

Phalanx

Roel Konijnendijk, Cezary Kucewicz, Matthew Thomas Lloyd

The Greek Hoplite Phalanx Richard Taylor,2021-12-22 The Greek hoplite and the phalanx formation in which he fought have been the subject of considerable academic debate over the past century. Dr Richard Taylor provides an overview of the current state of play in the hoplite debate in all its aspects, from fighting techniques to the social and economic background of the 'hoplite revolution', in a form that is accessible for the general reader and military history enthusiast. But the book goes further: offering a new perspective on the hoplite phalanx by putting it in the context of other military developments in the Mediterranean world in the middle of the first millennium BC. He argues that the Greek phalanx was different in degree but not in kind from other contemporary heavy infantry formations and that the hoplite debate, with its insistence on the unique nature of the hoplite phalanx, has obscured the similarities with other equivalent formations. The result is a fresh take on a perennially popular subject.

Aliens: Phalanx Scott Sigler,2020-02-25 The #1 New York Times best-selling author of *Infected* delivers medieval carnage as a pre-industrial society fights extinction at the hands of a massive infestation of Xenomorphs. *Ataegina* was an isolated world of medieval castles, varied cultures, and conquests, vibrant until the demons rose and spread relentless destruction. Swarms of lethal creatures with black husks, murderous claws, barbed tails and dreaded tooth-tongues raged through the lowlands, killing ninety percent of the planet's population. Terrified survivors fled to hidden mountain keeps where they eke out a meager existence. When a trio of young warriors discovers a new weapon, they see a chance to end this curse. To save humanity, the trio must fight their way to the tunnels of Black Smoke Mountain--the lair of the mythical Demon Mother. Alien: Phalanx TM & © 2019 Twentieth Century Fox Film Corporation. Legion versus Phalanx Myke Cole,2018-10-18 From the time of Ancient Sumeria, the heavy infantry phalanx dominated the battlefield. Armed with spears or pikes, standing shoulder to shoulder with shields interlocking, the men of the phalanx presented an impenetrable wall of wood and metal to the enemy. Until, that is, the Roman legion emerged to challenge them as masters of infantry battle. Covering the period in which the legion and phalanx clashed (280-168 BC), Myke Cole delves into their tactics, arms and equipment, organization and deployment. Drawing on original primary sources to examine six battles in which the legion fought the phalanx - Heraclea (280 BC), Asculum (279 BC), Beneventum (275 BC), Cynoscephalae (197 BC), Magnesia (190 BC), and Pydna (168 BC) - he shows how and why the Roman legion, with its flexible organization, versatile tactics and iron discipline, came to eclipse the hitherto untouchable Hellenistic phalanx and dominate the ancient battlefield.

The Black Phalanx Joseph Thomas Wilson,1887

An Invincible Beast Christopher Matthew,2015-11-30 An innovative study of the Macedonian war machine's sarissa-wielding infantry under such leaders as Philip II and Alexander the Great. The Hellenistic pike-phalanx was a true military innovation, transforming the face of warfare in the ancient world. For nearly 200 years, from the rise of the Macedonians as a military power in the mid-fourth century BC, to their defeat at the hands of the Romans at Pydna in 168BC, the pike-wielding heavy infantryman (the phalangite) formed the basis of nearly every Hellenistic army to deploy on battlefields stretching from Italy to India. And yet, despite this dominance, and the vast literature dedicated to detailing the history of the Hellenistic world, there remains fierce debate among modern scholars about how infantry combat in this age was actually conducted. Christopher Matthews critically examines phalanx combat by using techniques such as physical re-creation, experimental archaeology, and ballistics testing, and then comparing the findings of this testing to the ancient literary, artistic and archaeological evidence, as well as modern theories. The result is the most comprehensive and up-to-date study of what heavy infantry combat was like in the age of Alexander the Great and his successors.

The Black Phalanx Joseph T. Wilson,2022-08-10 This book is intended to give the readers an insight on the contributions of African-American soldiers in the various military campaigns that the U.S. engaged in, including its independence war. It was written by Joseph Thomas Wilson; an African-American journalist, politician, and author. He served in several regiments, including the 54th Massachusetts Infantry Regiment, during the American Civil War. After the war's end, he was the publisher of several Reconstruction-era publications and a radical member of the Republican Party, active on a state level.

The Black Phalanx Joseph Thomas Wilson,2012-06-03 Hardcover reprint of the original 1887 edition - beautifully bound in brown cloth covers featuring titles stamped in gold, 8vo - 6x9. No adjustments have been made to the original text, giving readers the full antiquarian experience. For quality purposes, all text and images are printed as black and white. This item is printed on demand. Book Information: Wilson, Joseph T. Joseph Thomas. *The Black Phalanx; A History of The Negro Soldiers of The United States In The Wars of 1775-1812, 1861-'65*. The Black Phalanx Joseph T. Wilson,2010

The Macedonian Phalanx Richard Taylor,2020-12-02 An overview on one of the most successful infantry formations used by Alexander the Great and his successors to dominate the ancient world. The Macedonian pike phalanx dominated the battlefields of Greece and the Near and Middle East for over two centuries. It was one of the most successful infantry formations of the ancient world, only rivaled by the manipular formation of the Roman legions. The phalanx was a key factor in the battlefield success of Alexander the Great and after his death dominated the armies of his Successors (the Diadochoi), who ruled from Greece and Egypt to the borders of India. Richard Taylor gives an overview of the phalanx's development, organization, equipment and training. He analyses the reasons for its success, with an emphasis on case studies of the many battles in which it was used, from Philip II's reign to the Mithridatic Wars. He discusses whether the famous defeats by the Romans necessarily mean it was inherently inferior to the manipular legion tactics, and considers what other factors were in play. The clear, accessible and well-researched text is supported by diagrams and battle maps, making this an outstanding study of this mighty formation.

Brill's Companion to Greek Land Warfare Beyond the Phalanx Roel Konijnendijk,Cezary Kuciewicz,Matthew Thomas Lloyd,2021 After decades of controversy, there is now a growing consensus that Greek warfare was not singular and simple, but complex and multiform. In this volume, emerging and established scholars build on this consensus to explore Greek warfare beyond its traditional focus on hoplites and the phalanx. We expand the chronological limits back into the Iron Age, the geographical limits to the central and eastern Mediterranean, and the operational limits to include cavalry, light-armed troops, and sieges. We also look beyond the battlefield at integral aspects of warfare including religion, the experiences of women, and the recovery of the war dead--

Breaking the Phalanx Douglas A. Macgregor,1997-01-30 This work proposes the reorganization of America's ground forces on the strategic, operational and tactical levels. Central to the proposal is the simple thesis that the U.S. Army must take control of its future by exploiting the emerging revolution in military affairs. The analysis argues that a new Army warfighting organization will not only be more deployable and effective in Joint operations; reorganized information age ground forces will be significantly less expensive to operate, maintain, and modernize than the Army's current Cold War division-based organizations. And while ground forces must be equipped with the newest Institute weapons, new technology will not fulfill its promise of shaping the battlefield to American advantage if new devices are merely grafted on to old organizations that are not specifically designed to exploit them. It is not enough to rely on the infusion of new, expensive technology into the American defense establishment to preserve America's strategic dominance in the next century. The work makes it clear that planes, ships, and missiles cannot do the job of defending America's global security issues alone. The United States must opt for reform and reorganization of the nation's ground forces and avoid repeating Britain's historic mistake of always fielding an effective army just in time to avoid defeat, but too late to deter an aggressor.

Reinstating the Hoplite Adam Schwartz,2009 Recent research into the military history of ancient Greece has questioned the central role traditionally ascribed to the famous hoplite phalanx by historians and

suggests that even as late as the Persian Wars of 480-479 BC, Greek battles consisted essentially of open fighting and duels between individual combatants, in an almost Homeric fashion. In this meticulous study, Adam Schwartz in turn questions the new orthodoxy. Departing from a detailed scrutiny of hoplite equipment and its physical characteristics, the author demonstrates that this equipment must in fact have been developed specifically to meet the needs of warriors fighting in phalanx formations, which, it is shown, can be traced back into the eighth century BC. In this way, the study is not only a reappraisal of the role of the phalanx, but also a significant contribution to the study of Archaic Greek history. Great emphasis is, furthermore, placed upon the illumination of such crucial questions as the duration of the average hoplite battle and the role of the othismos - pushing - in deciding the outcome. In short, this book will quickly claim its place as one of the basic studies of ancient Greek hoplite battle.

Origin and First Parade of the Putnam Phalanx Putnam Phalanx,1860

Greco-Roman Warfare Charles River Charles River Editors,2018-01-18 *Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading Although the armies of the ancient Greek, or Hellenic, city-states (poleis, singular polis) included both cavalry (hippeis) and light infantry (psiloi, peltastes, gymnetes), their mainstay was undoubtedly the heavy infantry known today as hoplites. Armed to the teeth with their distinctive round shield (aspis or hoplon), high-crested helmet (corymbos) and long spear (dory), the hoplites were some of the most efficient soldiers of their time. They fought in the tight phalanx formation, and beyond the confines of their small poleis, Greek hoplites were also prized as mercenaries throughout the ancient world. Most historians believe that the hoplite became the dominant infantry soldier in nearly all the Greek city-states around the 8th century BCE. Hoplites were responsible for acquiring their own equipment, so not every hoplite might have been equally armed, but considering the style of warfare, they needed as much uniformity as possible. Like most infantry outside of Greece, the hoplites also carried spears, but while the Persian weapons were short and light for example, the Greek spears were thick shafts anywhere between seven and nine feet long. These spears were topped by a 9-inch spearhead, with a lizard-sticker buttspike at the bottom which could be used as a secondary spearhead if the main weapon was snapped off, or to plant the spear upright when at rest. Each hoplite also carried a shortsword, designed specifically for thrusting in the close confines of a melee (the Spartan weapon, the xiphos, was so short as to be virtually a dagger, its blade barely over a foot long). For the Greeks, a hoplite was only as strong as the hoplite next to him; without hoplites on the sides, both flanks were exposed, and heavy infantry units are not mobile. Thus, they implemented the phalanx formation, one of history's most important military innovations. The phalanx was a line of infantry as wide across as the battlefield dictated, anything from five to 30 men deep, with each rank of men officered by a veteran. The formation also included an additional, expert file-closer at the back of each file, to keep the formation cohesive. It was only with the advent of the more mobile Roman legion, and the defeat of phalanxes in battles like Cynoscephalae (197 BCE) and Pydna (168 BCE), that the hoplite phalanx was finally outclassed, although not without a long fight: the last of Alexander's successor kingdoms, Ptolemaic Egypt, only fell in 31 BCE. While the Roman army is rightly famed as an institution, the image of the individual legionary is also an iconic one. The uniformed, disciplined soldier of the late Republic and early Empire is one of the first things many people imagine when they think of Rome. They are the ultimate image of the ancient soldier, their arms and armor instantly recognizable. Their abilities, not only as warriors but also as engineers and administrators, have made them role models for other soldiers through the centuries. In the same vein, their commanders are still celebrated and studied, and generals the world over have tried to emulate the likes of Julius Caesar. Moreover, one of the key ingredients to Rome's success was the military's complete willingness to incorporate discovered technologies. If a different weapon, type of armor, or basic equipment or artillery worked better than what they were using, the Romans were not afraid to adopt that piece of military hardware for their own uses. Thus, the Romans were almost always using the finest military equipment in the world, all of which had long since proven effective on the field of battle. Greco-Roman Warfare: The History and Legacy of the Phalanx and Legion Formations that Revolutionized the Ancient World examines how the Greeks and Romans changed the world.

Phalanx Ben Counter,2012 Phalanx, the great star fort of the the Imperial Fists, is playing host to Space Marines from half a dozen Chapters, alongside Inquisitors, Sisters of Battle and agents of the Adeptus Mechanicus. They have come together to witness the end of a Space Marine Chapter, as the once-noble Soul Drinkers, now Chaos-tainted renegades and heretics, are put on trial for their crimes against the Imperium. But dark forces are stirring and even this gathering of might may not be enough to guard against the evil that is about to be unleashed ... --Publisher.

The Phalanx Code A. J. Tata,2024-02-27 Garrett Sinclair escapes from prison to rescue his team from the manipulations of two tech moguls and learns of a devastating family secret in the process. Influential tech magnate Mitch Drewson calls on Sinclair and the Dagger team to protect his Project Optimus. An ambitious endeavor that empowers citizens to protect their financial and personal data in the face of increasingly authoritarian federal governments, Project Optimus is a threat to Aurelius Blanc's Phalanx Corporation. Blanc's data collection and media application are enabling a global security threat, creating a technofascism that monitors the activity of everyone with a smartphone, tablet, computer, or any web-connected device. When Phalanx assassin squads overrun an Optimus server farm in California and attack an Optimus coder named Blair Campbell, who happens to be the president's daughter, Sinclair must deploy a group of warriors to save Blair and protect the remainder of the Optimus team so they can finish their important work—a project that includes deciphering the mysterious Phalanx Code, suspected to be Phalanx's kill list of Optimus employees. With Phalanx squads hunting him and those he loves, Sinclair must determine who he can trust while a part of his past comes back to haunt him and threaten everything he holds dear. Nonstop action and authentic detail make this the most compelling, high-stakes entry in the Sinclair series yet.

The Black Phalanx Joseph T. Wilson,2015-02-15 By way of introduction to the American public, of the author and editor of this book, we beg to say that Mr. Wilson is not altogether unknown to the literary world, having already published several works relative to the Negro race. His services during the war of the Rebellion secured for him a flattering recognition. He served in the 2nd Regiment Louisiana Native Guard Volunteers, also the 54th Massachusetts Volunteers, --the most famous of the Union negro regiments that engaged in the struggle, receiving several wounds.

Corsana Charles Wellington,2015-02-18 CK, Christopher Knight, has a secret, he's a psionic; a human with the ability to will things to happen with the power of his mind. And while he has kept to the shadows, Christopher has always dreamt about being a hero, but hanging from the ceiling of a cave being tortured, and getting his face pummeled by an orc, wasn't part of the dream. When merchant ships start capsizing off the coast of Corsana, the port city mayor of Asic is forced to put out the call for adventurers to investigate. Seeing his chance at hand, CK leaps into the fire. Thrust into a hodge-podge group of unknown, untested, mercenaries, each with their own agendas for being there, CK must train, trust, and risk everything to become the hero he wants to be. Before him lies an unknown destiny, but as that destiny begins to reveal itself, and a villain to focus on emerges, the eyes of a powerful presence, far greater than any he could have imagined, will be drawn to him; that is, if he can survive. And in a world teeming with goblins, orcs, giant, and dragons, and danger lurking around every corner, all odds are against him!

X-Men Milestones Various,2019-12-18 Collects Uncanny X-Men (1981) #305-306, 312-313, 316-317; Excalibur (1988) #78-80, 82; X-Men (1991) #36-37; X-Factor (1986) #106; X-Force (1991) #38; Wolverine (1988) #85; Cable (1993) #16. The biggest and best adventures of Marvel's mighty mutants — these are the X-Men Milestones! Powerful anti-mutant bigots have resurrected a techno-organic alien nightmare: the Phalanx, a cold, vicious and unstoppable foe that absorbs all in its path. But these creatures are far more than their creators bargained for — and they plan to summon their parent race to overtake Earth! When the Phalanx capture the X-Men, the remaining X-teams must split into three groups — to save young mutants from the Phalanx's clutches, to prevent their foes from contacting their homeworld and to rescue the X-Men! But even with the aid of the rogue Phalanx unit Douglock, can these ragtag teams succeed?

The book delves into Phalanx. Phalanx is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Phalanx, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Phalanx
 - Chapter 2: Essential Elements of Phalanx
 - Chapter 3: Phalanx in Everyday Life
 - Chapter 4: Phalanx in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Phalanx. The first chapter will explore what Phalanx is, why Phalanx is vital, and how to effectively learn about Phalanx.
 3. In chapter 2, the author will delve into the foundational concepts of Phalanx. This chapter will elucidate the essential principles that need to be understood to grasp Phalanx in its entirety.
 4. In chapter 3, the author will examine the practical applications of Phalanx in daily life. This chapter will showcase real-world examples of how Phalanx can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Phalanx in specific contexts. The fourth chapter will explore how Phalanx is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Phalanx. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Phalanx.

Phalanx Introduction

Phalanx Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Phalanx Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Phalanx : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Phalanx : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Phalanx Offers a diverse range of free eBooks across various genres. Phalanx Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Phalanx Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Phalanx, especially related to Phalanx, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Phalanx, Sometimes

enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Phalanx books or magazines might include. Look for these in online stores or libraries. Remember that while Phalanx, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Phalanx eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Phalanx full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Phalanx eBooks, including some popular titles.

FAQs About Phalanx Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Phalanx is one of the best book in our library for free trial. We provide copy of Phalanx in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Phalanx. Where to download Phalanx online for free? Are you looking for Phalanx PDF? This is definitely going to save you time and cash in something you should think about.
