

Pina

Norbert Servos

Pina Elif Yemenici, 2022-06-07 This story of Pina's fear to venture out of his door into the wide world will resonate with timid, imaginative kids. Pina explores the haunted country of the imagination where children struggle to place themselves in the big scary world. Pina's fear to venture out of his little house into the wide world will resonate with timid kids. The techniques he uses to overcome his fear—mindful breathing, thinking of his favorite things, carrying a familiar, comforting object with him when he leaves the house—will prove useful to many children. It took the author two years to sculpt little Pina (named after the author's cat, which she named after German-born choreographer Pina Bausch), build his shadow-box home, photograph the book's scenes, and add Photoshop layers to create the book's arresting illustrations. Pina offers safe access for young readers to the scary territory explored by *Coraline*, *The Night Gardener*, and other stories for older kids.

Pina Donata Wenders, Wim Wenders, 2012 Pina Bausch (1940-2009) became a cult figure in the international dance scene with her Tanztheater Wuppertal which she both founded and directed. In her choreographies she combined classical dance with elements of performance art, mime, acrobatics, sports, acting, and song, thereby creating a new art genre that both suited the spirit of the times and, by the artistic radicality of her productions, set the parameters for the future of dance theater. Wim Wenders dedicates his remarkable documentary *Pina* to her oeuvre. The film won the Deutscher Filmpreis 2011 for best documentary and was nominated for the 2012 Oscar for best documentary. Donata Wenders' still camera accompanied the shooting of Wim Wenders' congenial homage to Pina Bausch and her celebrated

ensemble. This book offers a unique view of both the film and the stunning oeuvre of revolutionary choreographer Pina Bausch and her legendary dance company.

Pina La Straniera Mirella Kennel Giacomini,2024-03-11 This is the story of Pina, who has felt like a stranger all her life, but finally finds her place in the world. We accompany Pina from Switzerland, where she grows up, via England to Israel, back to Switzerland and finally on a journey of a special kind: a shaman's journey. As the granddaughter of Italian immigrants, Pina looks different from other children: she has black hair and darker skin. That's not the only difference: Pina is guileless and sometimes naive and, unlike others, is not just looking out for her own advantage. She is often ostracized, but she also celebrates triumphs. Hard-working and diligent, she achieves everything she sets out to do despite many obstacles. In the end, she also manages to go on a shamanic journey that changes her life.

Pina Pina Family,2019-09-23 Show off your last name and family heritage with this Pina coat of arms and family crest shield notebook journal. Great birthday, diary, or family reunion gift for people who love ancestry, genealogy, and family trees.

"La Piña De Oro" Julian Cairol,2011-12-13 There is no available information at this time.

Piña Coladas Kara Robinson,2023-09-30 Professor Samuel Rodgers and grad student Alessandro "Alec" Carbone are as opposite as can be. Samuel is steady and quiet, Alec's flighty and loud. Samuel has wine occasionally, Alec can outdrink a frat house. Samuel struggles with public speaking, Alec considers the world his stage. Samuel wears tweed, and it's a good day if Alec wears pants. When Alec's visa expires before a job opens at the university, the least likely person in the world suddenly holds the solution to his

problem. What's a green card marriage between coworkers, right? Sam and Alec mix like oil and water, like encyclopedias and nudie mags, like tweed jackets and neon pants. Therapy doesn't help, living together through arguments suck, and faking it long enough for a green card to come seems impossible. All Samuel has ever wanted is a husband and partner to spend forever with, but wild child Alec seems determined to keep barriers up between them, even as the deadline for the green card draws near. Is a shared love of piña coladas and unexpectedly intimate moments caught in the rain enough to keep the odd couple together when their differences seem too much to overcome and outside forces are working to tear them apart?

Copilots, Duties, and Piña Coladas Anthony S. Colucci, 2010 Teachers, are you looking for another research-based textbook that was written by some scholar who works far from a real classroom? If that's what you're yearning for, put this book down and keep looking. Copilots, Duties, and Pina Coladas is a one of a kind, witty, and practical book about how to be a great teacher. As you read it, you'll find yourself laughing, crying and perhaps doing both at the same time. Anthony S. Colucci skillfully weaves tongue in cheek humor with his experiences as a troubled student and a passionate teacher to motivate, invigorate and rejuvenate teachers

Pina Bausch Marion Meyer, 2017-03-30 The first-ever biography in English of Pina Bausch: perhaps the most influential performer and choreographer of the 20th century. Meyer has written an accessible, readable account, with a clear journalistic approach that penetrates the mystique and mythology surrounding Pina's life. Bausch was notoriously shy of discussing her work, yet Meyer's research is

underpinned by several quotes from Pina herself, as well as members of her ensemble. As well as illuminating her personal life and her work ethic, it also takes stock of Bausch's legacy and the future for the Tanztheater Wuppertal, the Company she created.

Pina Titaua Peu, 2022-07-05 Winner of the 2017 Eugène Ionesco Prize Winner of the 2019 French Voices Grand Prize From award-winning Tahitian author Titaua Peu comes *Pina*, a devastating novel about a family torn apart by secrets and the legacy of colonialism, held together by nine-year-old Pina, a girl shouldering the immeasurable weight of her family's traumas. Far from Tahiti's postcard-perfect beaches, Ma and Auguste and five of their nine children live a hand-to-mouth life in destitute, run-down Tenaho. Nine-year-old Pina, abused and neglected in equal measure, is the keeper of her family's secrets, though the weight of this knowledge soon proves to be a burden no child could ever bear. A victim of her father's alcoholic rages and the object of her mother's anger and indifference, Pina protects her younger sister, Moïra, as best she can, but a tragic accident upsets the precarious equilibrium of the family, setting them on a path to destruction. The fault lines of her family, descendants of Ma'ohi warriors who once fended off European settlers, begin to shift and crack open, laying bare how the past shapes and haunts the present: her brother Pauro falls in love with a Frenchman, her sister Rosa sinks into sexual exploitation as a futile means of escape, her eldest brother August Junior's addictions and temper may lead him into ruin, and Hannah, the oldest daughter who had escaped to France, is beckoned back home, fearing the worst. Elegantly translated from the French by Jeffrey Zuckerman, *Pina* introduces a bold and profoundly humane anticolonial writer. It's a gut punch of a novel that traces the history of a family, an island, and a

people, reaching back to a time before colonial rule and stretching into an imagined, hopeful future of independence and autonomy, offering the promise of redemption.

Pina, the Many-eyed Fruit Opal Palmer Adisa, 1985

Pina Bausch Royd Climenhaga, 2018-06-13 This newly-updated second edition explores Pina Bausch's work and methods by combining interviews, first-hand accounts, and practical exercises from her developmental process for students of both dance and theatre. This comprehensive overview of her work offers new and exciting insight into the theatrical approach of a singular performance practitioner. This is an essential introduction to the life and work of one of the most significant choreographers/directors of the twentieth and twenty-first centuries. As a first step towards critical understanding, and as an initial exploration before going on to further, primary research, Routledge Performance Practitioners offer unbeatable value for today's student.

Fred the Super Saves the Mangroves Pina Basone, 2021-05-03

The Pina Bausch Sourcebook Royd Climenhaga, 2013 Pina Bausch's work has had tremendous impact across the spectrum of late twentieth-century performance practice. It helped to redefine the possibilities of what both dance and theater can be. This edited collection presents a compendium of source material combined with contextual essays that serve as a base for the study of Pina Bausch's performance work. Edited by a renowned Bausch expert, Royd Climenhaga, it promises to help to open up Bausch's performative world for students, scholars and practitioners alike.

Pina Bausch - Wuppertal Dance Theater Or The Art of Training a Goldfish Norbert Servos, 1996-10

Pina Bausch's Aggressive Tenderness Telory D. Arendell, 2019-11-12 Pina Bausch's Aggressive Tenderness: Repurposing Theater through Dance maps Bausch's pieces alongside methodologies of key theater and film practitioners. This book includes discussion of a variety of Bausch pieces, including *Sacre du Printemps* (Rite of Spring 1975), *Kontakthof* (Meeting Place 1978), *Café Müller* (Café Mueller 1978), *Nelken* (Carnations 1982), *Arien* (Arias 1985), and *Vollmond* (Full Moon 2006). Beginning with her approach as one avenue of dance dramaturgy, the author connects the content expressed in these pieces with theoretical conversations, works from other artists inspired by Bausch, and her own experiences, providing an examination that is both academic and personally insightful. Arendell reads all of these theatrical and film approaches into Bausch's work to highlight how the time frame involves a cross-pollination between Bausch and the other artists that looks both backward and forward in its influences. Ideal for students of dance and theater, Pina Bausch's Aggressive Tenderness shows how Bausch's Tanztheater speaks a kinaesthetic language, one that Arendell translates into a somaesthetic exploration to pair a repurposed body ethic with movements that present new forms of embodiment.

Inheriting Dance Marc Wagenbach, Pina Bausch Foundation, 2014-06-30 »Inheriting Dance. An Invitation from Pina« sets out at the historical moment we found ourselves in after the passing of Pina Bausch. The Pina Bausch Foundation started their work of carrying the artistic heritage of dancer and choreographer Pina Bausch into the future. This book reflects discussions and questions aroused by her work: How to archive dance? How to deal with the performative heritage at the outset of the 21st century? How to describe the performativity of remembering? And finally, what is the task of an archive

for tomorrow, an archive to serve as a workshop for the future? Furthermore, »Inheriting Dance« provides profound insight into the practical work of the Pina Bausch Foundation, on a local, national and global level, aiming at an archive as a place of transformation, exchange, creative production, and artistic practice, similar to an abundantly growing garden. A place for future generations of dancers, artists, non-professionals, and scholars. Contributions by Salomon Bausch, Stephan Brinkmann, Royd Climenhaga, Katharina Kelter, Gabriele Klein, Sharon Lehner, Keziah Claudine Nanevie, Linda Seljimi, Bernhard Thull, Michelle Urban and Marc Wagenbach.

Pina Bausch's Dance Theater Gabriele Klein, 2020-05-31 This volume provides new, ground-breaking perspectives on the globally renowned work of the Tanztheater Wuppertal and its iconic founder and artistic director, Pina Bausch. The company's performances, how it developed its productions, the global transfer of its choreographic material and the reactions of audiences and critics are explained as complex, interdependent and reciprocal processes of translation. This is the first book to focus on the artistic research conducted for the Tanztheater's international coproductions and features extensive interviews with dancers, collaborators and spectators and provides first-hand ethnographic insights into the work process. By introducing the praxeology of translation as a key methodological concept for dance research, Gabriele Klein argues that Pina Bausch's lasting legacy is defined by an entanglement of temporalities that challenges the notion of contemporaneity.

Bliss Gabrielle Pina, 2002 Francesca Valentine was one of the most talented violinists in the world, and had lived in Tuscany and Paris, dining and performing to the rich and the powerful. Claudine Jenkins was

a girl with a dream, born to an insensitive and problematic family that didn't appreciate her talent. All that would soon change... Feared and adored for her exotic beauty, Hattie Mae Jones was enigmatic to say the least, but when her dark past threatened to destroy her plans for the future, she became determined to have her way. Would she go as far as committing murder?

Pina Titaua Peu, 2016 K.O. 2 e round. Avec « Mutismes » finalement, Titaua Peu ne faisait qu'entrouvrir la porte pour dénoncer les silences. Avec « Pina », elle la défonce, la fait claquer, rebondir, résonner avec rage voire colère haineuse et crûment arrache les voiles devant toutes les violences : familiales, sociales, politiques, coloniales. Et elle nous laisse tous K.O. si tant est qu'on « tienne le combat » jusqu'au bout. Pour ce faire en Almodovar de la littérature polynésienne -, l'auteure a choisi une famille qui cumule toutes les misères de cette terre : un couple, Auguste et « Ma » et une famille nombreuse dont trois « absents » parce qu'adoptés il y a longtemps. Pour ceux qui restent, Auguste junior, Hannah, Pauro, Rosa, Pina et Moïra, c'est un destin de « survivant » qui les attend. Survivre aux violences sous toutes ses formes : morales, affectives, sexuelles, sociales, survivre aux abandons, absences, silences, incestes, peurs, dépréciations, exploitations, clichés, désamours, manques, folies... Pour survivre, les amours vraies et les amitiés, celles de la tante Poe et de l'oncle Teanuaua, des amants François, John, Michel, l'intelligence de chacun, le goût d'en sortir, la soif de justice, pas forcément celle des hommes. La question se pose d'ailleurs tout au long du roman au fond - qui survivra ou non et comment ? - avec cette petite phrase qui jalonne toute l'histoire et laisse entendre qu'un petit corps est retrouvé pendu. On se doute assez vite d'ailleurs qu'il s'agit de Pina, petite enfant noire aux cheveux crépus, délaissée. Pina, le pivot et le cœur du roman,

plantée là comme une conscience ignorée, esseulée, bafouée. C'est un livre. Une fiction où tout le monde (Polynésien comme Popaa, locaux comme métro, hommes d'affaires libidineux comme vahiné oubliée de sa dignité, croyant comme athée, anciens comme nouveaux colons) en prend pour son grade. L'écriture simple et directe, très orale souvent, alourdit un peu plus la sentence. Un grand cri de rage trempé dans la sueur, le sang, le sperme et les larmes. Soyons francs : entrer dans les pages vertigineuses d'un Tahiti qu'on ne dit pas ne laissera personne indemne. On aimera, on s'attachera. Ou... on détestera. C'est le risque pris par l'auteur. Un risque qu'elle assume avec insolence bien souvent. Et l'on est en droit de se demander pourquoi ? Quelle urgence ? ... Sans doute il n'y a aucune urgence à étaler les chairs ouvertes. Parfois pourtant, dans des moments salvateurs, mêler les odeurs, les couleurs, les sons si particuliers d'une terre aimée passionnément est le seul exutoire. Pas d'urgence et sous le sable noir, la plage ? Pas d'urgence, simplement le besoin de libérer (de nouveau) une autre parole

How to Cocktail America's Test Kitchen, 2019-10-08 All the kitchen secrets, techniques, recipes, and inspiration you need to craft transcendent cocktails, from essential, canonical classics to imaginative all-new creations from America's Test Kitchen. Cocktail making is part art and part science--just like cooking. The first-ever cocktail book from America's Test Kitchen brings our objective, kitchen-tested and -perfected approach to the craft of making cocktails. You always want your cocktail to be something special--whether you're in the mood for a simple Negroni, a properly muddled Caipirinha, or a big batch of Margaritas or Bloody Marys with friends. After rigorous recipe testing, we're able to reveal not only the ideal ingredient proportions and best mixing technique for each drink, but also how to make homemade tonic for your Gin

and Tonic, and homemade sweet vermouth and cocktail cherries for your Manhattan. And you can't simply quadruple any Margarita recipe and have it turn out right for your group of guests--to serve a crowd, the proportions must change. You can always elevate that big-batch Margarita, though, with our Citrus Rim Salt or Sriracha Rim Salt. How to Cocktail offers 150 recipes that range from classic cocktails to new America's Test Kitchen originals. Our two DIY chapters offer streamlined recipes for making superior versions of cocktail cherries, cocktail onions, flavored syrups, rim salts and sugars, bitters, vermouths, liqueurs, and more. And the final chapter includes a dozen of our test cooks' favorite cocktail-hour snacks. All along the way, we solve practical challenges for the home cook, including how to make an array of cocktails without having to buy lots of expensive bottles, how to use a Boston shaker, what kinds of ice are best and how to make them, and much more.

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, Unleash Courage in **Pina** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
