Peridot Flight Doris Leslie,Philip Gough,1956

Hunger and the Green R J Theodore,2019-10-22 This description and this book contain spoilers for the author's Peridot Shift series. It is recommended that you read FLOTSAM and SALVAGE first! A gothic horror set in the world of Peridot, Mary Shelley's influence permeates this magic-infused tale of hubris, horror, and obsession. Following the events of Peridot Shift Book Two, SALVAGE, a Yu'Nyun gas released on the trade winds is tearing people's souls from them, leaving their bodies violent, anguished husks. Ada's brother, Elias, is one of many of the foul winds' victims. Launching a desperate plan to bring him back, Ada hires a bounty hunter to procure an empty body for her brother's preserved quintessence. If Ada can re-bond Elias's soul to this new body, she can help the other citizens of Peridot who were similarly devastated. But when the bounty hunter brings her a mermaid, one of Onaya Bone's dangerous experiments, Ada's plan for redemption spirals into a hellish nightmare. The flesh-eating mermaid may not have a soul, but she won't allow Elias to have her body without a fight.

Flotsam R J Theodore,2022-02-01 Captain Talis just wants to keep her airship crew from starving, and maybe scrape up enough cash for some badly needed repairs. When an anonymous client offers a small fortune to root through a pile of atmospheric wreckage, it seems like an easy payday. The job yields an ancient ring, a forbidden secret, and a host of deadly enemies. Now on the run from cultists with powerful allies, Talis needs to unload the ring as quickly as possible. Her desperate search for a buyer

and the fallout from her discovery leads to a planetary battle between a secret society, alien forces, and even the gods themselves. Talis and her crew have just one desperate chance to make things right before their potential big score destroys them all.

Peridot Tyree Campbell, 2021-09-12 Forced to flee from the media, thanks to an article by Stéphanie claiming an affair between Peridot and the Mayor, Ricia and Nathalie seek refuge among the immigrants from former French colonies. Ricia receives a summons from Sequana, the Celtic goddess that empowers her, to find a cache of Carthaginian coins. In doing so, she encounters another immigrant, Binyelum, and it is clear to her that Sequana has arranged this meeting. But what is its purpose? Mars, meanwhile, continues his war against Peridot and Sequana. Having given the Carthaginians those coins, he now wants them back, and will go to any lengths at all to regain them. The Mayor of Grenoble, also afflicted by the media, is offered a chance to help the immigrants. But with the cloud of scandal hanging over him, what can be done? For Peridot...it's all in a day's work.

A Promise of Peridot Kate Golden,2024-04-09 The next seductive, sweeping, action-packed installment in the addictive Sacred Stones trilogy. A prophecy of death. A weapon of hope. A sacrifice of love. Arwen Valondale is sailing for the mysterious Kingdom of Citrine after the battle of Siren's Bay. Still reeling from the loss of her mother and the shock of her newfound powers, Arwen directs all of her pain and rage toward the man who betrayed her: King Kane Ravenwood. But Kane's presence is unavoidable as he leads Arwen and her friends on an expedition to recover the Blade of the Sun—a legendary weapon with the power to kill tyrannical Fae King Lazarus. Their uneasy truce proves difficult to maintain, as Arwen battles her unresolved feelings, and Kane is willing to become darkness itself to protect her. Arwen knows failure to fulfill the prophecy will seal both her own fate as well as the fates of those she loves most. But as Arwen faces creatures, foes, and magic beyond her wildest imaginings, her resolve is tested in ways she never could have foreseen.

Peridot □□□□□□□□,2001

Salvage R J Theodore,2022-07-05 Peridot is headed for its second cataclysm. War has sealed borders and locked down the skies. The Five, Peridot's alchemist gods, have seen one of their number die and another fall in their efforts to protect their world from invaders beyond the stars. Defeated and diminished, they are ignoring the prayers of their people, and the rapidly unraveling world must fend for itself. Talis and the orphaned crew of the lost airship Wind Sabre have a plan to set things to rights, but they're stranded on a rock far from the heart of the conflict. When an old enemy offers them a ship and a path forward, it comes with strings that will pull them further from the

home they are so desperate to save. Their broken planet has been through a lot, but if Talis and her crew can't navigate hostile skies, shifting allegiances, and subverted governments, their enemies could claim a power that would destroy Peridot for good.

Peridot Debra Tracy,2015-02-14 Elephant prints in the snow along a creek bank in Northern Minnesota? Impossible! Yet cousins and best friends Jonathan and Molly Wiggins see them with their own eyes. When Jonathan and Molly team up to do something, they're unbeatable! That is until a mysterious computer game leads them to a secret, paradise land where their friendship and loyalty is severely tested. Molly has always tried to keep up with brainy Jonathan, and Jonathan has always relied on Molly's common sense and creativity. But when new friendships, peer pressure, and a shocking decision separate them in their attempts to save an innocent elephant from being banished from his home, the cousins' relationship crumbles, and they wonder if they'll ever be friends again.

Peridot Tyree Campbell,2020-05-28 Mars sends his avatars to wrest the magic talisman from Peridot. To lure her into a trap, those avatars include two men she's interested in. Worse, they threaten her friends Stéphanie and Nathalie. Peridot, whose human name is Ricia Ryder, takes them to the springs in northern France, where Sequana, the Celtic goddess who empowers Peridot, has a long-dormant shrine. Peridot activates the shrine, and people come from nearby hamlets to seek cures for their infirmities. Mars, however, is focused on the talisman. He abducts Ricia and takes her to Mount Olympus, where there is a confrontation with Zeus regarding proprieties in battles between gods. Stéphanie, meanwhile, learns a secret about Ricia that threatens to tear apart the friendship among the three women. Peridot, who seeks to do some good in the world, may not be able to do this for much longer-not if Stéphanie, a journalist, has also become an avatar of Mars.

Peridot Parables Connie Noguchi, 2006-03 Nestled into the edge of a rainforest, on the gentle slopes of Mauna Loa, sits Lau Hale Lehua (Lau's House of the Red Flower). I had a very simple plan for making myself at home in this idyllic setting: a small garden in paradise. After months of nothing going according to my plans, I was frustrated and ready to give up. I questioned the Master and my own sanity in moving here. He answered with parables that taught me more about His plans and myself than I could have imagined.

The Gemstone Peridot Jon Hébert, 2022-11-29 Facets of a global conspiracy flourish in darkness, from the wooded wilderness of northern Alabama to the savage minds of Russia's foremost intelligence agency, the SVR. On the run from a notorious Russian assassin, Cole Greysen reaches his breaking point while taking refuge in the rural town of Atwar, Alabama. Full of opiates and jealous rage, he kills his girlfriend's abusive husband and pins the crime on a young man with special needs. Liv Baird, a death row advocate working the young man's case, unearths clues pointing to his innocence. Desperate for the truth, Liv sets out to find the real killer, triggering a global chain of

events when her trajectory collides with Cole's. With the assassin lurking in the shadows and a sadistic cop executing an unhinged plan of his own, there's a chance neither Liv nor Cole will make it out alive. A fascinating blend of global conspiracy mixed with small-town corruption, *The Gemstone Peridot* examines the savagery of government intelligence operations, the cracks in America's judicial system, and the lengths some people are forced to go to hide the truth.

Touching the peridot makes her body burn-in more ways than one. The stone conjures her dream man, a Hawaiian warrior who fulfills her lustful fantasies with his hands, his lips, his tongue...
