

Peace Dove

R. M. Lewis

Crescent and Dove Qamar-ul Huda, 2010 *Crescent and Dove* looks at the relationship between contemporary Islam and peacemaking by tackling the diverse interpretations, concepts, and problems in the field of Islamic peacemaking. It addresses both theory and practice by delving into the intellectual heritage of Islam to discuss historical examples of addressing conflict in Islam and exploring the practical challenges of contemporary peacemaking in Arab countries, Turkey, Iran, Pakistan, and Indonesia.

Elusive Dove Neil Hollander, 2013-12-27 Most histories of World War I revolve around gruesome battles, ribboned generals and feats of military heroism. All too often the acts of those who tried to stop the fighting by word or deed have been drowned out by the roar of cannons. Yet even in the heat of battle individuals of courage stepped forward and attempted to bring the better part of humanity out of darkness and to revive the phoenix of peace. This book tells in detail the stories of these people and their organizations, in Asia, North and South America and Europe. Henry Ford's peace ship of December 1915, the famous Christmas truce of 1914, secret diplomatic missions by Austro-Hungarian Prince Sixtus, and myriad other efforts are described, showing that the desire for peace was widespread and fervent.

Additionally, many universities and educational institutions have their own digital libraries that provide

free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
