**The Big Three** Michael Holley,2020-12-01 \*\*Selected by the Wall Street Journal among the Best Sports Books of 2021\*\* A New York Times bestselling sportswriter tells the inside story of how three star players joined together to form the most dominant team in basketball and lead the Boston Celtics to their first championship in more than two decades. The first of The Big Three was Paul Pierce. As Boston Celtics fans watched the team retire Pierce's jersey in a ceremony on February 11, 2018, they remembered again the incredible performances Pierce put on in the city for fifteen years, helping the Celtics escape the bottom of their conference to become champions and perennial championship contenders. But Pierce's time in the city wasn't always so smooth. In 2000, he was stabbed in a downtown nightclub eleven times in a seemingly random attack. Six years later, remaining the sole star on a struggling team, he asked to be traded and briefly became a lightning rod among fans. Then, in 2007, the Boston Celtics General Manager made two monumental trades, bringing Ray Allen and Kevin Garnett to Boston. A press conference on July 31, 2007 was a sight to behold: Pierce, KG, and Ray Allen holding up Celtics jerseys for the flood of media. Coach Doc Rivers made sure the team bonded over the thought of winning a title and living by a Bantu term called Ubuntu, which translates as I am because we are. Rivers wanted to make it clear that togetherness and brotherhood would help them maximize their talent and win. What came next—the synthesis of the Celtics' Big Three and their dominant championship run—cemented their standing as one of great teams in NBA history, a rival to Kobe Bryant's Lakers and LeBron James's Cavaliers. This is the team that brought excitement back to the Garden, and therefore to one of the most storied franchises in all of sports. They met their historic rivals, the Lakers, in the 2008 NBA Finals, winning the series in Game 6, in a rout on their home court with a raucous, concert like atmosphere. Along the victory parade route, Paul Pierce smoked a cigar—as a tribute to legendary former Celtics Coach Red Auerbach. In a city now defined by a wealth of championships, The Big Three joined the club. Michael Holley, the premier chronicler of Boston sports, brings their story to life with countless untold stories and behind-the-scenes details in another bestselling tome for New England and sports fans across the country.

In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. *From the Outside* Ray Allen, Michael Arkush, 2018-03-27 New York Times Bestseller The record-holding two-time NBA champion and recently inducted hall-of-famer reflects on his work ethic, his on-

the-court friendships and rivalries, the great teams he's played for, and what it takes to have a long and successful career in this thoughtful, in-depth memoir. Playing in the NBA for eighteen years, Ray Allen won championships with the Boston Celtics and the Miami Heat and entered the record books as the original king of the three-point shot. Known as one of the hardest-working and highest-achieving players in NBA history, this most dedicated competitor was legendary for his sharp shooting. From the Outside, complete with a foreword by Spike Lee, is his story in his words: a no-holds-barred look at his life and career, filled with behind-the-scenes stories and surprising revelations about the game he has always cherished. Allen talks openly about his fellow players, coaches, owners, and friends, including LeBron James, Kobe Bryant, and Kevin Garnett. He reveals how, as a kid growing up in a military family, he learned about responsibility and respect—the key to making those perfect free throws and critical three-point shots. From the Outside is the portrait of a gifted athlete and a serious man with a strongly defined philosophy about the game and the right way it should be played—a philosophy that, at times, set him apart from colleagues and coaches, while inspiring so many others, and lead to the most pivotal shot of his career: the unforgettable 3-pointer in the final seconds of Game 6 of the 2013 NBA finals against the San Antonio Spurs. Throughout, Allen makes clear that success in basketball is as much about what happens off the court as on, that devotion and commitment are the true essence of the game—and of life itself.
