The Pack Lisi Harrison,2021-06-01 A pack of best friends navigate first crushes, new friendships and more at their school for girls with animal powers! Don't be fooled. . . . Charm House isn't like any other charm school. Charm stands for Center for Human-Animal Reform and Manners. Every girl who boards there has an animal light inside her that is wild and needs to be tamed. New girl Sadie just wants to stay out of trouble and blend in. When she learns she has the fiercest animal light of all, she is invited to join the group of it girls known as the Pack, led by Lindsey, the school's queen of the jungle. Soon Sadie is consumed by social drama and her secret feelings for an off-limits private-school boy. Charm House is supposed to protect them, but danger looms when someone starts to threaten the girls. Is the school in jeopardy—or is someone trying to tear the Pack apart? Girls with secret kick-butt animal powers? Yes please. This story is fast paced, hilarious, and wildly fun.”—Melissa de la Cruz, New York Times bestselling author of The Descendants

Running with the Pack Mark Rowlan,2021-11-15 “Most of the serious thinking I have done over the past twenty years has been done while running,” says philosophy professor Mark Rowlands, who has run for most of his life. And for him, running and philosophizing, are inextricably connected.In *Running with the Pack*, he reveals the most significant runs of his life—from the entire day he spent running as a boy in Wales, to the runs along French beaches and up Irish mountains with his beloved wolf, Brenin, and through Florida swamps with his husky-mix, Nina. Intertwined with this honest, passionate and witty memoir are the fascinating meditations that those runs triggered, from mortality, midlife, and the meaning of life. A highly original and moving book that will make the philosophically inclined want to run, and those who love running become intoxicated by the beauty of philosophy.
