I Dream of Popo Livia Blackburne,2021-01-05 From New York Times bestselling author Livia Blackburne and illustrator Julia Kuo, here is *I Dream of Popo*. This delicate, emotionally rich picture book celebrates a special connection that crosses time zones and oceans as Popo and her granddaughter hold each other in their hearts forever. I dream with Popo as she rocks me in her arms. I wave at Popo before I board my flight. I talk to Popo from across the sea. I tell Popo about my adventures. When a young girl and her family emigrate from Taiwan to America, she leaves behind her beloved popo, her grandmother. She misses her popo every day, but even if their visits are fleeting, their love is ever true and strong. A New York Public Library Best Book of 2021 A Booklist Editors' Choice Winner for 2021

Popo and Colors Bella Sou,Ava Sel,2019-04-29 Popo and Colors is the third book in Popo's Series. An incredibly engaging and exciting story, Popo and Colors is a fun way for children to learn about the many different colors through the wonders of the world and the environment.

Paw Paw and the Po-Po Raymond E. Wiggins Sr,2017-08-31 One legend has it that the term PoPo originated in Southern California in the 1980s describing two Police Officers riding side by side on bicycle duty patrolling the beaches with the initials Po, for Police Officer, on their T-shirts, hence, the term PoPo! The term has evolved over time and can refer to only one Officer as well. Whether the legend is true or not, in this Children's Book, my use of the word PoPo is not intended to be degrading nor disrespectful to Law Enforcement. To the contrary, I am using it in a humorous, but respectful, way honoring my son, a Sheriff Deputy, and all those in Law Enforcement who perform their oath with honesty and integrity. Especially do I honor all those Law Enforcement personnel who have given their lives in the line of duty serving our communities.

Popo'S Poems Terence Hosaka, 2017-10-19 Though I am the author of the book of poems, my wife, Jennifer Jill Wootton, is the true sole author of this poem book. Jennifer Jill Wootton passed in August of 2017, struggling from the fight against incurable lung cancer that eventually took her life. But she truly fought the fight with each breath of life to hang on and stay with us. She had the gift of love and forgiveness as her poems made so much sense even though she suffered. To know Jennifer is to love Jennifer my true beauty, as are her poems.

Mimi and Popo Rekha Eipe, 2014-10-06 This book is the answer to the refrain I wish my child would read books instead of watching TV all day. Mimi and Popo is an easy introductory sight reader with flashcards. Sight reading with flashcards is simple and rewarding. Your child does not need to know the alphabet or learn phonetic sounds. All you need to do is show the cards in recommended order and say the word aloud. 10 minutes a day, a few words a week and in no time your child will start enjoying books. Research has shown, that if you can read 25 words, you will be able to read approximately one-third of all printed material in English. 12 of these 25 words can be found in this book. Some children learn at a slower pace than others, so make sure you follow your child's pace. Play games with the flashcards, use them to make sentences, let your child have fun with the set of flashcards and discover the joy of reading his/her very first book.
