Notes on the Folk-lore of the Northern Counties of England and the Borders William Henderson,1879

Ghostly County Durham Rob Kirkup,2010-02-23 From reports of haunted castles, hotels, public houses, and even a prisoner of war camp, to heart-stopping accounts of apparitions, poltergeists and related supernatural phenomena, *Ghostly County Durham* investigates over twenty of the most haunted locations in the area today. Drawing on historical and contemporary sources, this selection includes a club-footed monk at Finchdale Priory, the Singing Lady Cauldron Snout, as well as a collection of spectres that call Durham Castle home – including a shadowy figure which haunts the Black Staircase. Illustrated with sixty photographs, together with access details for each location, this book is sure to appeal all those interested in finding out more about the area's haunted heritage.

An Introduction to Folk-lore Marian Roalfe Cox,1895

Rebel Folklore Icy Sedgwick,2023-09-19 *Rebel Folklore* gathers 50 of the darkest and most complicated folktale characters from around the world, showing readers why we should care about the rebels and misfits of ancient stories. Folktales were humble stories, passed down generations by those on the fringes of society: women, peasants, outcast groups. Across the world, these ancient stories are filled with strange characters, complicated figures who hold up a mirror to the world that dreamt them up. From outspoken women cast as witches to anti-authority figures denounced as criminals, flawed heroes to relatable villains, *Rebel Folklore* celebrates 50 of these misfits and what they mean for us today. Whether it's Muma Padurii, the Romanian forest witch who terrorizes trespassers to protect the environment, the Churel, who stalks unfaithful men on her backwards feet, or Robin Hood, everyone's favorite lawless activist, we can learn a lot from the rebels of days gone by: how to speak out, embrace our flaws, and be unashamedly ourselves – even if that means being a cannibalistic swamp witch.
