In this definitive biography, Peter Ames Carlin examines McCartney's entire life, casting new light not just on the Beatles era but also on his years with Wings and his thirty-year relationship with his first wife, Linda McCartney. He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist, reached the top of the charts with a new band, and once again drew hundreds of thousands of screaming fans to his concerts. Fab Howard Sounes, 2010-10-26 Howard Sounes, the bestselling author of Down the Highway: The Life of Bob Dylan and Charles Bukowski: Locked in the Arms of a Crazy Life, turns his considerable reporting and storytelling skills to one of the most famous, talented—and wealthiest—men alive: Paul McCartney. Fab is the first exhaustive biography of the legendary musician; it tells Sir Paul's whole life story, from childhood to present day, from working-class Liverpool beginnings to the cultural phenomenon that was The Beatles to his many solo incarnations. Fab is the definitive portrait of McCartney, a man of contradictions and a consummate musician far more ruthless, ambitious, and moody than his relaxed public image implies. Based on original research and more than two hundred new interviews, Fab also reveals for the first time the full story of his two marriages, romances, family feuds, phenomenal wealth, and complex relationships with his fellow ex-Beatles.

Paul McCartney Philip Norman, 2017-05-04 The first biography written with Paul McCartney's approval and with access to family members and friends closest to him. Superbly evoking half a century of popular music and culture, Paul McCartney is the definitive life of a long-misunderstood genius. In this masterly biography, history's most successful songwriter, a man of seemingly effortless talent, beauty and charm, is revealed as a complex, insecure workaholic who still feels as great a need to prove himself in his seventies as when he was a teenager. We learn how his boyhood was blighted by the death of his mother, Mary - later the inspiration for 'Let It Be' - but redeemed by his remarkable father, Jim, a Liverpool cotton-salesman who was his only music-teacher and whose influence has permeated his career. We understand as never before the creative symbiosis between John Lennon and himself that unlocked the extraordinary treasury of their songs for the Beatles when they were barely into their twenties, and the fierce rivalry which lasted beyond the band's break-up to the end of John's life - and still haunts and inspires Paul to this day. Here for the first time is the full story of Paul post-Beatles: his trauma after being brutally sidelined by John, George and Ringo over the appointment of their last manager, Allen Klein; his near-breakdown on his remote Scottish farm and dogged determination to build a new band, Wings, into as big a name in the 1970s as the Beatles had been in the 1960s. Here too is the first inside story of his marriage to Linda Eastman, much criticised at the outset but

destined to become the longest and strongest in rock until her death from cancer. Here are the traumatic post-Linda years when his charmed life seemed temporarily to crack up: his whirlwind romance with Heather Mills ending after four years' marriage in one of the most expensive and rancorous divorces in British legal history. As richly fascinating and dramatic as its subject, *Paul McCartney: The Biography* is the last word on a man whose music has lit up the world.

Band on the Run Garry McGee,2003-03-11 After the breakup of the Beatles in 1971, Paul McCartney formed Wings with his wife Linda on keyboards, ex-Moody Blues guitarist Denny Laine, and American session drummer Denny Seiwell. For ten dramatic and turbulent years, the band weathered the critics, endured pot busts, survived a harrowing recording stint in Nigeria, changed drummers constantly, and produced a great deal of remarkable music. McGee's tale of one of the most successful bands of the seventies—the first book to focus exclusively on Paul's post-Beatles years—tells the stories behind the #1 hits *Listen To What the Man Said*, *My Love*, *Band on the Run*, *Jet*, *With a Little Luck*, and *Coming Up*. McGee reveals the band's inner dynamics and its relationship with the press and public, examining Paul's determination to pursue a new sound, the criticisms Linda initially got from fans and bandmates, and the character conflicts that kept the lineup changing. Appendices include interviews with former Wings guitarist Henry McCullough, a complete discography, a list of singles with Paul's comments on each, and rankings from the sales charts. *Band on the Run* also includes a trove of rare Wings promotional material—album covers, posters, ads, and candid photos of the band on tour.

TIME Paul McCartney Editors of TIME Magazine,2012-09-18 When Paul McCartney played Yankee Stadium in July 2011 for two sold-out concerts, the 69 year old looked as if he was having a boyish romp, said the New York Times, marvelling at his 35-song performance. Age hasn't slowed down this former Beatle, nor dampened his ambition. As the most successful musician in pop-music history turns 70 this June, the editors of TIME will publish a celebration of Paul McCartney's unparalleled career. Written by James Kaplan, author of the acclaimed Sinatra biography *Frank: the Voice*, TIME's richly illustrated book will give readers a backstage tour of the many chapters of Mc-Cartney's life: as the precocious son of a Liverpool trumpet player, the cute Beatle of the Fab Four years, the prolific song writing partner of John Lennon, the psychedelic seeker, the devoted husband of Linda Eastman, the reborn frontman of the band Wings, the shrewd businessman with a net worth of hundreds of millions, and the social activist with concerns ranging from animal rights to land mines. For McCartney, the adventures never cease. As he told TIME in 2005, when asked if

he would still indulge audiences with oldies like Hey Jude: They'll get that too, but you have to move forward as well as go back. As they say, the show must go on!.
