Navigating the C-124 Globemaster Billy D. Higgins,2019-07-26 The C-124 Globemaster--a U.S. military heavy-lift transport in service 1950 through 1974--barreling down a runway was an awesome sight. The aircraft's four 3800 hp piston engines (the largest ever mass-produced), mounted on its 174-foot wingspan, could carry a 69,000-pound payload of tanks, artillery or other cargo, or 200 fully equipped troops, at more than 300 mph. The flight crew, perched three stories above the landing gears in an unpressurized cockpit, relied, like Magellan, on celestial fixes to navigate over oceans. With

a world-wide mission delivering troops and materials to such destinations as the Congo, Vietnam, Thule, Greenland and Antarctica, the Globemaster lived up to its name and was foundational to what Time magazine publisher Henry Luce termed the American Century. Drawing on archives, Air Force bases, libraries and accident sites, and his own recollections as a navigator, the author details Cold War confrontations and consequent strategies that emerged after Douglas Aircraft Company delivered the first C-124A to the Military Air Transport Service in 1949.

124 Main Street Barry Stacks,2012-03-01 As always, Barry's latest book takes place in his hometown, Gloucester, MA. Most of 124 Main Street takes place in and around a pool hall. Although there's no specific times within the events that take place, generally speaking, the story evolves between the late 1950's and the present. The story itself revolves around the lives of four cousins. It is a poignant and moving story of fame and tragedy, of love lost and war, of friendship and murder, and it's a tale of survival. For those readers who are Baby Boomers, the author will take you back to a time when life was not so complicated. Once again, much like his previous work, Barry's vivid imagination will transport the reader into very familiar, and at times very humorous dialogue between himself and two dead guys (Elvis and his brother, Jesse). So, sit back, put your feet up and enjoy the ride.
