*Paper Angels* Jimmy Wayne,2014-11-04 When he picks the name of a teenager from the Salvation Army's Angel Tree program, businessman Kevin Morell, moved and intrigued by Thomas Reed's list, finally discovers the true meaning of Christmas through a random act of kindness.

*Paper Angels* Billy Coffey,2011-11-09 Andy Sommerville seems no different than others in his rural Virginia community, but what sets him apart is that his best friend is an angel. The angel is God's answer to a childhood prayer Andy offered to a twinkling star that his deceased mother once called the door to heaven. The first angelic proclamation instructs Andy to find the wooden keepsake box in his grandparents' attic. Over the years, he directs Andy to fill it with apparently meaningless objects from twelve people with who Andy randomly crosses paths. Andy's world is turned upside down when a brutal attack leaves Andy burned and the boy he loved as a son dead. At this crucial juncture, the angel abandons him to loneliness and pain. All that remains is the wooden box Andy has always kept safe, and a new angel, who will use its contents to reveal truth to him as a result, he discovers the defining truth of his life, new hope in the community he loves, and greater trust in the God who sustains him. The story is told from Andy's hospital bed, where he awakes feeling God has abandoned him. Without being preachy or saccharine, the author brings the small town to life and reveals a spiritual secret--the presence of angels--that helps a wounded man discover the defining truth of his life, place new hope in the community he loves, and trust totally in the God who sustains him.

*Paper Angel* Kimberly Key,2014-10-07 Desiree' Vallon has spent her entire life living a quiet life in

small town Alabama, but that is all about to change. An ordinary vacation to California to visit her sister changes Desiree's life dramatically when she is introduced to famous rock star and heart throb Dane Chase. Quickly, she finds her life spinning into unknown territory as she finds herself being catapulted from small-town girl to stardom. Paper Angel follows the rise to stardom, love and heartache of Desiree' as fate and life bring to light the fact that not all that glitters is gold.

**Paper Angels** Joe Beine, 2001-07 “Dreaming is the only way an adult can become like a child again.” Paper Angels collects many of the annual Christmas stories written by Joe Beine, who has been sending them to friends for over a decade. In “Strings” and its sequel “Dodging Snowflakes,” we watch twelve-year-old Ellen as she begins to find her way in the adult world. Two stories about whimsical goblins add a touch of laughter to the proceedings. Three angels, Arianne, Jessi and Isabelle, wander through half of the book’s stories. Arianne and Jessi transform San Francisco’s Golden Gate Bridge into a cathedral. Isabelle tells a mysterious tale about two children’s snowy playtime. Together these wistful tales capture the peculiar magic of the Christmas season.

Paper Poetry Helene Bendix,Simone Bendix,2018-09-06 In a world of screens and smartphones, there is something beautifully tangible and tactile about taking a piece of paper and cutting into it with a pair of scissors. With just a few folds and snips, an old shopping list can be transformed into a fluttering butterfly or a shooting star. Let your imagination run wild and bring fairy tales to life as you turn old books into hot air balloons and angels, or give new life to yesterday's newspaper as a garland of pretty hearts. Twins Helene and Simone have been papercutting for years, and between them have created a whole world of whimsical designs. In this delightful book, they share this magical skill with you - and the best part is, it's simple, creative and practically free. All you need is a pair of scissors and some scrap paper - no scalpel, no cutting mat, no complicated templates. With beautiful photography by Ben Nason, Helene and Simone's mindful approach embraces imperfection and opens up your creativity, helping you develop your own designs and ideas. Whether you want to cut a bouquet of flowers from old shopping receipts or transform discarded wrapping paper into Christmas decorations, this book is sure to delight and inspire.
