The Taco Truck Robert Lemon,2019-05-16 Icons of Mexican cultural identity and America's melting pot ideal, taco trucks have transformed cityscapes from coast to coast. The taco truck radiates Mexican culture within non-Mexican spaces with a presence--sometimes desired, sometimes resented--that turns a public street corner into a bustling business. Drawing on interviews with taco truck workers and his own skills as a geographer, Robert Lemon illuminates new truths about foodways, community, and the unexpected places where ethnicity, class, and culture meet. Lemon focuses on the Bay Area, Sacramento, and Columbus, Ohio, to show how the arrival of taco trucks challenge preconceived ideas of urban planning even as cities use them to reinvent whole neighborhoods. As Lemon charts the relationships between food practices and city spaces, he uncovers the many ways residents and politicians alike contest, celebrate, and influence not only where your favorite truck parks, but what's on the menu.

The Old Truck Jerome Pumphrey, Jarrett Pumphrey, 2020-01-07 A young girl turns her imagination into action in this beautifully crafted and intricately designed debut picture book. When is an old truck something more? On a small, bustling farm, a resilient and steadfast pickup works tirelessly alongside the family that lives there, and becomes a part of the dreams and ambitions of the family's young daughter. After long days and years of hard work leave the old truck rusting in the weeds, it's time for the girl to roll up her sleeves. Soon she is running her own busy farm, and in the midst of all the repairing and restoring, it may be time to bring her faithful childhood companion back to life. With an eye-catching retro design and cleverly nuanced illustrations, *The Old Truck* celebrates the rewards of determination and the value of imagination.
