were uncomfortable, some shocking, some disturbing, some hilarious, and still others frustrating. But five months of life on the streets has left us, our faith, and our lives forever changed. We've been back from the streets for two years, and now this devotional makes it possible for people to make real-life changes. It contains stories and reflections not included in Under the Overpass."

—Mike Yankoski

Angel of the Overpass Seanan McGuire, 2021-05-11 The third book of the Ghost Roads series returns to the highways of America, where hitchhiking ghost Rose Marshall continues her battle with her killer—the immortal Bobby Cross. Lady of shadows, keeper of changes, plant the seeds of faith within me, that I might grow and flourish, that I might find my way through danger and uncertainty to the safety of your garden. Let my roots grow strong and my skin grow thick, that I might stand fast against all who would destroy me. Grant to me your favor, grant to me your grace, and when my time is done, grant to me the wisdom to lay my burdens down and rest beside you, one more flower in a sea of blooms, where nothing shall ever trouble me again. Rose Marshall died when she was sixteen years old and on her way to her high school prom. She hasn't been resting easy since then—Bobby Cross, the man who killed her, got away clean after running her off the road, and she's not the kind of girl who can let something like that slide. She's been looking for a way to stop him since before they put her body in the ground. But things have changed in the twilight world where the spirits of the restless dead continue their "lives." The crossroads have been destroyed, and Bobby's protections are gone. For the first time, it might be possible for Rose to defeat him. Not alone, though. She'll need every friend she's managed to make and every favor she's managed to add to her account if she wants to stand a chance...and this may be her last chance to be avenged, since what is Bobby Cross without the crossroads? Everything Rose knows is about to change.

How to Build Your Own Railroad Overpass Jack Ledford, 2005-07 A slice of down-home life in and around Reedville, Alabama, Overpass serves up a small-town intrigue. Basing his book on a true story, author Jack Ledford has used fictitious names to protect the innocent - as well as the guilty and the shy. It seems that the tracks leading up to a railroad crossing are delaying traffic. School kids are getting home late and parents are not happy. Worse yet, hard-to-see oncoming trains have killed a few local drivers. The solution - build a street overpass above the railroad tracks. But the country-fried skullduggery of rural southern politics makes getting an overpass built anything but easy. Tom Eske, local surveyor, desperately wants the overpass built. Sharing his desire, is school bus driver Amona Taiyah, the earthly lady who Tom would have as his wife. Convincing Amona to marry him is about as hard a task as getting that confounded overpass erected. Removing the turn up wreckage was a tedious aftermath, as the crushed pieces had to be winched up from the creek bed once at a time and gathered onto the wrecker, the awful scene illuminated by floodlights and the headlights of a half-dozen police cars positioned on both sides of the creek. To the left toward Bethlehem City, I could see more than a half mile of clear track, but to my right the view was entirely obstructed by thickets of shrubs and trees along the railroad. The two little red-flasher warning lights were gone and so was the ding-ding, gone with all the other wreckage, just a few wires left sticking up by the tracks. I didn't have to wait very long. Suddenly, a police car dashed up and blocked the crossing while the early morning freight train came roaring through there blasting away on its horn.

Sam Contis: Overpass ,2022-11-15 Overpass is about what it means to move through the landscape. Walking along a vast network of centuries-old footpaths through the English countryside, artist Sam Contis focuses on stiles, the simple structures that offer a means of passage over walls and fences and allow public access through privately owned land. In her immersive sequences of black-and-white photographs, they become repeating sculptural forms in the landscape, invitations to free movement on one hand and a reminder of the history of enclosure on the other. Made from wood and stone, each unique, they appear as markers pointing the way forward, or decaying and half-hidden by the undergrowth. An essay by writer Daisy Hildyard contextualizes this body of work within histories of the British landscape and contemporary ecological discourses. In an age of rising nationalism and a renewed insistence on borders, Overpass invites us to reflect on how we cross boundaries, who owns space, and the ways we have shaped the natural environment and how we might shape it in the future.
