PIONEER CHRISTMAS Gr. 3-4 Judy Farrell and Georgina Kucherik, 2021-06-04 Stories, activities and historical facts combine to teach children the origins of our present-day customs as they share Christmas with a pioneer family in the 1800s. The stories in this unit are set on a farm near Peterborough, Ontario, in the early 1850s. The italicized text at the beginning of each story gives the history of a specific Christmas custom, and the story itself brings the custom to life in a pioneer setting. Information with related illustrations and follow-up activities are based on these stories: Stir-up Sunday, Christmas Cards, Gift Giving, The Christmas Goose, The Christmas Tree, Decorating & Courtship, and Christmas Day.

In Pioneer Days Gr. 2-4 Ruth Solski, A Terrific Resource for Teaching about Early Settlers. Students will compare a pioneer community to our modern community with 20 information and follow-up worksheets on topics including the early pioneers, farming, food, clothing, travel, and village life. 50 activities in total reinforce skills in reading, word study, writing, phonics, language, and research.

Pioneer Woman Elizabeth Thompson, 1991-03-01 Elizabeth Thompson develops the idea of the pioneer woman as an archetypal character firmly entrenched in Canadian fiction and the Canadian consciousness. Thompson's broad definition of the concept of pioneer can be seen to reflect the history of Canadian women, starting with the pioneers of settlement and continuing through the pioneers of spiritual perfection and psychological liberation. Various versions of the pioneer woman have appeared in English-Canadian fiction since Traill's development of the character type. Sara Jeannette Duncan's *The Imperialist* and Ralph Connor's *The Man From Glengarry* and *Glengarry School Days* feature pioneer women who cope not only with physical frontiers but also with those grounded in social and personal concerns. More recently, Margaret Laurence used this character type in *The Stone Angel*, *A Jest of God*, and *The Diviners*, with characters who inhabit internal, personal frontiers. Thompson argues that the longevity of this character type in English-Canadian fiction reveals an affinity between the pioneer woman and a common conception of the role of women in Canadian society. She suggests that the role for women proposed by the early immigrants was an appropriate choice for the Canadian frontier, regardless of the location and nature of that frontier.

A Woman's Story of Pioneer Illinois Christiana Holmes Tillson, 1995
Christiana and John Tillson moved from Massachusetts to central Illinois in 1822. Upon arriving in Montgomery County near what would soon be Hillsboro, they set up a general store and real estate business and began to raise a family. A half century later, in 1870, Christiana Tillson wrote about her early days in Illinois in a memoir published by R. R. Donnelley in 1919. The Tillsons lived quite ordinary lives in extraordinary times, notes Kay J. Carr, introducing this edition. They moved west and prospered in the land business at a time when America was being transformed from a rural, agricultural country into an urban, industrial nation. Their views and sensibilities, Carr says, might seem strange to us, but they were entirely normal to people in the early nineteenth century. Thus Tillson's memoir provides fascinating but believable snapshots of ordinary nineteenth-century American life.

After all, his kind raided her tribe, killed her loved ones, and stole her freedom. If it weren't for the contractions, she would've already left her intoxicated groom. But until the baby is born, Lokni must bide her time and plan her escape. As the unlikely couple embarks across the untamed West, Brandon's support helps their friendship to blossom. They start to realize that it's more than the baby that draws them together.
