living in his more prosperous brother's shadow. He still struggles to maintain a steady employment or place to live at the age of 26. Anywhere else in the world, just another common person, but not in Eumain. Imperfection is no longer tolerated in Eumain. Both a bank robber and a homeless person will suffer the same punishment in this situation-they will both be labelled Rejects and taken away, never to be seen again. The residents have no way of knowing what will happen to them. According to a persistent rumour, the Rejects have been exiled to a remote, long-forgotten place because they are unfit to live anywhere else - just like themselves. There, all of the criminals of all degrees must rely on one another in order to survive in this harsh and perilous environment that is home to a variety of previously unheard of monsters. Layne Marks has always been warned that he was close to becoming deemed unfit to reside in Eumain, and that it was only a matter of time.

The San Rafael Swell Emery County Archives,2008 The San Rafael Swell is an anticline, or a geological uplift, that originally

looked like an oval bowl turned upside down. Over time it has been carved into castle-like formations and deep canyons by erosive conditions. This landscape seemed so formidable to early cartographers that it was the last area in the continental United States to be mapped. The San Rafael Swell itself has no permanent human inhabitants, but small towns are scattered along its northern and eastern borders where first American Indians and later cowboys, ranchers, and miners made their homes. The hardy settlers of these towns familiarized themselves with what they called the Desert and gradually discovered its treasures and its secrets.

The Outline of History H. G. Wells, 2004 Coming right after the carnage of World War I, this title was neither unduly pessimistic and cynical about the human condition nor Pollyannaish about humanity's future. Instead, it offered an account of the development of the world's civilizations up to the present, showing that an enlightened future depended on an unprejudiced view of the past.
