Etymological Dictionary of Greek Robert Stephen Paul Beekes,Lucien van Beek,2016-06 A must-have research tool that should be on every classicist's desk. Greek is among the most intensely and widely studied languages known. Since the publication of the last etymological dictionary of Greek, both the reconstruction of Proto-Indo-European, and our knowledge of the Greek substrate have led to numerous, often surprising new insights into the history and formation of the Greek vocabulary. This dictionary is a treasure trove covering 2000 years of Ancient Greek: from Mycenaean via Homer and the classical period to lexicographers, such as Hesychius (5th century A.D.). It at last brings together all new data, resulting in scores of thoroughly revised etymologies. This is a truly indispensable tool for classicists in search of a deeper understanding of the Greek vocabulary, its history and, therewith, a better understanding of the language.

Adversity Creates Purpose Yannik L. Mckie, 2017-08-10 PAIN CAN DEVELOP OR DESTROY... There are certain circumstances, we all go through, that make us doubt God's existence. Situations that make us ask, how could a loving God allow us to live in such a hateful world? Cancer, mass shootings, child molestation, world hunger and many other tragic experiences make us doubt if God exists or at least make us wonder if He cares. I had all of these doubts and questions when I lost both of my parents to AIDS before turning 16. Imagine being 11 years old and finding out that both your parents will be dead in a few years... This pain almost destroyed me but the same God I doubted used the pain to develop me! I want to encourage the viewers of this video to remember God is not the cause of the world's problems, sin is! Do not let the devil convince you that God is at fault for the sinful choices man makes. Despite what you SEE in your life remember what God has SAYS...HE LOVES YOU AND WILL NEVER LEAVE OR FORSAKE YOU! Give God a second chance and He will do for you the same thing he did for me! HE WILL TURN YOUR PAIN INTO YOUR PLATFORM & YOUR PROBLEMS INTO PROSPERITY!
