Keys for Identifying Mexican Mammals Sergio Ticul Álvarez-Castañeda, Ticul Álvarez, Noé González-Ruiz, 2017-03-28 Fully updated and revised, this is the bestselling comprehensive bilingual identification guide to Mexico's diverse mammalian fauna. A remarkable achievement that took over 30 years to construct, Keys for Identifying Mexican Mammals is the only complete identification guide to Mexico's mammalian fauna. Fully updated and revised, this bestselling book follows a bilingual arrangement, with identical information presented in Spanish and English on facing pages. The dichotomous presentation is both easy to follow and flawlessly compiled, including updated and expanded material that surpasses any previously available resource. Hundreds of diagnostic images

are dispersed throughout the book, many showing minute details that differentiate one species from another, and introductory materials carefully explain the use of diagnostic features. The heart of the book, though, is the keys themselves, which cover every taxa—from artiodactyls and carnivores to primates and rodents—while allowing confident identification at the species level for both field and museum use. The book closes with appendices that cover preparation of specimens, a glossary, and a bibliography. Anyone with an interest in the mammalian fauna of Mexico, or mammals in general, will find this one-of-a-kind book an indispensable reference to Mexico's rich diversity of wildlife.

El camino a casa Radhanath Swami,2020-04-21 Con esta autobiografía extraordinaria, Radhanath Swami narra una historia llena de aventura, misticismo y amor. El lector sigue a Richard Slavin desde los suburbios de Chicago hasta las cuevas del Himalaya mientras se transforma de un joven buscador a un famoso guía espiritual. El Camino a Casa es un relato íntimo de los pasos hacia la autoconciencia y también un vistazo penetrante al corazón de las tradiciones místicas. A la misma vez, el autor también presenta los desafíos que todas las almas deben enfrentar en el camino hacia la armonía interior y una unión con lo Divino. A través de encuentros con la mortalidad, las lecciones y sabiduría de yoguis avanzados y años de viaje por el camino del peregrino, Radhanath Swami finalmente llega al santuario interior de la cultura mística de la India y finalmente encuentra el amor que ha estado buscando.
