Kevin J. Harty

Cinema Arthuriana Kevin J. Harty,2015-05-07 The legends of King Arthur have not only endured for centuries, but also flourished in constant retellings and new stories built around the central themes. With the coming of motion pictures, Arthur was destined to hit the screen. This edition of *Cinema Arthuriana*, revised in 2002, presents 20 essays on the topic of the recurring presence of the legend in film and television from 1904 to 2001. They cover such films as *Excalibur* (1981) and *Monty Python and the Holy Grail* (1975), television productions such as *The Mists of Avalon* (2001), and French and German films about the quest for the Holy Grail and the other adventures of King Arthur and the Knights of the Round Table.

Pendragon's Requite Victor Brice,2007-02 For nearly two thousand years, the animosity between Sir Lancelot and King Arthur remains unsettled as they slumber restlessly in the dream dimension of the Morpheum, where sleeping beings remain bound to the earth by people's dreams and wishful fantasies. When they reemerge in the twenty-first century, King Arthur seeks justice for his betrayal while Sir Lancelot seeks vengeance for the persecution of Guinevere. Thus, the Roundtable Knights of Camelot are divided into civil war set against the backdrop of Baltimore, Maryland. One by one, the nobility of King Arthur's court awaken for the final judgment resulting from the love affair between the ordained protector of the Holy Grail Sir Lancelot, and Her Royal Highness Queen Guinevere. But in the midst of this volatile situation comes a dire message of great urgency from Queen Vivian, sovereign of mystic Avalon, that will forever change the course of Arthurian history.

Excalibur's Pendragon Parker C Wilson,2022-09-17 What empowers a legend? What turned a lowly boy into a warrior king? Who says that a new legend can't be produced in the modern day?How could a high school boy like Ryan Walker come to know or care of such things when his soul is broken? Even with the support of his father and friends, he lacks the fortitude to face his inner conflict, a struggle that has worn down his spirit for nearly a year. In Ryan's eyes, the way forward is impossible.But that doesn't keep the young boy's life from being changed by magic. For some reason, he is seemingly cursed with powers too great for any person to handle, and they somehow make him the target of ferocious demons that seek to taste his blood. Try as he might to escape this, Ryan is pulled toward an ancient legacy built upon the sentient sword *Excalibur* and its servants known as the *Pendragons*. The more he learns of this legacy, the more he is surrounded by mystic powers, a secret organization, characters from Arthurian lore, and beings from the enchanted realm of Annwn.These extraordinary forces push Ryan to his breaking point, but there is one more discovery harder than the rest. Some people are not who they seem, and their secrets could prove harmful when brought to light. This revelation could blow Ryan off course at a time when one mistake can cost him everything he loves. Regardless of the outcome, whatever part Ryan has in a legacy overseen by godlike sentinels, what good can he accomplish when he openly denounces his role? How can he become a Chosen One when he feels robbed of the right to choose otherwise? Furthermore, in the event he is offered that choice, what could possibly dissuade him from taking the way out?Discover the answers to these questions and more in the first installment of *The Aethervard Legacy*!
