Peppermint Barked Leslie Budewitz,2022-07-19 A Dickens of a Christmas turns deadly... As the holiday season lights up Seattle's famed Pike Place Market, Pepper Reece's beloved Spice Shop is brimming with cinnamon, nutmeg, and shoppers eager to stuff their stockings. Add to the mix a tasty staff competition—a peppermint bark-off—along with Victorian costumes for this year's Dickensian Christmas theme, and Pepper almost forgets to be nervous about meeting her fisherman boyfriend's brother for the first time. But when a young woman working in her friend Vinny's wine shop is brutally assaulted, costumed revelers and holiday cheer are the last things on Pepper's mind. Who would want to hurt Beth? Or were they looking for Vinny instead? The vicious attack upsets everyone at Pike Place, but none more than Pepper's own employee, Matt Kemp. At first, Pepper is baffled by his reaction, but his clandestine connection to Beth could hold the key to the assailant's motive. Or perhaps it's Vinny's ex-wife who knows more than she's letting on . . . and what about the mysterious top-hatted man with whom Pepper saw Beth arguing that morning? As the secrets of the market come to light, long-held grudges, family ties, and hidden plans only further obscure the truth. Is it a ghost of the past rattling its chains, or a contemporary Scrooge with more earthly motives? As Pepper chases down a killer, someone is chasing her, and in the end, the storied market itself may hold the final, deadly clue. A cozy holiday mystery full of culinary delights and a rich cast of characters, the sixth installment in the Spice Shop Mystery series will keep you turning the page . . . and reaching for another piece of peppermint bark.

Peppermint Kings Dan Allosso,2020-05-01 An unexplored, fascinating history of nineteenth-century agrarian life, told through the engaging lens of three families central to the peppermint oil industry This unconventional history relates the engaging and unusual stories of three families in the late nineteenth and early twentieth centuries whose involvement in the peppermint oil industry provides insights into the perspectives and concerns of rural people of their time. Challenging the standard paradigms, historian Dan Allosso focuses on the rural characters who lived by their own rules and did not acquiesce to contemporary religious doctrines, business mores, and political expediencies. The Ranneys, a secular family in a very religious time and place; the Hotchkisses, who ran banks and printed their own money while the Lincoln administration was eliminating state banking; and the Todd family, who incorporated successful business practices with populist socialism, all highlight the untold story of rural America's engagement with the capitalist marketplace. The families' atypical attitudes and activities offer unexpected perspectives on rural business and life.
