Normal Price $47.50I have had this book for just over a week. We have been going through the book and enjoying it. As I stated in my previous review, I enjoy the variety of projects. This book includes Legos, cross-stitch, pixel art, bead-art, the beads you iron together, and other crafts. Each chapter discusses a new usage of pixels using a variety of educational resources from math, history, English, art just to name a few.
