Playing House Ruby Lang, 2019-08-12 "Playing House is relatable, heartwarming, and oh so sexy. I zoomed through this thoughtful and joyful story about two people finding themselves and each other." —Jasmine Guillory, New York Times bestselling author of *The Wedding Date* and *The Proposal* Romance blossoms between two city planners posing as newlyweds in this first in a bright new series by acclaimed author Ruby Lang The last thing Oliver Huang expects to see on the historic Mount Morris home tour is longtime acquaintance Fay Liu bustling up and kissing him hello. He's happy to playact being a couple to save her from a pushy admirer. Fay's beautiful, successful and smart, and if he's being honest, Oliver has always had a bit of a thing for her. Maybe more than a bit. Geeking out over architectural details is Oliver and Fay's shared love language, and soon they're touring pricey real estate across Upper Manhattan as the terribly faux but terribly charming couple Darling and Olly. For the first time since being laid off from the job he loved, Oliver has something to look forward to. And for the first time since her divorce, Fay's having fun. Somewhere between the light-filled living rooms and spacious closets they've explored, this faux relationship just may have sparked some very real feelings. For Oliver and Fay, home truly is where their hearts are. One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

Playing House Ellis O. Day, 2020-04-03 Nick is not a patient man. He wants a life with Sarah. Marriage. Kids. Everything. But she keeps dragging her feet. No wedding date set and every time he mentions kids, she panics. Sarah wants to marry Nick but she knows how quickly life can change for the worse. Watching her friend's kids for the weekend is the perfect opportunity to teach Nick that having kids isn't just playing video games and eating popcorn. It's a lot of work. But Nick has his own plans. He's going to use this weekend to show Sarah that having kids, now, is a

great idea. Will Nick realize that kids are more work than fun or will Sarah finally be able to bury her past and take a chance on her future?

Playing House Lauren Slater, 2015-07-14 Acclaimed author Lauren Slater ruminates on what it means to be family. Lauren Slater's rocky childhood left her cold to the idea of ever creating a family of her own, but a husband, two dogs, two children, and three houses later, she came around to the challenges, trials, and unexpected rewards of playing house. In these autobiographical pieces, Slater presents snapshots of domestic life, populating them with the gritty details and jarring realities of sharing home, life, and body in the curious institution called "family." She asks difficult questions and probes unsettling truths about sex, love, and parenting. In these pages, Slater introduces us to her struggles with her mother, her determination to make a home of her own, her compromises in deciding to marry (her conflicts manifesting as an affair on the eve of her wedding), her initial struggle to connect with her newborn child, and the dilemmas of mothering with a mental illness. She writes openly about her decision to abort her second pregnancy and her later decision to have a second child after all. She tells us about the searing decision to have elective double mastectomy and how her love for her husband was magically rekindled after she saw him catch fire in a chemical accident. It's not all mastectomies and chemical fires, though. Slater digs into the everyday challenges of family living, from buying a lemon of a car and fighting back menacing weeds to gaining weight and being jealous of the nanny. Beautifully written, often humorous, and always revealing, these stories scrutinize the complex questions surrounding family life, offering up sometimes uncomfortable truths.

Playing Against the House James D. Walsh, 2016-02-16 Salting is a simple concept: get hired at a non-union company, do the job you were hired to do, and, with the help of organizers on the outside, unionize your coworkers from the inside. James Walsh

spent almost three years as a 'salt' in two casinos in South Florida, working as a buffet server and a bartender. Neither his employers at the casinos nor the union knew about Walsh's intentions to write about his experience. Now he reveals little-known truths about how unions fight to organize workers in the service industries, the vigorous corporate opposition [that can be] against them, and how workers are caught in the battle--

Playing at Home Gill Perry, 2013-11-15 Art Since the '80s, a new series from Reaktion Books, seeks to offer compelling surveys of popular themes in contemporary art. In the first book in the series, Gill Perry reveals how the house and the idea of home have inspired a range of imaginative and playful works by artists across the globe. Exploring how artists have engaged with this theme in different contexts—from mobile homes and beach houses to haunted houses and broken homes—*Playing at Home* shows that our relationship with houses involves complex responses in which gender, race, class, and status overlap, and that through these relationships we turn a house into a home. Perry looks at the works of numerous artists, including Tracey Emin, Rachel Whiteread, Michael Landy, Mike Kelley, and Peter Garfield, as well as the work of artists who travel across continents and see home as a shifting notion, such as Do-Ho-Suh and Song Dong. She also engages with the work of philosophers and cultural theorists from Walter Benjamin and Gaston Bachelard to Johan Huizinga and Henri Lefebvre, who inform our understanding of living and dwelling. Ultimately, she argues that irony, parody, and play are equally important in our interpretations of these works on the home. With over one hundred images, *Playing at Home* covers a wide range of art and media in a fascinating look at why there's no place like home.

Playing House Patricia Pearson, 2010-08-06 Somewhere between single girl Bridget Jones and working mother Kate Reddy is Frannie MacKenzie -- baffled, beleaguered and undeniably pregnant. The one thought blazing through Frannie's formerly

trendy, savvy, sharp-tongued New York brain is that she wants to keep this baby -- despite her ultra-small apartment and not being completely sure how to spell the father's name. Being pregnant is so out of character: how will she break it to her boss, her mother, let alone the father, Calvin Puddie (or is it Pudhey)? Frannie's problems multiply as she dives headlong into one hilarious complication after another: from being banned from the U.S. and marooned in Toronto, to actually falling in love with her baby's father. "You don't find the one, do you?" Frannie muses. "The best one, the Perfect One. You just keep running like Wil E. Coyote, until all of a sudden you're off the cliff. You fall into your life with the man who is running beside you." In *Playing House*, Patricia Pearson has written a witty, heart-touching look at falling by accident into life's most profound commitment. She deftly captures the self-doubt, messy bodily fluids and inconceivable love that accompany being a mother, and the trepidation and joy with which two people step across the threshold of parenthood and into a realm that is at once alien and completely right.

Playing House Amy Andrews, 2018-02-12 Eleanor is content with her boring life—mostly. She's even fine being the quirky sister in a bevy of beauties. So imagine her surprise when one of her brother's Sydney Smoke mates hits on her at an engagement party. Her. The weird sister, who wears vintage dresses and prefers her books to parties. Bodie is shocked the next morning to find the soft, sexy virgin who seduced him with corsets is his best friend's little sister. If he could kick his own ass, he would. And two months later, she's got an even bigger surprise for him. Now he needs to convince the corset-loving wallflower that he loves her uniqueness if they've got a chance at forever. He always did love a challenge... Each book in the Sydney Smoke Rugby series is STANDALONE: * *Playing By Her Rules* * *Playing It Cool* * *Playing the Player* * *Playing With Forever* * *Playing House* * *Playing Dirty* * *Playing It Safe* * *Playing It Tough*

Playing House in the American West Cathryn

Halverson,2013-11-26 Examining an eclectic group of western women's autobiographical texts—canonical and otherwise—*Playing House in the American West* argues for a distinct regional literary tradition characterized by strategic representations of unconventional domestic life. The controlling metaphor Cathryn Halverson uses in her engrossing study is “playing house.” From Caroline Kirkland and Laura Ingalls Wilder to Willa Cather and Marilynne Robinson, from the mid-nineteenth to the late-twentieth centuries, western authors have persistently embraced wayward or eccentric housekeeping to prove a woman's difference from western neighbors and eastern readers alike. The readings in *Playing House* investigate the surprising textual ends to which westerners turn the familiar terrain of the home: evaluating community; arguing for different conceptions of race and class; and perhaps most especially, resisting traditional gender roles. Western women writers, Halverson argues, render the home as a stage for autonomy, resistance, and imagination rather than as a site of sacrifice and obligation. The western women examined in *Playing House in the American West* are promoted and read as representatives of a region, as insiders offering views of distant and intriguing ways of life, even as they conceive of themselves as outsiders. By playing with domestic conventions, they recast the region they describe, portraying the West as a place that fosters female agency, individuality, and subjectivity.

Playing House in Provence Mary-Lou Weisman,2017-08-29
Author Mary-Lou Weisman and her husband, Larry, didn't want to tour a foreign country; they wanted to become part of it. They were eager to pierce the tourist veil, and get as close to the essence of the culture as they could. No more observing from the outside with their noses pressed to the glass. They yearned for someone to open the door and invite them to step right in and make themselves at home. They wanted to become so French that even Americans wouldn't like them. In September of 2003, the

Weismans arrived in Provence, France, for the first of four, monthlong stays. *Playing House in Provence* follows them on their sometimes wonderful, sometimes humiliating, always playful pursuit, as they learn that feeling disoriented and stupid on a daily basis can be fun. So can looking up French words they need to ask for directions—où est la pharmacie—only to realize there's pas une chance they will understand the answer. "Funnier, smarter, and more wickedly honest than any memoir about Provence." —Sybil Steinberg Contributing Editor, *Publishers Weekly*

The House Advantage Jeffrey Ma, 2012-02-14 As part of the notorious MIT Team depicted in Ben Mezrich's now classic *Bringing Down the House*, Jeff Ma used math and statistics to master the game of blackjack and reap handsome rewards at casinos. Years later, Ma has inspired not only a bestselling novel and hit movie, but has also started three different companies—the latest of

which, Citizen Sports, is an innovative marriage of sports, betting, and digital technology—and launched a successful corporate speaking career. The House Advantage reveals Ma's cutting-edge mathematical insights into the world of statistics and makes them applicable to a wide business audience. He argues that numbers are the key to analyzing nearly everything in the world of business, from how to spot and profit from global market inefficiencies to having multiple backup plans in anticipation of every probability. Ma's stories and business lessons are as intriguing as they are universally applicable.

House of Music Kadiatu Kanneh-Mason, 2020-09-03 WINNER OF THE ROYAL PHILHARMONIC SOCIETY STORYTELLING AWARD 2021 'Riveting, taking in prejudice as well as sacrifice. There are 4.30am starts, lost instruments, fractured wrists, all captured with vivid flourishes. A paean to camaraderie.' Observer Seven brothers and sisters. All of them classically trained musicians. One was Young Musician of the Year and performed for the royal family. The eldest has released her first album, showcasing the works of Clara Schumann. These siblings don't come from the rarefied environment of elite music schools, but from a state comprehensive in Nottingham. How did they do it? Their mother, Kadiatu Kanneh-Mason, opens up about what it takes to raise a musical family in a Britain divided by class and race. What comes out is a beautiful and heartrending memoir of the power of determination, camaraderie and a lot of hard work. The Kanneh-Masons are a remarkable family. But what truly sparkles in this eloquent memoir is the joyous affirmation that children are a gift and we must do all we can to nurture them.

Playing to Win Karen Deans, 2021-01-05 A new and updated edition of the picture book about the woman called The Jackie Robinson of tennis. Although stars like Serena Williams cite Althea Gibson as an inspiration, Gibson's story is not well-known to many young people today. Growing up tough and rebellious in Harlem,

Althea took that fighting attitude and used it to go after her goals of being a tennis champion, and a time when tennis was a game played mostly by wealthy white people in country clubs that excluded African Americans. In 1956, she became the first Black American to win a major championship when she won at The French Open. When she won the celebrated Wimbledon tournament the following year, Gibson shook hands with the Queen of England. Not bad for a kid from the streets of Harlem. With determination and undeniable skill, Althea Gibson become a barrier-breaking, record-setting, and world-famous sportswoman. This new and updated edition of this inspirational biography contains recent information on the impact of Gibson's legacy.

A Doll's House Henrik Ibsen, 2023-08-31 A Doll's House by Henrik Ibsen is a three-act play written by Norwegian playwright Henrik Ibsen. It premiered at the Royal Theatre in Copenhagen, Denmark, on 21 December 1879, having been published earlier that month. The play is set in a Norwegian town circa 1879. The play concerns the fate of a married woman, who at the time in Norway lacked reasonable opportunities for self-fulfillment in a male-dominated world, despite the fact that Ibsen denied it was his intent to write a feminist play. It was a great sensation at the time, and caused a storm of outraged controversy that went beyond the theatre to the world of newspapers and society. Synopsis: The play opens at Christmas time as Nora Helmer enters her home carrying many packages. Nora's husband Torvald is working in his study when she arrives. He playfully rebukes her for spending so much money on Christmas gifts, calling her his little squirrel. He teases her about how the previous year she had spent weeks making gifts and ornaments by hand because money was scarce. This year Torvald is due a promotion at the bank where he works, so Nora feels that they can let themselves go a little. The maid announces two visitors: Mrs. Kristine Linde, an old friend of Nora's, who has come seeking employment; and Dr. Rank, a close friend of the family, who is let into the study. Kristine has had a

difficult few years, ever since her husband died leaving her with no money or children. Nora says that things have not been easy for them either: Torvald became sick, and they had to travel to Italy so he could recover. Kristine explains that when her mother was ill she had to take care of her brothers, but now that they are grown she feels her life is unspeakably empty. Nora promises to talk to Torvald about finding her a job. Kristine gently tells Nora that she is like a child. Nora is offended, so she tells her that she got money from some admirer so they could travel to Italy to improve Torvald's health. She told Torvald that her father gave her the money, but in fact she illegally borrowed it without his knowledge (women were forbidden from conducting financial activities such as signing checks without a man's endorsement). Since then, she has been secretly working and saving up to pay off the loan. Krogstad, a lower-level employee at Torvald's bank, arrives and goes into the study. Nora is clearly uneasy when she sees him. Dr. Rank leaves the study and mentions that he feels wretched, though like everyone he wants to go on living. In contrast to his physical illness, he says that the man in the study, Krogstad, is morally diseased.

Critical Play Mary Flanagan, 2013-02-08 An examination of subversive games like *The Sims*—games designed for political, aesthetic, and social critique. For many players, games are entertainment, diversion, relaxation, fantasy. But what if certain games were something more than this, providing not only outlets for entertainment but a means for creative expression, instruments for conceptual thinking, or tools for social change? In *Critical Play*, artist and game designer Mary Flanagan examines alternative games—games that challenge the accepted norms embedded within the gaming industry—and argues that games designed by artists and activists are reshaping everyday game culture. Flanagan provides a lively historical context for critical play through twentieth-century art movements, connecting subversive game design to subversive art: her examples of

“playing house” include Dadaist puppet shows and The Sims. She looks at artists’ alternative computer-based games and explores games for change, considering the way activist concerns—including worldwide poverty and AIDS—can be incorporated into game design. Arguing that this kind of conscious practice—which now constitutes the avant-garde of the computer game medium—can inspire new working methods for designers, Flanagan offers a model for designing that will encourage the subversion of popular gaming tropes through new styles of game making, and proposes a theory of alternate game design that focuses on the reworking of contemporary popular game practices.

Playing House Patricia Pearson, 2009-10-13 A stunning debut from the newest author to join the ranks in Avon Trade Fiction, award-winning journalist Patricia Pearson Frannie MacKenzie, a 30-something New Yorker, suspects she is pregnant when a rather unexpected bout of morning sickness occurs directly upon a sweater display at The Gap. With nothing else to do but gestate, Frannie decides to deal with father- (but-not-husband-) to-be Calvin, an “experimental” musician. Frannie and Calvin embark on a very wild ride that involves tuna helper, maternity bra shopping, flying Barbies, and more than a few spoon-playing musicians. Oh, and along the way, they have a baby and fall in love.
