**Queen of Hearts** Tracy Cooper-Posey, In America, she met an Indian called River. Sadie travelled to America when she was nineteen, leaving behind her great family, to learn more about her real parents and how they died. While traveling in the Columbia River territories, her party is attacked by Indians and saved by a different tribe. Among them is the brave she comes to know as River. Sadie learns that not only is River an Englishman, he is the son of the Duke of Caldwell. When his family learns he survived his parents' death when he was an infant, River faces a choice: Leave Sadie and his tribe behind, or let the people of Caldwell suffer at the hands of his indifferent and selfish uncle... This book is the thirteenth and final book in the Scandalous Scions series, bringing together the members of three great families, to love and play under the gaze of the Victorian era's moralistic, straight-laced society. This story is part of the Scandalous Scions series: 0.5 Rose of Ebony 1.0 Soul of Sin 2.0 Valor of Love 3.0 Marriage of Lies 4.0 Mask of Nobility 5.0 Law of Attraction 6.0 Veil of Honor 7.0 Season of Denial 8.0 Rules of Engagement 9.0 Degree of Solitude 10.0 Ashes of Pride 11.0 Risk of Ruin 12.0 Year of Folly 13.0 Queen of Hearts A Sexy Historical Romance \_\_\_ Praise for the Scandalous Scions series: If you haven't started this series, start right now and you will fall in love with this very unconventional family during a time when rules, etiquette and unwritten rules had to be followed or the lack of them would bring scandal and ruin to an entire family. I love these books. Tracy creates these characters so well and with such care. I really recommend reading this series. I am overwhelmed by how much I have enjoyed this series so far. It was not superficial fluff as I thought it might be when I began. Cooper-Posey books have touched on so many universal themes. Her characters are admirable people who love their family and are capable of deep romantic love as well. I just love this series and the books just keep getting better and better. This series takes us on a romp through historical times, which I love. If you haven't read this magnificent series you must do so now; you will love each story, be moved by each of them, fall in love with the heroines and heroes, you will cheer for them and just as loudly boo the villains. Love this series and have bought them all. This entire series is filled with so much love for each other and family, that there is no way you cannot be emotionally drawn into each story. \_\_\_ Tracy Cooper-Posey is a #1 Best Selling Author. She writes romantic suspense, historical, paranormal and science fiction romance. She has published
