Comedy Sex God Pete Holmes, 2019-05-14 Part autobiography, part philosophical inquiry, and part spiritual quest, Comedy Sex God is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast You Made It Weird, and he was the creator-star of the hit HBO show Crashing. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's Be Here Now if penned by one of the funniest people alive—Comedy Sex God reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIIIING! In EGGHEAD, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, why did I just laugh?

Road Tripped Pete Hautman, 2020-06-09 "Superb road trip novel. By turns introspective and humorous." —Booklist (starred review) In this captivating story about loss, love, and changing your ways, National Book Award-winning author Pete Hautman imbues the classic road trip novel with clever wit and heartfelt musings about life and death. Steven Gerald Gabel—a.k.a. Stiggy—needs to get out of Minnesota. His father recently took his own life, his mother is a shell of the person she used to be, and his sort-of-girlfriend ghosted him and skipped town. What does he have left to stick around for? Armed with his mom's credit card and a tourist map of Great River Road, Stiggy sets off in his dad's car. The only problem is, life on his own isn't exactly what he expected and, soon enough, he finds himself at a crossroads: keep running from his demons, or let them hitch a ride back home with him.

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who

strives to put their faith into action will find encouragement and inspiration in the pages of this book.”—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus’s last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God’s constant, unfolding work in the world. “God loves things by becoming them,” he writes, and Jesus’s life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator’s presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

You're a Miracle (and a Pain in the Ass) Mike McHargue, 2021-05-18 “Holding brain science in one hand and rich emotional presence in the other, this book feels timely and necessary.”—Shauna Niequist, New York Times bestselling author of *Present Over Perfect* Why is there such a gap between what you want to do and what you actually do? The host of *Ask Science Mike* explains why our desires and our real lives are so wildly different—and what you can do to close the gap. For thousands of years, scientists, philosophers, and self-help gurus have wrestled with one of the basic conundrums of human life: Why do we do the things we do? Or, rather, why do we so often not do the things we want to do? As a podcast host whose voice goes out to millions each month, Mike McHargue gets countless emails from people seeking to understand their own misbehavior—why we binge on Netflix when we know taking a walk outside would be better for us, or why we argue politics on Facebook when our real friends live just down the street. Everyone wants to be a good person, but few of us, twenty years into the new millennium, have any idea how to do that. In *You’re a Miracle (and a Pain in the Ass)*, McHargue addresses these issues. We like to think we’re in control of our thoughts and decisions, he writes, but science has shown that a host of competing impulses, emotions, and environmental factors are at play in every action we undertake. Touching on his podcast listeners’ most pressing questions, from relationships and ethics to stress and mental health, and sharing some of the biggest triumphs and hardships from his own life, McHargue shows us how some of our qualities that seem most frustrating—including “negative” emotions like sadness, anger, and anxiety—are actually key to helping humans survive and thrive. In doing so, he invites us on a path of self-understanding and, ultimately, self-acceptance. *You’re a Miracle (and a Pain in the Ass)* is a guided tour through the mystery of human consciousness, showing readers how to live more at peace with themselves in a complex world.

most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We're living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there's just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don't have friends. Cell phones show us we're never good enough. Yesterday's butterflies are tomorrow's panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read *You Are Awesome* to learn: • The single word that keeps your options open after failure • What every commencement speech gets wrong • 3 ways to dramatically accelerate your ability to learn and adapt • The 2-minute morning practice that helps eliminate worry • Why you need an Untouchable Day (and how to get one) • and much, much more... Because the truth is, you really are awesome.

The Wisdom Pattern Richard Rohr, 2020-05-01 "Order, by itself, normally wants to eliminate any disorder and diversity creating a narrow and cognitive rigidity in both people and systems. Disorder, by itself, closes us off from any primal union, meaning, and eventually even sanity in people and systems. Reorder, or transformation of people and systems, happens when both are seen to work together" - from the preface. Through time, a universal pattern can be found in all societies, spiritualities, and philosophies. We see it in the changing seasons, the stories of Scripture in the Bible, the life, death, and resurrection of Jesus Christ, the rise and fall of civilizations, and even personally in our lives. In this updated version of one of his earliest books, Father Richard Rohr clearly illuminates how understanding and embracing this pattern can give us hope in difficult times and the courage to push through disorganization and even great chaos to find a new way of being in the world. "We are indeed 'saved' by knowing and surrendering to this universal pattern of reality. Knowing the full pattern allows us to let go of our first order, trust the disorder, and, sometimes even hardest of all—to trust the new reorder. Three big leaps of faith for all of us, and each of a different character." -from the introduction.

The Zimzum of Love Rob Bell, Kristen Bell, 2014-10-28 As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce

statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

Genesis for Normal People Jared Byas, Peter Enns, 2019-09-18 Given the fever-pitched controversies about evolution, Adam and Eve, and scientific evidence for the Flood, the average person might feel intimidated by the book of Genesis. But behind the heady debates is a terrific story—one that anyone can understand, and one that has gripped people for ages. If you are not a Bible scholar but want to be able to read Genesis and understand its big picture, this brief, witty book is the guide you've been waiting for. Clear summaries and thought-provoking questions provide direction for personal reflection and group discussion. Peter Enns, a Biblical Studies professor, and Jared Byas, an Old Testament professor, summarize the book's key themes and help us see Genesis as an ancient story, one with continued relevance for human experience today. *Genesis for Normal People* illuminates the characters that fill the book of Genesis, causing us to resonate with their choices and struggles even as we marvel at their distant world. And that's what you'll find here—not scientific proof texts or simple moral tales, but a distant world made available, and a story that is often strange, sometimes dangerous, and always filled with rich possibilities. WHAT OTHERS HAVE TO SAY ABOUT *GENESIS FOR NORMAL PEOPLE*: This book is a welcome antidote to the mystification about the book of Genesis that goes around. It is accessible for readers who want to take the plunge into this old text. It is gentle in leading readers to a critical sense of the text in response to a late trauma in Israel. It is imaginative in its articulation of a book that might otherwise be off-putting. The convergence of accessibility, gentleness, and imagination make this a very fine read.—Walter Brueggemann, Professor Emeritus, Columbia Theological Seminary *Genesis for Normal People* is the perfect starting point for Christians who want to read the book of Genesis more faithfully and honestly. Enns and Byas break down the history, genre, culture, and context of this fascinating book of the Bible, so that normal people—you know, those who can't read ancient Hebrew—can get a better sense of its purpose, meaning and relevance. The authors manage to simplify without dumbing down, challenge without confusing, and dig for deep truth without compromising their intellectual integrity. A must-read for anyone who cares enough about the Bible to want to read and understand it on its own terms.—Rachel Held Evans, author of *A Year of Biblical Womanhood* The stories in the book of Genesis are among the most well known in the Bible—so much so that it's easy to lose sight of the fact that Genesis is an ancient document from a cultural setting very different from our own. Enns and Byas have provided a highly readable volume that reminds readers of its reality while explaining the meaning and significance of Genesis in light of its ancient context. An ideal book for individual and study groups interested in understanding Genesis on its own terms.—John R. Franke, General Coordinator for The Gospel

and Our Culture NetworkEvangelical Old Testament scholarship has come of age and is now coming out from behind the shadows of suppression and secrecy. No one represents this fresh coming of age more than Peter Enns, who, with co-author Jared Byas, makes available to any Bible reader a fresh engagement with Genesis--readable, responsible, and recognizably fresh.- Scot McKnight, Professor of New Testament at Northern Seminary

Mastermind Maria Konnikova, 2013-01-03 The New York Times bestselling guide to thinking like literature's greatest detective. Steven Pinker meets Sir Arthur Conan Doyle (Boston Globe), by the author of *The Confidence Game*. No fictional character is more renowned for his powers of thought and observation than Sherlock Holmes. But is his extraordinary intellect merely a gift of fiction, or can we learn to cultivate these abilities ourselves, to improve our lives at work and at home? We can, says psychologist and journalist Maria Konnikova, and in *Mastermind* she shows us how. Beginning with the "brain attic"—Holmes's metaphor for how we store information and organize knowledge—Konnikova unpacks the mental strategies that lead to clearer thinking and deeper insights. Drawing on twenty-first-century neuroscience and psychology, *Mastermind* explores Holmes's unique methods of ever-present mindfulness, astute observation, and logical deduction. In doing

so, it shows how each of us, with some self-awareness and a little practice, can employ these same methods to sharpen our perceptions, solve difficult problems, and enhance our creative powers. For Holmes aficionados and casual readers alike, Konnikova reveals how the world's most keen-eyed detective can serve as an unparalleled guide to upgrading the mind.
