William Black

Starfall Michael Cadnum,2015-10-06 A child of the sun seeks his father—and risks destruction for the thrill of speed In the grazing fields outside the village, a griffin swoops from the sky to attack a lamb. To save the innocent creature, a boy called Phaeton hurls rocks at the assailant, taunting it to come after him instead. As the mythical beast charges, Phaeton turns and runs. The griffin is quick, but it cannot catch Phaeton. He is the fastest boy in the world, and he believes there is nothing he cannot outrun. Phaeton is a child of Apollo, god of the sun. When he learns the nature of his birth, this proud young man embarks on an epic journey to challenge his father and claim his birthright. But even though his heritage is divine, Phaeton is only human. When he comes face-to-face with the might of the gods, he will learn that mortals are not meant to soar so high.

The Strange Adventures of a Phaeton, Vol. 1 of 2 (Classic Reprint) William Black,2015-07-05 Excerpt from The Strange Adventures of a Phaeton, Vol. 1 of 2 I look

back or a journey which was made pleasant by the fancy that you might have been with me; I look forward to another and longer journey rendered beautiful by the hope that you may be with me; and I find this book between. What can I do with it but lay it at your feet, and ask you, as you look over its pages, and smile at the distorted vision of yourself you may find there, to forgive the rude and graceless outlines that were meant to portray one of the most innocent, tender, and beautiful souls God has ever given to the world? The blind man, who has never seen the stars, dreams of them, and is happy. And if he should be cured of his blindness, and get to know the stars and become familiar with all the majesty and wonder of them, will he look with much contempt on those imperfect pictures of them he had formed in the time of his loneliness and ignorance? I think not; and that is the excuse I have for offering to you this book, knowing that you will look charitably on these gropings in the dark, for the sake of the love and admiration that prompted them. and goddesses, magically brought to life by Tony Ross's lively illustrations. Phaeton and the Sun Chariot/Zeus Shining/Dionysus and the Pirates: What happens when you want what you can't have? Spoilt Phaeton, lovelorn Semele, and a band of greedy pirates are all about to find out the hard way...

The Phaeton Continuum Charles Williams, 2007-02
Thirty five years after the detonation of the atomic bomb over Nagasaki and the withdrawal of the spirit of Jesus Christ from Earth, luckless P.I., Phaeton Troupe, is hired to unravel the mystery of the disappearance of Natalie Pierce, a college co-ed. Uncovering the truth not only sets Phaeton on a course of confrontation with a brilliant, sadistic, mafia crime lord plotting global domination, but entangles him in a web of intrigue spun by powerful, reality-defying galactic life forms. Risking another round of racial turmoil in Los Angeles, Phaeton must navigate a maze of deceit and conflicting motives and interests of fiercely determined forces, including his client, Natalie's mother. On both sides of the clouds, Phaeton is marked for death. Only by surviving such ordeals as his brains being frozen, his insides roasted, and an encounter with a six-fisted ex-pug, will he not only learn the fate of Natalie Pierce, but embark upon a quest to save the human race from nuclear extermination, and restore the spirit of Christ to the world. Can he?

Warriors of Phaeton: Axis Leora Gonzales,2020-11-03 As the Phaeton's master interrogator, Axis was often called upon to handle the most difficult missions. His natural ability to sniff out lies, plus his intense training, had never let him down. Until it did. Questioning his place amongst the brethren he'd failed, the Skrammon warrior has been living on the planet Euphoria in the Pleasure Sector trying to work through his mistakes. Although technically on leave, the Phaeton Council requested one small favor in exchange for the free time he'd been granted. Keep an eye out for anything unusual. Nova Rodriguez is more than a little unusual, and that's not counting the fact that she's a human imprisoned in a space brothel. The details on how she ended up in a whorehouse versus her original destination are more than a little murky, but one thing is completely clear: she needs to get the f\$#% off this planet before Cruum, the gross alien master with a penchant for torture, sells her off to the highest bidder. With sheer determination, the help of a couple of sex kittens, and a list of rules to live by, Nova comes up with a plan: find a Phaeton—preferably the one she'd seen in the market and

can't stop thinking about—and convince him to help her. Not only does her life depend on it, so do the lives of the other two women Cruum has already sold. Trigger Warning: dark content, escape from trafficking

He's The Man With The Magic Touch A master of deduction, seduction and other midnight maneuvers, Phaeton Black is Scotland Yard's secret weapon against things that go bump in the night. But when he's asked to hunt down a fanged femme fatale who drains her victims of blood, he walks right into the arms of the most dangerous woman he's ever known. . . She's The Devilish Miss Jones Pressing a knife to his throat--and demanding he make love to her--Miss America Jones uses Phaeton as a willing shield against the gang of pirates chasing her. As deadly as she is, with a derringer tucked in her garter, Miss Jones is not the vampiric killer he's been staking out--but she may be just what Phaeton needs to crack the case. As the daughter of a Cajun witch, she possesses uncanny powers. As a fearless fighter, she can handle anything from Egyptian mummies to Jack the Ripper. But when an ancient evil is unleashed on the world, she could be his only salvation. . .or ultimate sacrifice. Warriors of Phaeton: Hix Leora Gonzales,2018-12-26

The gal with the worst luck in the world... Maggie never

had any intention of getting mixed up with the Bridal Pact, the Phaeton's, or all the crap that came with volunteering for the government's mail-order bride program. She was perfectly content inside her little bubble. She had her handmade jewelry business and her beloved rescue dog, and she was the honorary auntie to the cutest kid in existence. There is no way she was about to rock the boat by getting involved in any Phaeton business. None whatsoever. Unfortunately, the Verge didn't get that memo. Thinking she knows more than she actually does about the recent attack on the Bridal Pact's Intake Center, they took it upon themselves to tie her up as one of their loose ends. Literally. A glaring testament to her rotten luck. A warrior who only wanted to right his wrongs.... Hix, a newly christened Verge warrior, realized he made a mistake the minute he left his Phaeton brothers behind when he defected. With regrets heavy in his chest, he tries to make the best of a bad situation while struggling with his new identity. Plans change, however, when he's tricked into participating in the abduction of an innocent human female. Enthralled with the raspy-voiced captive, Hix knows that he will do anything to keep her safe. Working to save not only themselves, but others, Hix and Maggie are unable to deny the chemistry between them. As a firm believer in fate, Hix knows that they are exactly where they are supposed to be...now he must convince his future bride that she belongs with him.
