(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Pigmy Goat Care Noah Leo,2021-09-10 Pygmy goats are descendants of West African Dwarf goats. They were added to America in the Nineteen Thirties and 1960s and people began breeding them as associate animals. Through this breeding of West African goats, the American Pygmy and Nigerian Dwarf have been born. American Pymies are stocky, sturdy goats in miniature, at the same time as Nigerian Dwarf goats are larger than miniature dairy goats. In some areas, American Pymies and Nigerian Dwarfs are considered to be identical breeds of goat, falling under the umbrella of Pygmy goats.

On the Borders of Pigmy Land (Classic Reprint) Ruth B. Fisher,2018-01-02 Excerpt from On the Borders of Pigmy Land No one can read it and not be impressed by the evidence with which it abounds that the same Gospel which conquered Europe, civilized or barbarous, in ages past is as potent to-day to transform the most degraded and dormant races into peoples of quick intelligence and spiritual consciousness, and has given them in a marvellously short time a measure of self-respect, a sense of the dignity of labour, and a devotion to the welfare of others, not always found in Christian lands or even Churches of ancient fame. At a time when the jaded faith of many at home is giving way before the incessant undermining of the old foundations, and when we are invited to recast the details of the Gospel, it is no small thing that the Bible is seen to be making new history again, and giving fresh evidences of its divine vitality. The Mission Field is paying back its debt to the Church at home. Africa, emerging from the night of ages, is bringing her treasures of grace to make up the fulness of the Gentiles. The pigmies themselves are worthy of a better lot than to be carried off by a traveller and be made a show for the sordid curiosity of holiday crowds.
