Handbook of Research on Learning in the Age of Transhumanism

Sisman-Ugur, Serap,Kurubacak, Gulsun,2019-05-03 As a movement, transhumanism aims to upgrade the human body through science, constantly pushing back the limits of a person by using cutting-edge technologies to fix the human body and upgrade it beyond its natural abilities. Transhumanism can not only change human habits, but it can also change learning practices. By improving human learning, it improves the human organism beyond natural and biological limits.

The Handbook of Research on Learning in the Age of

Transhumanism is an essential research publication that discusses global values, norms, and ethics that relate to the diverse needs of learners in the digital world and addresses future priorities and needs for transhumanism. The book will identify and scrutinize the needs of learners in the age of transhumanism and examine best practices for transhumanist leaders in learning. Featuring topics such as cybernetics, pedagogy, and sociology, this book is ideal for educators, trainers, instructional designers, curriculum developers, professionals, researchers, academicians, policymakers, and librarians.

Research Anthology on Virtual Environments and Building the Metaverse Management Association, Information

Resources,2022-12-19 With the advent of virtual environments and communities, the metaverse has been rapidly expanding in recent years as businesses and industries have begun to see the value and opportunities this technology provides. In order to ensure this technology is utilized to its full potential, further study on the best practices, challenges, and future directions is required. The Research Anthology on Virtual Environments and Building the Metaverse

considers the latest research regarding the metaverse and discusses potential issues and benefits of the technology. The book also examines strategies and tactics businesses and companies can use when implementing the metaverse into their operations. Covering key topics such as immersion, augmented reality, and virtual worlds, this major reference work is ideal for computer scientists, business owners, managers, industry professionals, researchers, scholars, academicians, practitioners, instructors, and students.

The Pilgrim's Progress John Bunyan,1678

The Pilgrim's Progress John Bunyan,1678

The Pilgrim Chronicles Rod Gragg,2014-10-13 A Quest for Freedom All Americans are familiar with the story of the Pilgrims—persecuted for their religion in the Old World, they crossed the ocean to settle in a wild and dangerous land. But for most of us, the story ends after their brutal first winter at Plymouth with a supposedly peaceful encounter with the Native Americans and a happy Thanksgiving. Now, through the vivid memoirs, letters, and personal accounts in *The Pilgrim Chronicles*, you will discover the full, compelling story of their anguished journey and heroic strength. Award-winning historian Rod Gragg brings the Pilgrims to life in this lavishly illustrated guide, filled with moving, eyewitness narratives. From their persecution in England and painful exile in Holland to their voyage across the Atlantic and their struggle to survive among the Indians in an untamed wilderness, Gragg takes you on the harrowing and inspiring journey of a people seeking religious freedom.

The Pilgrim Identity Pilgrim Preacher,2021-11-07 A publication comparing the Church of the past with the wandering Church of the present and how to find our way back to the pilgrim identity. An

informative book that has the potential to change the way you look at the status quo. The Pilgrim is a Saint who is on a spiritual pilgrimage, which is a journey through the experiences of sainthood, service, and spiritual parenthood. The pilgrim identity is one of degree, emphasis, and mindset. It is not something other than sainthood or something for an elite class only. In this book, we will look at seven distinguishing characteristics of the pilgrim people of God. Identity is the foundation of one's new life and behavior springs from this same source. The pilgrim walks the pathway because he or she desires to and is enabled to by the presence of the pure Spirit, who desires that all saints seek to live above the rate of common Christianity. The distinguishing marks of the pilgrim people of God are observations from the lives of pilgrims found in Holy Scripture and in Church History. This book will benefit you as you seek to be the best that you can be.
