**The Bees** Laline Paull,2014-05-06 The Handmaid's Tale meets The Hunger Games in this brilliantly imagined debut set in an ancient culture where only the queen may breed and deformity means death. Flora 717 is a sanitation worker, a member of the lowest caste in her orchard hive where work and sacrifice are the highest virtues and worship of the beloved Queen the only religion. But Flora is not like other bees. With circumstances threatening the hive's survival, her curiosity is regarded as a dangerous flaw but her courage and strength are an asset. She is allowed to feed the newborns in the royal nursery and then to become a forager, flying alone and free to collect pollen. She also finds her way into the Queen's inner sanctum, where she discovers mysteries about the hive that are both profound and ominous. But when Flora breaks the most sacred law of all--daring to challenge the Queen's fertility--enemies abound, from the fearsome fertility police who enforce the strict social hierarchy to the high priestesses jealously wedded to power. Her deepest instincts to serve and sacrifice are now overshadowed by an even deeper desire, a fierce maternal love that will bring her into conflict with her conscience, her heart, her society--and lead her to unthinkable deeds. Thrilling, suspenseful and spectacularly imaginative, The Bees gives us a dazzling young heroine and will change forever the way you look at the world outside your window.

**Pod** Laline Paull,2023-02-07 An astonishing and immersive new novel, Pod takes the reader into the depths of the ocean--and into the world of its fascinating inhabitants--through the eyes of the beautiful Ea, a spinner dolphin. Laline Paull returns with an immersive and transformative new novel of an ocean world--its extraordinary creatures, mysteries, and mythologies--that is increasingly haunted by the cruelty and ignorance of the human race. Ea has always felt like an outsider. As a spinner dolphin who has recently come of age, she's now expected to join in the elaborate rituals that unite her pod. But Ea suffers from a type of deafness that prevents her from mastering the art of spinning. When catastrophe befalls her family and Ea knows she is partly to blame, she decides to make the ultimate sacrifice and leave the pod. As Ea ventures into the vast, she discovers dangers everywhere, from lurking predators to strange objects floating in the water. Not to mention the ocean itself seems to be changing; creatures are mutating, demonic noises pierce the depths, whole species of fish disappear into the sky above. Just as she is coming to terms with her solitude, a chance encounter with a group of arrogant bottlenoses will irrevocably alter the course of her life. In her terrifying, propulsive novel, Laline Paull explores the true meaning of family, belonging, sacrifice--the harmony and tragedy of the pod--within an ocean that is no longer the sanctuary it once was, and which reflects a world all too recognizable to our own.

**POD** Stephen Wallenfels,2011-08-01 POD is the story of a global cataclysmic event, told from the viewpoints of Megs, a twelve-year-old streetwise girl trapped in a hotel parking garage in Los Angeles, and sixteen-year-old Josh, who is stuck in a house in Prosser, Washington, with his increasingly obsessive-compulsive father. Food and water and time are running out. Will Megs survive long enough to find her mother? Will Josh and his father survive each other?

The P.O.D.'s Conspiracy Kishen B. Jackson,2006-10-25 The Father said that the law was necessary; the Gifted One questioned its validity. The Father's character has been called into question; his right to rule has been challenged. Is it true what some are saying about him? Is he truly a tyrant, or is there some other agenda? How can the Father prove otherwise without taking away the right to choose? Will the accusations of a powerful angel bring down the government of love or will the character of the Father be strong enough to prove the truth and expose once and for all, the P.O.D.'s conspiracy?

Too bad Josh doesn't know Cynthia has planned all along to throw him back. Too bad Cynthia doesn't know who will be there to rescue him when she does. Then again, no one knew the Pod was there to begin with, and the Pod has been waiting for someone for a long time. Rick Higginson describes himself as a Christian Sci-Fi writer who is also an incurable romantic. He was raised in a Bible-teaching Baptist church, and attended some contemporary non-denominational churches as an adult before winding up in a Messianic Congregation. The Higginsons currently live in Tucson, Arizona, with several dogs, a couple of cats, a bird, and whatever other creatures might have taken residence since this writing.
