The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place – while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans – and the love they hold for each other.

Providence John Piper, 2021-02-09 New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is God's purposeful sovereignty. Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is

the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

Piper Jay Asher, Jessica Freeburg, 2017-10-31 #1 international bestselling author of *Thirteen Reasons Why* Jay Asher and co-author Jessica Freeburg brilliantly reimagine the classic Pied Piper legend as a powerful graphic novel about loneliness, love, and vengeance. Fans of Neil Gaiman and *Through the Woods* by Emily Carroll will devour this eerie, atmospheric retelling. “A moving graphic novel about isolation, love, and retribution, this dark version of a familiar tale will remain with readers long after the last page is turned.”—School Library Journal Long ago, in a small village in the middle of a deep, dark forest, there lived a lonely, deaf girl named Maggie. Shunned by her village because of her disability, her only comfort comes from her vivid imagination. Maggie has a gift for inventing stories and dreams of one day finding her fairy-tale love. When Maggie meets the mysterious Piper, it

seems that all her wishes are coming true. Spellbound, Maggie falls hard for him and plunges headfirst into his magical world. But as she grows closer to the Piper, Maggie discovers that he has a dark side. The boy of Maggie's dreams might just turn out to be her worst nightmare... With striking illustrations from Eisner-nominated artist Jeff Stokely, mixed with Jessica Freeburg's work on historic and legendary horrors, Piper is an exciting new departure for Jay Asher that deftly touches on the same themes of truth, guilt, and redemption that made *Thirteen Reasons Why* a beloved bestseller.

Book Was There Andrew Piper, 2012-10-12 Andrew Piper grew up liking books and loving computers. While occasionally burying his nose in books, he was going to computer camp, programming his Radio Shack TRS-80, and playing Pong. His eventual love of reading made him a historian of the book and a connoisseur of print, but as a card-carrying member of the first digital generation—and the father of two digital natives—he understands that we live in electronic times. *Book Was There* is Piper's surprising and always entertaining essay on reading in an e-reader world. Much ink has been spilled lamenting or championing the decline of printed books, but Piper shows that the rich history of reading itself offers unexpected clues to what lies in store for books, print or digital. From medieval manuscript books to today's playable media and interactive urban fictions, Piper explores the manifold ways that physical media have shaped how we read, while also observing his own children as they face the struggles and triumphs of learning to read. In

doing so, he uncovers the intimate connections we develop with our reading materials—how we hold them, look at them, share them, play with them, and even where we read them—and shows how reading is interwoven with our experiences in life. Piper reveals that reading's many identities, past and present, on page and on screen, are the key to helping us understand the kind of reading we care about and how new technologies will—and will not—change old habits. Contending that our experience of reading belies naive generalizations about the future of books, *Book Was There* is an elegantly argued and thoroughly up-to-date tribute to the endurance of books in our ever-evolving digital world.

The Piper Danny Weston, 2014-10-02 He who pays the piper calls the tune. When Peter and his little sister, Daisy, are evacuated from London to the countryside, they find themselves on an isolated farm in the middle of a treacherous marshland. As Daisy gets drawn deeper into the secrets of their new home, Peter starts to realise that something very sinister is going on. What is that music they can hear at night? And who are the children dancing to it?

Piper Lynn Hightower, 2013-04-01 In this bone-chilling tale of terror from Shamus Award-winning thriller writer Lynn Hightower, a devoted mother must confront the paranormal forces that have cursed her family When Olivia James receives a phone call just after midnight, she recognizes her brother's voice. But there's a problem: her brother has been dead for the past nine

weeks. Moving back to her old childhood home in Tennessee – the place where her brother has just died – her young daughter Teddy seems troubled, telling her mother that she's being visited by a menacing ghost. When another tragic death occurs and her daughter disappears, Olivia must confront the demonic force that has cursed her family.

The Pied Piper Ridley Pearson, 2012-08-14 A wave of babynappings has terrified parents from San Diego to Portland. And when the Pied Piper--named for the penny flute he leaves in the cribs of his victims--claims his first Seattle infant, the investigation draws in homicide detective Lou Boldt. Assigned temporarily to Intelligence so he can spend more time with his kids while his wife is hospitalized for chemotherapy, Boldt's role is to keep the FBI out of the Seattle Police Department's way. But FBI special agent Gary Flemming is a tough adversary--so tough it almost seems as if he's intentionally sabotaging the SPD's investigation. Then the Pied Piper snatches Boldt's own daughter, promising that unless Boldt throws both the Feds and the SPD off his trail he'll never see his child again. Caught between his professional obligations and his fear for Sarah's life, Boldt launches his own private manhunt with the help of John La Moia, his replacement in homicide, and police psychologist Daphne Matthews, his closest friend in the department. They form a sub rosa task force under the noses of the Feds and the SPD, and soon discover how the Piper has managed to stay a step ahead of the police, elude capture, and find his small victims. The

chase moves from Seattle to Portland to New Orleans, culminating in a thrilling denouement in the daffodil fields of Washington's Skagit Valley. Combining strong characterizations with an impressive command of both policing and pacing, Ridley Pearson, author of Chain of Evidence and Beyond Recognition, delivers another sure winner in this outing for Lou Boldt. -- Jane Adams

The Piper Ben Miller, 2017-06-22 In Boston an assailant immobilized a sleep-deprived young mother, blinded her with a black hood, and stole her infant son. When a second abduction occurs in an identical fashion, the media dubs this terrifying perpetrator The Piper after the Pied Piper of Northern European folk legend. Stumped by these mysterious kidnappings-with no witnesses, no leads, no ransom, and no sign of the missing babies-local authorities reach out to Special Agent Jackson Byrne and his FBI team specializing in child abduction. As Jack becomes embroiled in the child abduction case, he tries to prepare himself and his anxiety-riddled family for the trial of his most sensationalized criminal ever, the Playground Predator. Through themes of loss and grief, retribution and repentance, The Piper follows both the Playground Predator trial and the Piper's infant abductions as each story fervently races to its unforgettable climax. [A] a piece that employs deep psychological intrigue and tension to power its saga of loss and survival... The Piper provides a compelling, absorbing story right up to its unexpected conclusion. -- D. Donovan, Senior Reviewer,

Midwest Book Review

The Piper's Pursuit Melanie Dickerson, 2019-12-03 A fairy-tale journey of intrigue and romance that reimagines the classic Pied Piper story. A plague of rats. A giant beast outside the village walls. A host of missing children. And one young woman determined to save her people. In 1424 Hamlin, Katerina faces threats from all sides. An outbreak of rats has overtaken the village, a mysterious beast is on a killing rampage of the village's children, and Katerina's evil stepfather is a dark presence inside the walls of her own home. Katerina is determined to hunt and kill the Beast of Hamlin herself before more lives are lost. When Steffan, the handsome but brash duke's son, comes to town seeking glory and reward, Katerina decides he might be the ally she's been looking for—even though the only gentle thing about him seems to be the sweet music he plays on his pipe. But there's more to Steffan than she suspects, and she finds herself drawn to him despite her misgivings. Together Katerina and Steffan must stop the enemy from stealing the children of Hamlin. But their interference might create an even worse fate for the entire village. Praise for *The Piper's Pursuit* "The Piper's Pursuit is a lovely tale of adventure, romance, and redemption. Kat and Steffan's righteous quest will have you rooting them on until the very satisfying end!" –LORIE LANGDON, author of *Olivia Twist* and the *DOON* series Full length clean fairy tale reimagining Includes discussion questions for book clubs

Protecting Piper Cynthia Eden, 2019-01-29 A sizzling, free series starter! Don't miss this best friend's older brother, super protective hero romance. She was off-limits. Eric Wilde has always known that Piper Lane isn't for him. She is his younger brother's best friend...and probably more. But that hasn't stopped Eric from wanting her, from longing for the one woman that he can't have. Sure, he's rich, successful—he's built a security empire, and he's got the world at his feet. Only he doesn't have her. He is the one man she needs the most. Free-spirited Piper Lane has always considered Eric to be the enemy. He's seemed to resent her, and the guy just flat-out makes her nervous. Every time she's around him, she winds up doing something horribly embarrassing. But, this time...everything has changed. This time, he's the one man she needs the most. Something is stalking Piper. A stranger has broken into Piper's home twice, and she feels like someone is following her. Watching her every move. She needs a professional to help her—so enter Eric Wilde. He promises her protection, he promises to put his best investigators on her case, and he even moves her into his house. Suddenly, the guy who has always been the villain in her life...he's now playing the role of hero. Everything will change as the danger mounts. And maybe Eric isn't so bad, after all. The more time that Piper spends with him, the more she realizes that her feelings for Eric are far more complicated than she ever imagined. Desire explodes between them even as the danger deepens around her. Someone in the dark is targeting Piper, and he is determined that if he can't possess

her...then he will destroy her. PROTECTING PIPER...a sizzling new romance from New York Times and USA Today best-selling author Cynthia Eden.
