Hunger Makes Me a Modern Girl Carrie Brownstein, 2016-10-25 From the guitarist of the pioneering band Sleater-Kinney, the book Kim Gordon says everyone has been waiting for and a New York Times Notable Book of 2015-- a candid, funny, and deeply personal look at making a life--and finding yourself--in music. Before Carrie Brownstein became a music icon, she was a young girl growing up in the Pacific Northwest just as it was becoming the setting for one the most important movements in rock history. Seeking a sense of home and identity, she would discover both while moving from spectator to creator in experiencing the power and mystery of a live performance. With Sleater-Kinney, Brownstein and her bandmates rose to prominence in the burgeoning underground feminist punk-rock movement that would define music and pop culture in the 1990s. They would be cited as "America's best rock band" by legendary music critic Greil Marcus for their defiant, exuberant brand of punk that resisted labels and limitations, and redefined notions of gender in rock. HUNGER MAKES ME A MODERN GIRL is an intimate and revealing narrative of her escape from a turbulent family life into a world where music was the means toward self-invention, community, and rescue. Along the way, Brownstein chronicles the excitement and contradictions within the era's flourishing and fiercely independent music subculture, including experiences that sowed the seeds for the observational satire of the popular television series Portlandia years later. With deft, lucid prose Brownstein proves herself as formidable on the page as on the stage. Accessibly raw, honest and heartfelt, this book captures the experience of being a young woman, a born performer and an outsider, and ultimately finding one's true calling through hard work, courage and the intoxicating power of rock and roll.

Quicklet on Portlandia Season 2 (TV Show) Jonathan Kaufman Nathan, 2012-07-30 ABOUT THE BOOK "I like to describe Portland as a city with a lot of self-esteem, filled with people with a lot of self-doubt. Portland is a really kind place, with all kinds of people who will go to tyrannical lengths to show you how kind they are, to the point that it actually feels kind of mean. I think a lot of our characters are trying to navigate that." - Portlandia co-creator Carrie Brownstein, quoted in The Daily Beast "You remember the 90s, when everyone was pickling their own vegetables, and brewing their own beer? People were growing out their mutton chops and waxing their handlebar moustaches. Everyone was knitting and sewing clothes for their children. People were wearing glasses all the time, like contact lenses had never been invented." "Wait, are we talking about the 1990s?" - Jason From LA and Melanie, Episode 5, "The Dream of the 1890s" If you haven't heard the joke, then you haven't been going to the right bars in the right cities with the right people. Hang around enough cool, plugged-in, young, urban progressives - "hipsters," as they've been termed in the last few years - and you're bound to eventually meet a couple of them who are self-aware enough to have latched on to it. The joke is dry, bitter, self-deprecating. It indicts the entire hipster scene for a sin, one which is simultaneously inconsequential and monumental, that has characterized American progressives - young and old, hip and square, urban and rural - for decades. "Hey, are you a hipster?" "No." "OK, you're a hipster." Hipsters are becoming notorious for their self-loathing. The internet is lousy with Tumblrs, blogs, and entire websites dedicated to bashing the hipster phenomenon. But who are the people hanging out long enough to make all these observations in the Mission, in Williamsburg, in Silver Lake, in Wicker Park, in Capitol Hill? It generally takes one to know one, when it comes to hipsters, and the joke is that one of the first identifiers of a hipster is denial of membership in the group. It's a social identity literally built around

participants' pretending to not be participants. EXCERPT FROM THE BOOK "Hey, are you a hipster?" "No." "OK, you're a hipster." Hipsters are becoming notorious for their self-loathing. The internet is lousy with Tumblrs, blogs, and entire websites dedicated to bashing the hipster phenomenon. But who are the people hanging out long enough to make all these observations in the Mission, in Williamsburg, in Silver Lake, in Wicker Park, in Capitol Hill? It generally takes one to know one, when it comes to hipsters, and the joke is that one of the first identifiers of a hipster is denial of membership in the group. It's a social identity literally built around participants' pretending to not be participants. It's not new, this progressive self-hatred. Its roots run deep. Liberals have always seemed uneasy with their own ideals. Conservatives rarely engage in the same degree of public, brutal, hilarious, humiliating self-flagellation. Recent studies have confirmed that conservative politics are bolstered by what is termed "low-effort thinking." Firmly attached to a relatively simple, black-and-white worldview, a conservative does not see enough complexity in the issues of the day to see the funny side of his or her own perspective. But philosophical self-mutilation is so deeply entrenched in the left that progressives even do it in their daily lives. They wryly adopt and self-apply the most insulting terms hurled at them from across the aisle. Bleeding heart. Flaming liberal. Treehugger. And so on and so forth.

Quicklet on Portlandia Season 1 Jonathan Nathan, 2012-05-08 Like the hipster movement it ridicules, Portlandia has its roots in the early 1990s - the Grunge Era. After early innovators like Mudhoney and Tad paved the way, the blockbuster triumvirate of Nirvana, Soundgarden, and Alice in Chains ruled MTV and college radio for half a decade, with Pearl Jam going on to even greater, and more sustained success. Kevin Smith and Richard Linklater made films that idealized underemployment and post-high-school doldrums. Quentin Tarantino pioneered a schizophrenic, heavily referential style of film that seemed designed to mimic the long, drawn-out, conversations of a group of stoned young film buffs with nothing to do and too big of a videotape collection. Flannel shirts and what Silver Jews frontman David Berman would later describe as sarcastic hair were the height of fashion. Every young kid in America since the second World War has probably been called a lazy, good-for-nothing slacker by his or her parents at least once, but in 1993, there was no higher compliment. Everybody was going to be an artist, a comedian, a writer, a filmmaker, an actor, a poet. And in two different grunge havens, separated by half a continent, Fred Armisen and Carrie Brownstein were starting their long journeys toward that dreamed-of success. Given that they both found their most widely celebrated success working together on a sketch comedy series, it is perhaps surprising that they both started out playing in cult favorite indie rock bands.
